Preserving The Self In The South Seas 1680 184:

Preserving the Self in the South Seas, 1680-1840 Jonathan Lamb, 2001-06-15 This volume charts the sensibilities of the lonely figures that encountered the new and exotic in terra incognita Jonathan Lamb introduces us to the writings of South Seas explorers and finds in them unexpected and poignant tales of selves alarmed and transformed **Defoe's Writings and Manliness** Stephen H. Gregg, 2016-05-13 Defoe's Writings and Manliness is a timely intervention in Defoe studies and in the study of masculinity in eighteenth century literature more generally Arguing that Defoe's writings insistently returned to the issues of manliness and its contrary effeminacy this book reveals how he drew upon a complex and diverse range of discourses through which masculinity was discussed in the period It is for this reason that this book crosses over and moves between modern paradigms for the analysis of eighteenth century masculinity to assess Defoe's men A combination of Defoe's clarity of vision a spirit of contrariness and a streak of moral didacticism resulted in an idiosyncratic and restless testing of the forces surrounding his period's ideas of manliness Defoe's men are men but they are never unproblematically so they display a contrariness which indicates that a failure of manliness is never very far away **Sexual Antipodes** Pamela Cheek, 2003 It thus proposes that competing claims about the role of sex in British and French public life claims tested in British and French colonial representations established the conditions for placing modern Western European sexual identity
