Belzen, 1997 ISBN 9042000333 paperback NLG 45 00 This volume presents hermeneutical psychological studies on religion which rely on both classical and contemporary approaches Dealing with topics like mysticism religious symbols life stories and mental health contributions to the volume draw on a variety of perspectives through genealogy and psychoanalysis

Reading the Word of God in the Presence of God Vern S. Poythress, 2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author's intended meaning However for Christians the Bible is first and foremost God's Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it's reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ-centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world

On the mysticism attributed to the early fathers of the Church [by J. Keble]. John Keble, 1841

Beyond the Ordinary Ben Campbell Johnson, Andrew Dreitcer, 2001 Over the past few decades mainline Protestant congregations have not easily embraced the notion of spirituality As much as any aspect of church life spirituality has been misunderstood misused and resisted by both clergy and laity Yet times are changing Today many people feel a deep spiritual hunger and are out looking for fulfillment in a wide variety of settings In this new context mainline congregations need to awaken to the presence of the Spirit in their midst and equip leaders to nurture both the personal and corporate spirituality of their congregations Beyond the Ordinary is explicitly written to help church leaders who have had no formal training in spiritual formation Drawing from years of experience teaching Christian spirituality Ben Campbell Johnson and Andrew Dreitcer explore the spiritual dimensions of leadership looking in depth at the meaning of spirituality as it relates to the tasks of ministry This friendly inspiring book will enable readers to erase the negative stereotypes of spirituality and develop vital models and practices for the church today The book introduces a faithful understanding and practice of the spiritual life to those who have not yet dipped into the well that is Christian spirituality For those who have already tasted this water and still thirst it offers a way to dip even more deeply Chapters discuss the issues surrounding a meaningful spirituality for our changing times the importance of holding prayer and mission in tension and the crucial role of Scripture in the formation of our lives The authors also underscore the importance of vision myth and discernment in the spiritual life of the church And they discuss the power of spiritual practices like discernment and visioning for enhancing the spirituality of congregations and helping them become agents of social transformation Intended for personal and group use by pastors elders other church leaders and those preparing for service in the church the book includes questions for reflection and discussion as well as journaling exercises to encourage learning and growth

The Unnecessary Pastor

Marva Dawn, Eugene Peterson, 1999-11-17 Best selling authors Marva Dawn and Eugene Peterson offer encouragement to pastors Pastors are strategically placed to counter the culture No other profession looks so inoffensive but is in fact so dangerous to the status quo Their weapon A gospel that is profoundly countercultural But standing firm in today's world isn't easy Powerful forces both subtle and obvious attempt to domesticate pastors to make them in a word unnecessary In this book two of today's most respected authors help pastors recover their gospel identity and maintain a pure vision of Christian leadership Marva Dawn and Eugene Peterson reconnect pastors with the biblical texts that will train them as countercultural servants of the gospel Marva Dawn looks to Paul's letter to the Ephesians for instruction for churches seeking to live faithfully in today's world In turn Eugene Peterson explores Romans 1 and 2 Timothy and Titus drawing from them the correct view of pastoral identity

Entire Absolution of the Penitent Edward Bouverie Pusey, 1846 **Karl Rahner** William V. Dych, 2000-06-27 Karl Rahner 1904-1984 has been called the most important and influential Roman Catholic thinker of the twentieth century He was a major influence at the Second Vatican Council and his extensive writings have inspired generations of modern students of theology Dych provides a concise introduction to Rahner's theological interests and covers his thinking from his student days to the time of his death Rahner's writings are numerous and complex but this volume provides a sure and accessible guide to his legacy In addition Dych attempts to connect Rahner's main theological teachings with those of Vatican II and with the teachings found in the Exercises of St Ignatius Loyola In so doing Dych places Rahner in the context of modern Catholic doctrine and the ongoing experience of Christians anxious to explore the mysteries of God and creation

This Is My Body Thomas J. Davis, 2008-08 A Reformation scholar provides a much needed historical perspective on the presence of Christ in the theology of Luther Calvin and other Reformers

Between the Ambo and the Altar Gueric DeBona, 2015-09-16 The publication of The Roman Missal Third Edition offers an opportunity for homilists to explore the relationship between the Sunday readings and the new Roman Missal Between the Ambo and the Altar is the final book Year C in a three volume series that presents scriptural liturgical and preaching commentary for Sundays solemnities and feasts throughout the year Each Sunday's resources are presented in three sections exploring the Scripture connecting the Lectionary with the liturgy and a homiletic strategy DeBona takes the preacher through a meditation on the language of the Missal suggests parallels to the Sunday Lectionary and gives practical homiletic strategies using core themes and images It is hoped that the commentary advances a framework for homily preparation so that preachers might savor the deep meaning of the word of God which unfolds each year in the liturgy Benedict XVI Verbum Domini 52

The Word of God Georges Auzou, 1960

Seeking Science-Friendly Christianity Harwood Hoover, 2023-11-17 This book brings together lessons from three journeys The first journey began with my acceptance of Jesus at a young age together with my growing recognition of the differences between the scriptural record and scientific understanding It continued with a young man's adventure a retreat into nature and an encounter with war War and life's darker side convinced me that even as nature brings awe and opens us to religious experience we need morality The second journey began as I inquired into the ministry When the church transferred the guide they had assigned to me Bob Wessman became my mentor Bob was an ordained pastor with a doctorate in theology For twenty years we read and discussed theology including the Catholic ideas that I had discovered while teaching with the Dominican Sisters Bob is in hospice care as I write this and my library is full of the books that he gifted to me Thank you Bob I now had many ideas from my first two journeys but they floated about in my head without an organizing form The challenge was to find a form that would allow the ideas to come together and speak in harmony Differences between Scripture and science had troubled me since my youth and I could not ignore science It was simply too good at finding truth to ignore So science would have to help me Science cannot touch all that religion touches but science and technology can be in correspondence with theology Researching and writing this book could explore that relationship The result was to have remained personal but then I thought that a reader might find an idea or two useful A person who is literate in science might see why trusting Jesus is both good and reasonable This book is the story of the third journey an odyssey through science and Christian theology

Connors, csc, 2024-04-01 We come to know God through His story through His wonderful works in the history of salvation Sacrosanctum concilium 35 2 Effective preachers do more than retell this story they make informed imaginative connections that help contemporary listeners engage with these ancient texts In Preaching the Light of the Word Enlivening the Scriptural Imagination scholars and experienced preachers share their wisdom on how Scripture shapes and inspires preaching Featuring contributions from Fr J Michael Joncas Rita Ferrone Fr Donald Senior cp Ann Garrido Thomas Long Sr M Catherine Hilkert op Fr Jude Siciliano op and Michael E Connors csc this imaginative collection of essays will challenge the reader to discover How preachers are to understand revelation and the divine inspiration of the scriptural texts Sound approaches to biblical interpretation How to bridge the chasm of years to find meaning for today in these ancient texts An understanding of scripturally based preaching How the biblical text informs and inspires preaching and can lead the assembly into a deeper relationship with God Primary Sources of Liturgical Theology Dwight Vogel, 2000 Here in a single volume is selection of representative writings from seminal thinkers in the Euro North American context who shape our understanding of liturgy Included are excerpts from books journal articles and previously unpublished translations and essays Each selection is introduced by a liturgical theologian **Seeking the Asian Face of Jesus** Chris Sugden, 1997

Embodied Words, Spoken Signs Rhodora E. Beaton, 2014 The twentieth century witnessed a renewed interest in a Roman Catholic theology of the word The beginning of this renewal is marked by the work of Karl Rahner who before the Second Vatican Council decried the fact that Roman Catholicism in contrast to the Protestant theological tradition lacked an adequate theology of the word Rahner's contributions as well as those of sacramental theologian Louis Marie Chauvet demonstrate the Roman Catholic conviction that the word is fundamentally sacramental it has the capacity to bear God's presence to humanity Rooted in patristic and medieval sacramental tradition and engaged in dialogue with Reformation theologies Rhodora Beaton examines the further advances in Rahner and Chauvet to articulate the relationship between word and sacrament within the context of language culture and an already graced world as the place of divine self expression as well as analyzes the implications for Trinitarian theology sacramentality liturgy and action **Tracts for the Times: (for**
