Katz,Linda Sternberg Katz,Esther Crain,1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology *Love, Poetry, and Immortality: Luminous Insights of the World's Great Thinkers* William Gerber,2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal

Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel,1975 **Anthologies of British Poetry** ,2021-11-22 From Tottel s Miscellany 1557 to the last twentieth century *Oxford Book of English Verse* 1999 anthologies have been a prime institution for the preservation and mediation of poetry The importance of anthologies for creating and re creating the canon of English poetry for introducing new programmes of poetry as a record of changing poetic fashions audience tastes and reading practices or as a profitable literary commodity has often been asserted Despite its impact however the poetry anthology in itself has attracted surprisingly little critical interest in Britain or elsewhere in the English speaking world This volume is the first publication to explore the largely unmapped field of poetry anthologies in Britain Essays written from a wide range of perspectives in literary and cultural studies and the point of view of poets editors

publishers and cultural institutions aim to do justice to the typological functional and historical variety with which this form of publication has manifested itself from early modern print culture to the postmodern age of the world wide web
