Earn the Right to Win Tom Coughlin, David Fisher, 2013-03-05 A top NFL coach offers leadership advice that applies from the field to the office. Tom Coughlin led the New York Giants to two Super Bowl victories with his unique system of relentless preparation and resilience. He teaches his players that you can never guarantee a win, but you can always earn the right to win with focus, hard work, and anticipation of obstacles. Now Coughlin shows how his teachings apply beyond the gridiron, illustrating his points with previously untold stories about players like Eli Manning, Doug Flutie, and Michael Strahan. His wisdom can help leaders in any field rev up their own organizations. Tom Coughlin challenged us and prepared us to handle anything that was thrown at us. The lessons I learned from him weren't limited to football. They were applicable to every aspect of my life. Michael Strahan: Tom Coughlin is one of the most successful coaches in NFL history. Before winning two Super Bowls with the New York Giants, he coached the Jacksonville Jaguars for nine seasons, leading them to two appearances in the AFC Championship Game. David Fisher is the co-author of seventeen New York Times bestsellers.

Tell to Win Peter Guber, 2011-03-01 Today everyone, whether they know it or not, is in the emotional transportation business. More and more success is won by creating compelling stories that have the power to move partners, shareholders, customers, and employees to action. Simply put, if you can't tell it, you can't sell it. And this book tells you how to do both. Historically, stories have always been igniters of action, moving people to do things. But only recently has it become clear that purposeful stories—those created with a specific mission in mind—are absolutely essential in persuading others to support a vision, dream, or cause. Peter Guber, whose executive and entrepreneurial accomplishments have made him a success in multiple industries, has long relied on purposeful story telling to motivate, win over, shape, engage, and sell. Indeed, what began as a knack for telling stories as an entertainment industry executive has, through years of perspiration and inspiration, evolved into a set of principles that anyone can use to achieve their goals. In *Tell to Win*, Guber shows how to move beyond soulless PowerPoint slides, facts, and figures to create purposeful stories that can serve as powerful calls to action. Among his techniques: Capture your audience's attention first, fast and foremost. Motivate your listeners by demonstrating authenticity. Build your tell around

what's in it for them Change passive listeners into active participants Use state of the heart technology online and offline to make sure audience commitment remains strong To validate the power of telling purposeful stories Guber includes in this book a remarkably diverse number of voices master tellers with whom he's shared experiences They include YouTube founder Chad Hurley NBA champion Pat Riley clothing designer Normal Kamali Mission to Mars scientist Gentry Lee Under Armour CEO Kevin Plank former South African president Nelson Mandela magician David Copperfield film director Steven Spielberg novelist Nora Roberts rock legend Gene Simmons and physician and author Deepak Chopra After listening to this extraordinary mix of voices you'll know how to craft deliver and own a story that is truly compelling one capable of turning others into viral advocates for your goal
