Home LaVonne Chastain, 2021-08-03 A true life story that may sound a bit familiar to the baby boomer generation Spanning the years from the 50s to the modern times of today from childhood antics to the angst and perils of teenage hood and then the highs and lows of marriage giving birth divorce Beyond those years follow an assortment of the amusing and amazing the joyful and the miraculous and the disappointment and sorrow of a not too normal life It all began in a tiny northern town in America transcending six decades and several foreign countries A chance to start over a second marriage one worth waiting for new man new country new customs amongst castles and moors and mysticism along with quirkiness oddities and whimsy A lifelong search for identity and answers needle in a haystack style A quest to find a recognizable face a name a place feeling nonexistent at times like a ghost I m here but I m not really here A discovery of human nature to belong to someone days and moments that will never be forgotten and the chance to live another day as a result of finding the truth Another whole family like figures in a wax museum suddenly and finally come to life A song with a beautiful melody and words beckoning from far across the ocean simultaneously haunting and pleasing the personal anthem that sometimes shadowed and other times led to the final destination of knowing I shouldn t have even made it Everyone else is dead Not me I was meant to live And this is my story
