Oswald Sanders, 2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4 7 J B Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture's command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You'll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study *The Disciple Maker's Handbook* Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally disciplined by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for
