How to Hire, Train & Keep the Best Employees for Your Small Business Dianna Podmoroff,2005 Book CD ROM. Ask any manager today and they will say their biggest concern is the competition for talented good employees. The business costs and impact of employee turnover can be grouped into four major categories: costs resulting from a person leaving, hiring costs, training costs, and lost productivity costs. The estimated cost to replace an employee is at least 150 percent of the person's base salary. As you can see, managers must learn to hire, train, and keep their employees highly motivated. This book will help you to learn the fundamentals of sound hiring: how to identify high performance candidates and how to spot evasions. You will learn to create a workplace full of self-motivated employees who are highly purpose-driven. The book contains a wide assortment of carefully worded questions that help to make the process more effective. Innovative step-by-step descriptions of how to recruit, interview, hire, train, and keep the best people for every position in your organisation. This book is filled to the brim with innovative and fun training ideas that cost little or nothing, and ideas for increasing employee involvement and enthusiasm. When you get your employees involved and enthused, you will keep them interested and working with you, not against you. With the help of this book, get started today on building your workplace into one that inspires employees to do excellent work because they really want to.
