**Prenuptial** Lynn Tolliver, 2000 Caution This book contains profanity and vulgar offensive language However if your divorce was a long drawn out or dismantling as the divorce this author has gone through there is probably not enough room in a million books for the words you would like to use or enough bad words to say Divorce can be a nasty burden to bear and sometimes profanity is the only remedy you can use to ease the pain Violence is NOT the way If you are going through a divorce currently you may start crying and I m sorry for that Please accept my apology If you are thinking about getting married you may change your mind and I m sorry for that too You may want to call me and thank me because divorce when it s nasty is a lot more bitter than parsley a lot more distasteful than riding a bike men standing up and the chain slips and you land on your manhood It s more disruptive than highway construction and hits a lot harder than a gangster s backhand Having gone through three divorces you may say I m an expert on it however who wants to be the champion of broken hearts And what s even worse who wants to be the King Of Losing All Your Money just to have the courts say you re still going to lose no matter what happens CAUTION This book contains profanity Let me repeat this book contains graphic profanity that is not meant for those under 18 No let me restate that It is not meant for those who have not had a bad experience in a love relationship Who was the group that did the song LOVE HURTS I think they meant to sing LOVE COSTS Maybe if I can make you laugh you won t make the same mistakes I did I know you may be thinking it could have been my fault right Maybe so You read the book and let me know

*Odysseys Home: Mapping African Canadian Literature* is a pioneering study of African Canadian literary creativity, laying the groundwork for future scholarly work in the field. Based on extensive excavations of archives and texts, this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures. George Elliott Clarke identifies African Canadian literature's distinguishing characteristics, argues for its relevance to both African Diasporic Black and Canadian Studies, and critiques several of its key creators and texts. Scholarly and sophisticated, the survey cites and interprets the works of several major African Canadian writers, including Andr  Alexis Dionne, Brand Austin, Clarke, Claire Harris, and M. Nourbese Philip. In so doing, Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of universalism and black nationalism, liberalism, and conservatism. These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity. Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa, African America, and the Caribbean. In addition to the essays, Clarke has assembled a seminal and expansive bibliography of texts, literature, and criticism from both English and French Canada. This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora.
