Presidential Rhetoric and the Public Agenda Andrew B. Whitford, Jeff Yates, 2009-11 The bully pulpit is one of the modern president's most powerful tools and one of the most elusive to measure Presidential Rhetoric and the Public Agenda uses the war on drugs as a case study to explore whether and how a president's public statements affect the formation and carrying out of policy in the United States When in June 1971 President Richard M. Nixon initiated the modern war on drugs he did so with rhetorical flourish and force setting in motion a federal policy that has been largely followed for more than three decades Using qualitative and quantitative measurements Andrew B. Whitford and Jeff Yates examine presidential proclamations about battling illicit drug use and their effect on the enforcement of anti drug laws at the national state and local level They analyze specific pronouncements and the social and political contexts in which they are made examine the relationship between presidential leadership in the war on drugs and the policy agenda of the Drug Enforcement Administration and the U.S. Attorneys and assess how closely a president's drug policy is implemented in local jurisdictions In evaluating the data this sophisticated study of presidential leadership shows clearly that with careful consideration of issues and pronouncements a president can effectively harness the bully pulpit to drive policy

Political Communication Richard M. Perloff, 2013-10-18 In this political communication text Richard M. Perloff examines the various ways in which messages are constructed and communicated from public officials and politicians through the mass media to the ultimate receivers the people With a focus on the history of political communication he provides an overview of the most significant issues in the study of politics and the media In addition to synthesizing facts and theories and highlighting the scholarly contributions made to the understanding of political communication effects Political Communication addresses such factors as the rhetorical accomplishments of American presidents the ongoing tangles between the press and the presidency and the historical roots of politics as it is practiced and studied today It also addresses major issues about the press and politics that continually resurface such as question of press bias and the use and manipulation of media by politicians to accomplish national goals As a comprehensive and engaging introduction to contemporary political communication this volume provides all readers with a historical perspective on American politics and press and offers a unique appreciation of the strengths and virtues of political communication in America

The Inaugural Addresses of Twentieth-Century American Presidents Halford Ryan, 1993-06-30 The essays in Halford Ryan's *The Inaugural Addresses of Twentieth Century American Presidents* explore how presidents have used their addresses to empower themselves in office The volume's construct holds that the president delivers persuasive speeches to move the Congress and the people and to move the people to move the Congress if it is intransigent Even on

Inauguration Day a largely ceremonial occasion the president seeks acquiescence and action from Congress and the people in his first rhetorical deed as the nation's chief executive officer Since scholars agree that the rhetorical presidency arose in the twentieth century with Theodore Roosevelt the book commences with Roosevelt's address followed by all subsequent presidents' inaugurals including that of Bill Clinton The authors' methodology applies classical rhetoric to the nexus of political discourse the interrelationships between the speaker the speech and the audience discussing *vox populi* *elocutio* *inventio* and *actio* Each of the chapters analyzes the political situation with regard to political purpose giving special attention to genre criticism and to the themes of campaign rhetoric that were or were not carried forth into the inaugural address The essayists explicate the evolution of each inaugural's preparation criticize its delivery and evaluate its persuasive strengths and weaknesses by accounting for its reception by the media and by the American people Recommended for scholars of political communication and rhetoric political science history and presidential studies **Presidential Road**

Show Diane J. Heith, 2015-12-03 In *The Presidential Road Show Public Leadership in an Era of Party Polarization and Media Fragmentation* Diane J Heith evaluates presidential leadership by critically examining a fundamental tenet of the presidency the national nature of the office The fact that the entire nation votes for the office seemingly imbues the presidency with leadership opportunities that rest on appeals to the mass public Yet presidents earn the office not by appealing to the nation but rather by assembling a coalition of supporters predominantly partisans Moreover once in office recent presidents have had trouble controlling their message in the fragmented media environment The combined constraints of the electoral coalition and media environment influence the nature of public leadership presidents can exercise Using a data set containing not only speech content but also the classification of the audience Diane J Heith finds that rhetorical leadership is constituency driven and targets audiences differently Comparing tone content and tactics of national and local speeches reveals that presidents are abandoning national strategies in favor of local leadership efforts that may be tailored to the variety of political contexts a president must confront Rhetorical Studies of National Political Debates Robert V.

Friedenberg, 1994 This revised and updated edition remains the only book-length rhetorical analysis of national political debates from 1960 to the present The contributors all rhetorical critics answer important questions about political debating in the United States including Why is the press involved in political debates Why are debates likely to be an enduring part of our presidential campaigns Why are some candidates successful as debaters while others are not Chapter authors offer insight into the goals commonly shared by political debaters and the rhetorical strategies most frequently used by national political debaters By providing an overall analysis of a variety of debate practices this book demonstrates how debates have become more than just campaign spectacles but rather complex calculated political events with significant consequences Predebate debate and postdebate strategies are considered in depth in these microanalyses Scholars and students of speech communication particularly those concerned with political communication will find this volume noteworthy as will those in

the related disciplines of political science history and journalism Presidential Leadership and National Security Richard S. Conley, 2017-10-31 This book assesses the foreign policy legacy of the Obama administration through the lens of national security and leadership Timely accessible chapters authored by leading scholars of presidential and international politics cover White House Cabinet relations Congress and War Powers challenges including the Iran nuclear deal ISIS and the closing of Guantanamo Bay drone strikes the New Cold War with Russia and the ways in which the Obama foreign policy legacy shaped the 2016 presidential election In particular the book explores the philosophical basis of counter terrorism strategy in the Obama administration and traces how precepts differed from the administration of George W Bush More generally the book contributes to an understanding of the distinctive interplay between the formal constitutional powers of the president and the use of informal executive powers in the quest for peace and security Finally the book surveys the challenges that Donald J Trump faces in the transition to the new presidential administration **Presidential Rhetoric and Indian Policy** Anne F. Boxberger Flaherty, 2022-12-30 Presidential Rhetoric and Indian Policy explores and analyses the dynamics of presidential rhetoric on Native peoples and issues from Nixon to the present Covering Presidents Washington through Johnson in an overview before turning to focus on the modern era of self determination Anne Flaherty offers a systematic analysis of 700 presidential statements that mention Native issues from 1969 through 2020 to evaluate whether presidents in the modern era have used their rhetorical platforms to bring attention to Native issues and to support this coherent strategy of self determination Flaherty provides evidence that rhetorical themes vary by administration and seem to either rely on more symbolic historical language or to connect more clearly to the dominant platforms and messages of the president in question The book then moves to incorporate an analysis of key outcomes compared across the administrations The data and analysis show that federal spending legislative outcomes and Supreme Court decisions have not consistently supported self determination policy over the past 50 years This book is a must read for scholars and students interested in indigenous politics Native American Indian Politics US presidency and rhetoric **Presidential Leadership in Feeble Times** Mark Zachary Taylor, 2024 Do presidents matter for America s economic performance The Gilded Age presidents of the late nineteenth century seem like weak and forgettable leaders but they hold the key to answering this question precisely because of their supposed impotence In Presidential Leadership in Feeble Times Mark Zachary Taylor tells the story of three decades of Gilded Age economic upheaval with a focus on presidential leadership why did some presidents crash and burn while others prospered Neither education nor experience mattered much Nor did brains personal ethics or party affiliation Instead Taylor finds that a president s effectiveness as an economic leader flows primarily from their vision for the country and their leadership style **The 2020 Presidential Campaign** Robert E. Denton Jr., 2021-06-10 As he has done for each presidential campaign since 1992 Robert E Denton Jr gathers a diverse collection of communications scholars to analyze specific areas of the most recent campaign season Topics include early campaign rhetoric the nomination process and

conventions candidate strategies presidential debates political advertising the use of new media and coverage of the campaigns This volume looks at the 2020 presidential campaign from three perspectives The first section addresses the major political campaign communication areas including pre primary candidate surfacing the conventions the debates political advertising social media and news coverage of the campaign The second section includes two unique perspectives on political branding and the politics of food in the 2020 campaign The final section of the volume provides the broad overviews of campaign spending and finance as well as the national perspective of explaining the vote Thus the chapters cluster around the themes of campaign communication studies of unique or special topics relevant to the campaigns and the overall election

Public Leadership Paul 't Hart, John Uhr, 2008-11-01 Leadership is routinely admired vilified ridiculed invoked trivialised explained and speculated about in the media and in everyday conversation Despite all this talk there is surprisingly little consensus about how to answer basic questions about the nature place role and impact of leadership in contemporary society This book brings together academics from a broad array of social science disciplines who are interested in contemporary understandings of leadership in the public domain Their work on political administrative and civil society leadership represents a stock take of what we need to know and offers original examples of what we do know about public leadership Although this volume connects scholars living in and mostly working on public leadership in Australia and New Zealand their contributions have a much broader scope and relevance

Rhetorical studies of national political debates, 1960-1988 Robert V. Friedenberg, 1990 Prudential Public Leadership J. Uhr, 2015-06-16 This book recovers Aristotle's understanding of the roles of rhetoric and prudence in public leadership comparing it to the other major political theories of leadership utilitarianism as advocated by J S Mill and duty ethics as advocated by Immanuel Kant

Speaking with the People's Voice Jeffrey P. Mehlretter Drury, 2014-03-03 The role of public opinion in American democracy has been a central concern of scholars who frequently examine how public opinion influences policy makers and how politicians especially presidents try to shape public opinion But in *Speaking with the People's Voice: How Presidents Invoke Public Opinion* Jeffrey P Mehlretter Drury asks a different question that adds an important new dimension to the study of public opinion How do presidents rhetorically use public opinion in their speeches In a careful analysis supported by case studies and discrete examples Drury develops the concept of invoked public opinion to study the modern presidents use of public opinion as a rhetorical resource He defines the term as the rhetorical representation of the beliefs and values of US citizens *Speaking with the People's Voice* considers both the strategic and democratic value of invoked public opinion by analyzing how modern presidents argumentatively deploy references to the beliefs and values of US citizens as persuasive appeals as well as acts of political representation in their nationally televised speeches

The Moral Rhetoric of American Presidents Colleen J. Shogan, 2006 Although sometimes decried by pundits George W Bush's use of moral and religious rhetoric is far from unique in the American presidency Throughout history and across party boundaries presidents have used such appeals

with varying degrees of political success *The Moral Rhetoric of American Presidents* astutely analyzes the president's role as the nation's moral spokesman Armed with quantitative methods from political science and the qualitative case study approach prevalent in rhetorical studies Colleen J Shogan demonstrates that moral and religious rhetoric is not simply a reflection of individual character or an expression of American civil religion but a strategic tool presidents can use to enhance their constitutional authority To determine how the use of moral rhetoric has changed over time Shogan employs content analysis of the inaugural and annual addresses of all the presidents from George Washington through George W Bush This quantitative evidence shows that while presidents of both parties have used moral and religious arguments the frequency has fluctuated considerably and the language has become increasingly detached from relevant policy arguments Shogan explores the political effects of the rhetorical choices presidents make through nine historical cases Presidents Washington Jefferson Madison Buchanan Lincoln Theodore Roosevelt Kennedy Lyndon Johnson and Carter She shows that presidents who adapt their rhetoric to the political conditions at hand enhance their constitutional authority while presidents who ignore political constraints suffer adverse political consequences The case studies allow Shogan to highlight the specific political circumstances that encourage or discourage the use of moral rhetoric Shogan concludes with an analysis of several dilemmas of governance instigated by George W Bush's persistent devotion to moral and religious argumentation

The Press And The Carter Presidency Mark J Rozell, 2019-08-14 This study is a revision of my doctoral dissertation written at the University of Virginia As a student of the American presidency I became interested in how presidential leadership is defined analyzed and assessed Students of the presidency spend a great deal of time studying leadership theory and debating the merits of different measures of leadership success These students draw inspiration for their ideas from noted presidency scholars such as Edward S Corwin Clinton Rossiter and Richard Neustadt

Democracy and Administration Brian J. Cook, 2007-03-04 Though his term in the White House ended nearly a century ago Woodrow Wilson anticipated the need for new ideas to address the effects of modern economic and social forces on the United States including increased involvement in international affairs *Democracy and Administration* synthesizes the former world leader's thought on government administration laying out Wilson's concepts of how best to manage government bureaucracies and balance policy leadership with popular rule Linking the full gamut of Wilson's ideas and actions covering nearly four decades Brian J Cook finds success folly and fresh thinking with relevance in the twenty first century Building on his interpretive synthesis Cook links Wilson's tenets to current efforts to improve public management showing how some of his most prominent ideas and initiatives presaged major developments in theory and practice *Democracy and Administration* calls on scholars and practitioners to take Wilson's institutional design and regime level orientation into account as part of the ambitious enterprise to develop a new science of democratic governance

The Rhetoric of Heroic Expectations Justin S. Vaughn, Jennifer Mercieca, 2014-01-30 Campaign rhetoric helps candidates to get elected but its effects last well beyond the

counting of the ballots this was perhaps never truer than in Barack Obama's 2008 campaign. Did Obama create such high expectations that they actually hindered his ability to enact his agenda? Should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard? The Rhetoric of Heroic Expectations: Establishing the Obama Presidency grapples with these and other important questions. Barack Obama's election seemed to many to fulfill Martin Luther King Jr.'s vision of the long arc of the moral universe bending toward justice. And after the terrorism war and economic downturn of the previous decade, candidate Obama's rhetoric cast broad visions of a change in the direction of American life. In these and other ways, the election of 2008 presented an especially strong example of creating expectations that would shape the public's views of the incoming administration. The public's high expectations in turn become a part of any president's burden upon assuming office. The interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens: institutional burdens specific to the office of the presidency; contextual burdens specific to the historical moment within which the president assumes office; and personal burdens specific to the individual who becomes president.

Presidential Campaign Rhetoric in an Age of Confessional Politics Brian T. Kaylor, 2010-12-28

When a Bible-quoting Sunday School teacher, Jimmy Carter, won the 1976 presidential election, it marked the start of a new era of presidential campaign discourse. The successful candidates since then have followed Carter's lead in publicly testifying about their personal religious beliefs and invoking God to justify their public policy positions and their political visions. With this new confessional political style, the candidates have repudiated the former perspective of a civil religious contract that kept political leaders from being too religious and religious leaders from being too political. *Presidential Campaign Rhetoric in the Age of Confessional Politics* analyzes the religious political discourse used by presidential nominees from 1976-2008 and then describes key characteristics of their confessional rhetoric that represent a substantial shift from the tenets of the civil religious contract. This new confessional political style is characterized by religious political rhetoric that is testimonial, partisan, sectarian, and liturgical in nature. In order to understand why candidates have radically adjusted their God talk on the campaign trail, important religious political shifts in American society since the 1950s are examined, which demonstrate the rhetorical demands evangelical religious leaders have placed upon our would-be national leaders. Brian T. Kaylor utilizes Michel Foucault's work on the confession with theoretical adjustments to critique the significant problems of the confessional political era. With clear analyses and unsettling relevance, Kaylor's critique of contemporary political discourse will rouse the interest and concern of engaged citizens everywhere.

Reviewing **President And The Public Rhetoric And National Leadership**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. President And The Public Rhetoric And National Leadership Introduction

President And The Public Rhetoric And National Leadership Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. President And The Public Rhetoric And National Leadership Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. President And The Public Rhetoric And National Leadership : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for President And The Public Rhetoric And National Leadership : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks President And The Public Rhetoric And National Leadership Offers a diverse range of free eBooks across various genres. President And The Public Rhetoric And National Leadership Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. President And The Public Rhetoric And National Leadership Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific President And The Public Rhetoric And National Leadership, especially related to President And The Public Rhetoric And National Leadership, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to President And The Public Rhetoric And National Leadership, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some President And The Public Rhetoric And National Leadership books or magazines might include. Look for these in online stores or libraries. Remember that while President And The Public Rhetoric And National Leadership, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow President And The Public Rhetoric And National Leadership eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google

Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the President And The Public Rhetoric And National Leadership full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of President And The Public Rhetoric And National Leadership eBooks, including some popular titles.

FAQs About President And The Public Rhetoric And National Leadership Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. President And The Public Rhetoric And National Leadership is one of the best book in our library for free trial. We provide copy of President And The Public Rhetoric And National Leadership in digital format, so the resources that you find are reliable. There are also many Ebooks of related with President And The Public Rhetoric And National Leadership. Where to download President And The Public Rhetoric And National Leadership online for free? Are you looking for President And The Public Rhetoric And National Leadership PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another President And The Public Rhetoric And National Leadership. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of President And The Public Rhetoric And National Leadership are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of

books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with President And The Public Rhetoric And National Leadership. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with President And The Public Rhetoric And National Leadership To get started finding President And The Public Rhetoric And National Leadership, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with President And The Public Rhetoric And National Leadership So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading President And The Public Rhetoric And National Leadership. Maybe you have knowledge that, people have search numerous times for their favorite readings like this President And The Public Rhetoric And National Leadership, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. President And The Public Rhetoric And National Leadership is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, President And The Public Rhetoric And National Leadership is universally compatible with any devices to read.
