Prescott's *History of the Conquest of Mexico* and Theodore Roosevelt's *The Naval War of 1812* **THE DECLINE AND FALL OF THE ROMAN EMPIRE ABRIDGED** Edward Gibbon's masterpiece which narrates the history of the Roman Empire from the second to the fifteenth centuries is widely considered the greatest work of history ever written This abridgment retains the full scope of the original while emphasizing elements ignored in all other abridgments in particular the role of religion in the empire and the rise of Islam **MONTCALM AND WOLFE** The result of more than forty years of passionate research Montcalm and Wolfe is the epic story of Europe's struggle for dominance of the New World Thought by many to be Francis Parkman's greatest work it is a riveting read and an essential part of any military history collection **HISTORY OF THE CONQUEST OF MEXICO** William H. Prescott's sweeping account of Cortés's subjugation of the Aztec people has endured as a landmark work of scholarship and dramatic storytelling This pioneering study presents a compelling view of the clash of civilizations that reverberates in Latin America to this day **THE NAVAL WAR OF 1812** Published when its author Theodore Roosevelt was only twenty three years old The Naval War of 1812 was immediately hailed as a literary and scholarly triumph and it is still considered the definitive book on the subject Roosevelt's inimitable style and robust narrative make *The Naval War of 1812* enthralling illuminating

and utterly essential to every armchair historian      **Translators Through History** Jean Delisle, Judith Woodsworth, 1995

Translators have invented alphabets helped build languages and written dictionaries They have contributed to the emergence of national literatures the dissemination of knowledge and the spread of religions Importers of foreign cultural values and key players at some of the great moments of history translators and interpreters have played a determining role in the development of their societies and have been fundamental to the unfolding of intellectual history itself Published under the auspices of the International Federation of Translators FIT Translators through History is organized around nine themes that illustrate the main areas in which translators have distinguished themselves through the ages Nearly fifty scholars from twenty different countries have helped to compile this survey which takes the reader through Europe the Americas and into Africa India and China      *The City* Joel Kotkin, 2007-12-18 If humankind can be said to have a single greatest creation it would be those places that represent the most eloquent expression of our species's ingenuity beliefs and ideals the city In this authoritative and engagingly written account the acclaimed urbanist and bestselling author examines the evolution of urban life over the millennia and in doing so attempts to answer the age old question What makes a city great Despite their infinite variety all cities essentially serve three purposes spiritual political and economic Kotkin follows the progression of the city from the early religious centers of Mesopotamia the Indus Valley and China to the imperial centers of the Classical era through the rise of the Islamic city and the European commercial capitals ending with today's post industrial suburban metropolis Despite widespread optimistic claims that cities are back in style Kotkin warns that whatever their form cities can thrive only if they remain sacred safe and busy and this is true for both the increasingly urbanized developing world and the often self possessed global cities of the West and East Asia Looking at cities in the twenty first century Kotkin discusses the effects of developments such as shifting demographics and emerging technologies He also considers the effects of terrorism how the religious and cultural struggles of the present pose the greatest challenge to the urban future Truly global in scope *The City* is a timely narrative that will place Kotkin in the company of Lewis Mumford Jane Jacobs and other preeminent urban scholars      Hers, His, and Theirs Jean A. Stuntz, 2005 Traces through legal documents and court cases the roots of Texas community property law to Castilian law during the Spanish Reconquest Examines why Spanish community property law developed so differently from elsewhere in Europe why it survived in Texas and what it offered that English common law did not Provided by publisher      *Soldaderas in the Mexican Military* Elizabeth Salas, 2010-07-04 This study explores the evolving role of women soldiers in Mexico as both fighters and cultural symbols from the pre Columbian era to the present Since pre Columbian times soldiering has been a traditional life experience for innumerable women in Mexico Yet the many names given these women warriors heroines camp followers Amazons coronelas soldadas soldaderas and Adelitas indicate their ambivalent position within Mexican society In this original study Elizabeth Salas challenges many traditional stereotypes shedding new light on the significance of these women Drawing on military archival data anthropological studies

and oral history interviews Salas first explores the real roles played by Mexican women in armed conflicts She finds that most of the functions performed by women easily equate to those performed by revolutionaries and male soldiers in the quartermaster corps and regular ranks She then turns her attention to the soldadera as a continuing symbol examining the image of the soldadera in literature corridos art music and film Salas finds that the fundamental realities of war link all Mexican women regardless of time period social class or nom de guerre

Roads to Rome Jenny Franchot, 2024-03-29 The mixture of hostility and fascination with which native born Protestants viewed the foreign practices of the immigrant church is the focus of Jenny Franchot's cultural literary and religious history of Protestant attitudes toward Roman Catholicism in nineteenth century America Franchot analyzes the effects of religious attitudes on historical ideas about America's origins and destiny She then focuses on the popular tales of convent incarceration with their Protestant maidens and lecherous tyrannical Church superiors Religious captivity narratives like those of Indian captivity were part of the ethnically theologically and sexually charged discourse of Protestant nativism Discussions of Stowe Longfellow Hawthorne and Lowell writers who sympathized with Romanism and used its imaginative properties in their fiction further demonstrate the profound influence of religious forces on American national character This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994
