pronunciation in the classroom **The Decline in Educational Standards** James D. Williams, 2019-04-15 The Decline in Educational Standards From a Public Good to a Quasi Monopoly is about the commodification of education and the factors that have changed education from a public good into a commodity over the last 50 years When we look at today's education we see that academic standards in public education have been declining for decades even as education funding has reached nearly a trillion dollars per year to fund such failed programs as No Child Left Behind and Common Core Simultaneously tuition and fees at public universities have increased nearly 2000 percent over the last 30 years and student loan debt is now a staggering 1.5 trillion Quite simply education has become big business This book examines the various issues associated with the commodification of education especially neoliberalism and privatized Keynesianism what they are how they developed and how they have affected education and public policy It argues that neoliberalism and the related socioeconomic shift to debt based consumerism are at the center of commodification leading to a significant decline in the exchange value of a college degree It also argues that we cannot understand the changes in our public and higher education systems without examining the historical social economic and political factors that have essentially created an education system that is significantly different from what it was in the not so distant past **Testing Creative Writing in Pakistan** Humaira Irfan, 2018-07-27 This book investigates the impact of creative writing tests on classroom practice in Pakistan All National Education Policies in Pakistan since 1959 have expressed grave concern at the deteriorating standard of Board Examinations but no significant steps have been taken to improve the examination system The method of assessment in the Pakistani classroom is influenced by the Board Examinations with the students memorising the essays and stories from their textbooks and reproducing them The Board Examination tends to produce negative washback as it damages learners' creative talents Appropriate changes in the textbooks and the external examination however will in turn definitely improve the teaching and assessment practices in the classroom **Assessing EFL Writing in the 21st Century Arab World** Abdelhamid Ahmed, Hassan Abouabdelkader, 2018-02-02 This book empirically explores assessment of EFL English as a Foreign Language writing in different Arab world contexts at the university level which often presents a challenge for teachers and students alike Analysing a number of different practices throughout the chapters including peer assessment self assessment e rubrics and writing coherence the authors highlight different issues and challenges that affect the assessment of EFL writing in the Arab world and provide valuable insights into how it can be improved This book is sure to become an important practical resource for practitioners researchers professors and graduate students working on EFL writing in this region **The Rational Shakespeare** Michael Wainwright, 2018-08-22 The Rational Shakespeare Peter Ramus Edward de Vere and the Question of Authorship examines William Shakespeare's rationality from a Ramist perspective linking that examination to the leading intellectuals of late humanism and extending those links to the life of Edward de Vere Seventeenth Earl of Oxford The application to Shakespeare's plays and sonnets of a game theoretic hermeneutic an interpretive approach that Ramism

suggests but ultimately evades strengthens these connections in further supporting the Oxfordian answer to the question of Shakespearean authorship Rhetoric and Composition Steven Lynn,2010-09-30 Rhetoric and composition is an academic discipline that informs all other fields in teaching students how to communicate their ideas and construct their arguments It has grown dramatically to become a cornerstone of many undergraduate courses and curricula and it is a particularly dynamic field for scholarly research This book offers an accessible introduction to teaching and studying rhetoric and composition By combining the history of rhetoric explorations of its underlying theories and a survey of current research with practical examples and advice Steven Lynn offers a solid foundation for further study in the field Readers will find useful information on how students have been taught to invent and organize materials to express themselves correctly and effectively and how the ancient study of memory and delivery illuminates discourse and pedagogy today This concise book thus provides a starting point for learning about the discipline that engages writing thinking and argument **Language Education in Saudi Arabia: Integrating Technology in the Classroom** Ali H. Al-Hoorie,Connie Mitchell,Tariq Elyas,2025-03-14 This volume addresses the pressing need for integrating technology into language learning and teaching practices In an age where technology shapes every aspect of our lives educators face the challenge of harnessing its power to enhance language education This book provides a nuanced exploration of this complex issue offering practical insights and innovative solutions It discusses various perspectives on technology s role in language education from artificial intelligence technology to hybrid learning approaches It also examines the impact of tools such as the Reading Progress tool on students reading skills and explores how exposure to language through media influences speaking proficiency Additionally the book deals with corpus based studies and provides a comprehensive systematic review of research on technology and language learning in Saudi Arabia It also addresses the challenges posed by the COVID 19 pandemic and offers insights into adapting language teaching pedagogy to online environments ensuring continuity and effectiveness in language education This book is essential for researchers policymakers educators students and anyone interested in leveraging technology to revolutionize language education in Saudi Arabia and beyond Writing Elena L. Grigorenko,Elisa Mambrino,David D. Preiss,2012-05-04 This book captures the diversity and richness of writing as it relates to different forms of abilities skills competencies and expertise Psychologists educators researchers and practitioners in neighboring areas are interested in exploring how writing develops and in what manner this development can be fostered but they lack a handy unified and comprehensive source of information to satisfy their interest The goal of this book is to fill this void by reflecting on the phenomenon of writing from a developmental perspective It contains an integrated set of chapters devoted to issues of writing how writing develops how it is and should be taught and how writing paths of development differ across writing genres Specifically the book addresses typologies of writing pathways of the development of writing skills stages of the development of writing individual differences in the acquisition of writing skills writing ability and disability teaching writing and the development and demonstration of

expertise in writing **Taking Action on Adolescent Literacy** Judith L. Irvin, Julie Meltzer, Melinda S. Dukes, 2007-06-15 Learn the 5 steps that school leaders can take to improve student literacy in all content areas with targeted interventions for students who are struggling the most *Visions and Revisions* James Dale Williams, 2002 Williams Soka U California has compiled nine essays that examine rhetoric and composition from the 1960s to the present its emergence as a field the influence of linguistics and psychology in shaping an empirical agenda the waning of that influence as the field aligned itself more closely with the goals and objectives of traditional English departments the shift toward postmodern perspectives on language place and self and a move toward post postmodern concerns This historical study begins with reminiscences by Richard Lloyd Jones W Ross Winterowd Frank J D Angelo and John Warnock The second section examines those changes in detail For example Williams makes the connection between rhetoric and democracy especially the influence of liberal democracy on rhetoric in society He argues that because our liberal democracy is so focused on entertainment rhetoric and composition must examine its role in relation to it Annotation copyrighted by Book News Inc Portland OR **Innovations in Digital Instruction Through Virtual Environments** DeHart, Jason D., 2023-04-25 The implementation of virtual environments in education has been rapidly increasing in frequency after the COVID 19 pandemic As these technologies rise in popularity it is essential to understand the roles digital technologies play in fostering connections and learning the affordances of digital texts and spaces for virtual classroom experiences the difficulties educators have faced and how these practices have been crafted to meet these challenges and more *Innovations in Digital Instruction Through Virtual Environments* advances knowledge about the pedagogical decisions and lived experiences of researchers and educators both before and after the COVID 19 pandemic It features research from those who have worked to sustain and develop digital media pedagogical practices Covering topics such as active learning environments emotional labor and textual engagements this premier reference source is an excellent resource for educators and administrators of both K 12 and higher education pre service teachers teacher educators librarians researchers and academicians Multidisciplinary Perspectives on International Student Experience in Canadian Higher Education Tavares, Vander, 2020-10-02 Canada has become one of the most popular destinations for international students at the higher education level A number of complex factors and trends both in Canada and globally have contributed to the emergence of Canada as a destination for international higher education However more research is still needed to better understand the experiences of international students in Canada considering the rapid growth in numbers as well as the social political and linguistic singularity of Canada as a destination *Multidisciplinary Perspectives on International Student Experience in Canadian Higher Education* is an essential scholarly publication that explores international students experiences in Canadian colleges and universities It seeks to explore the various factors aspects challenges and successes that characterize the international student experience in Canadian higher education from the perspective of international students and the academic communities to which they belong Featuring a
