PRESIDENTIAL ECONOMICS

**THE MAKING OF
ECONOMIC POLICY
FROM ROOSEVELT
TO CLINTON**

Presidential Economics

Council of Economic Advisers (US)

Presidential Economics:

Presidential Economics Herbert Stein, 1984 With rare wit and lucidity Herbert Stein examines the events policies and personalities that have shaped the American economy for a half century

Presidential Economics Herbert Stein, 1988 With rare wit and lucidity Herbert Stein examines the events policies and personalities that have shaped the American economy for a half century Copyright Libri GmbH All rights reserved

The Presidency and Economic Policy Chris J. Dolan, John P. Frendreis, Raymond Tatalovich, 2008 The Presidency and the Economic Policy offers an update on how economic issues have developed and evolved since the first version of the book was published in 1994 This book addresses the extent to which the president influences the domestic and global economy manages and coordinates the economic policymaking process and determines various economic issues on the national public policy agenda

The President And The Council Of Economic Advisors Erwin C Hargrove, Samuel A Morley, 2019-07-11 Interviews with ten former chairmen of the Council of Economic Advisers from the Truman to the Carter administrations are gathered in this book to examine the relationship between economic advisers and the president and the institutional relationships among the CEA executive departments and federal financial agencies The interviews also reconstruct major presidential decisions since the establishment of the CEA such as the 1964 tax cut the 1971 wage and price freeze and presidential strategies for managing inflation and recession In a preface to each interview the editors analyze the conditions for CEA effectiveness look at how well the advice of the Council has conformed to the presidential world view and pinpoint the distribution of responsibility for policy analysis and advice within successive administrations

[Economic Actors, Economic Behaviors, and Presidential Leadership](#) C. Damien Arthur, 2014-07-22 There is considerable disagreement about whether the U S president has a direct and measurable influence over the economy The analysis presented in Economic Actors Economic Behaviors and Presidential Leadership The Constrained Effects of Rhetoric suggests that while presidents have increased their rhetoric regarding the economy they have not had much success in shaping it Considering this research Arthur argues that the president's decision to address the economy so often must stem from a symbolic placation or institutional necessity that is intended to comfort constituencies or somehow garner electoral advocacy from the party's base No other viable explanation exists given the lack of results presidents obtain from discussing the economy and their persistent determination to do so This discrepancy suggests that presidential rhetoric on the economy is at best a tool used to appear concerned to everyone and toe the party line to their base Arthur presents an overview of economic rhetoric from the presidential office that will be of interest to scholars of the economy and political communication

Economic Report of the President, Transmitted to the Congress February 2010 Together with the Annual Report of the Council of Economic Advisors Council of Economic Advisers (US), 2010-02 The Economic Report of the President provides valuable information about the present state of the U S economy and its future course It includes Current and foreseeable trends and annual numerical goals concerning topics

such as employment production real income and Federal budget outlays Employment objectives for significant groups of the labor force Annual numeric goals A program for carrying out program objectives The Report is transmitted to Congress no later than 10 days after the submission of the Budget of the United States Government Supplementary reports can be issued to the Congress which contain additional and or revised recommendations Included in the Economic Report of the President is the Annual Report of the Council of Economic Advisers Each year the Council of Economic Advisers submits this report on its activities during the previous calendar year in accordance with the **Economic Report of the President Transmitted to the Congress** United States. President, 2019 Appendix B contains historical tables from 1959 or earlier on aspects of income national personal and corporate production prices employment investment taxes and transfers and money and finance

The Powers of the Presidency, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition *Economic Report of the President, Transmitted to the Congress February 2016 Together with the Annual Report of the Council of Economic Advisors* Council of Economic Advisers (U S), 2016-02-24 Contains the Economic Report of the President as transmitted to the Congress in March 2015 together with The Annual Report of the Council of Economic Advisers and the Statistical Appendix and includes many charts and graphs in full color

The President as Economist Richard J. Carroll, 2012-06-06 This book provides evaluations of American presidents over the course of 66 years of U S economic history using quantitative data to provide credible defensible answers to controversial questions like Whose economic policies were more effective Ronald Reagan s or Bill Clinton s The President as Economist Scoring Economic Performance from Harry Truman to Barack Obama provides eye opening insights about matters of critical importance for the future of the United States Author Richard J Carroll tackles a topic that he has researched and been focused on for more than 20 years providing impartial assessments and rankings of each presidential administration according to numerous key performance indicators quantitative data not subjective opinions The final chapter combines all of the data to present a numeric score Presidential Performance Index PPI for each administration that allows an overall ranking of the 11 presidents The analysis covers 66 years of U S economic history ranging from 1946 through 2011 The earlier administrations of Harry S Truman through Jimmy Carter set the context against which more recent presidencies are judged This title will be an invaluable resource for everyone from general readers to students at the high school undergraduate and graduate levels as well as journalists lobbyists and anyone directly or indirectly involved in the political process **Guide to the Presidency** Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency

Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

Economic Report of the President Together with the Annual Report of the Council of Economic Advisers Barack Obama, 2010-11 Contents Economic Report of the Pres Annual Report of the Council of Economic Advisers 1 To Rescue Rebalance and Rebuild 2 Rescuing the Economy from the Great Recession 3 Crisis and Recovery in the World Economy 4 Saving and Investment 5 Addressing the Long Run Fiscal Challenge 6 Building a Safer Financial System 7 Reforming Health Care 8 Strengthening the Amer Labor Force 9 Transforming the Energy Sector and Addressing Climate Change 10 Fostering Productivity Growth through Innovation and Trade Appendix Statistical Tables Relating to Income Employment and Production Charts and tables

Guide to the Presidency and the Executive Branch Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the

bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions The Politics of the Presidency, Revised 8th Edition Joseph A. Pika, John Anthony Maltese, 2013-07-15 Never losing sight of the historical foundations of the office of President of the United States the authors maintain a delicate balance as they examine the presidency through a modern lens

Reassessing the Presidency David Gordon, Thomas J. DiLorenzo, Thomas E. Woods, Jr, Yuri N. Maltsev, Ralph Raico, Paul Gottfried, Hans-Hermann Hoppe, 2013-09-19 American Despots Amazing low sale price in defense of authentic freedom as versus the presidency that betrayed it Everyone seems to agree that brutal dictators and despotic rulers deserve scorn and worse But why have historians been so willing to overlook the despotic actions of the United States own presidents You can scour libraries from one end to the other and encounter precious few criticisms of America's worst despots The founders imagined that the president would be a collegial leader with precious little power who constantly faced the threat of impeachment Today however the president orders thousands of young men and women to danger and death in foreign lands rubber stamps regulations that throw enterprises into upheaval controls the composition of the powerful Federal Reserve and manages the priorities millions of swarms of bureaucrats that vex the citizenry in every way It is not too much of a stretch to say that the president embodies the Leviathan state as we know it Or more precisely it is not an individual president so much as the very institution of the presidency that has been the major impediment of liberty The presidency as the founders imagined it has been displaced by democratically ratified serial despotism And for that reason it must be stopped Every American president seems to strive to make the historians A list by doing big and dramatic things wars occupations massive programs tyrannies large and small in hopes of being considered among the greats such as Lincoln Wilson and FDR They always imagine themselves as honored by future generations the worse their crimes the more the accolades Well the free ride ends with *Reassessing the Presidency The Rise of the Executive State and the Decline of Freedom* edited by John Denson This remarkable volume 825 pages including index and bibliography is the first full scale revision of the official history of the U S executive state It traces the progression of power exercised by American presidents from the early American Republic up to the eventual reality of the power hungry Caesars which later appear as president in American history Contributors examine the usual judgments of the historical profession to show the ugly side of supposed presidential greatness The mission inherent in this undertaking is to determine how the presidency degenerated into the office of American Caesar Did the character of the man who held the office corrupt it or did the power of the office as it evolved corrupt the man Or was it a combination of the two Was there too much latent power in the original creation of the

office as the Anti Federalists claimed Or was the power externally created and added to the position by corrupt or misguided men There s never been a better guide to everything awful about American presidents No you won t get the civics text approach of see no evil Essay after essay details depredations that will shock you and wonder how American liberty could have ever survived in light of the rule of these people Contributors include George Bittlingmayer John V Denson Marshall L DeRosa Thomas J DiLorenzo Lowell Gallaway Richard M Gamble David Gordon Paul Gottfried Randall G Holcombe Hans Hermann Hoppe Jeffrey Rogers Hummel Michael Levin Yuri N Maltsev William Marina Ralph Raico Joseph Salerno Barry Simpson Joseph Stromberg H Arthur Scott Trask Richard Vedder and Clyde Wilson *Long-range Public Investment* Robert D. Leighninger,2007 Long Range Public Investment The Forgotten Legacy of the New Deal is augmented by fifty eight photographs **Economic Decline and Political Change** Harold D. Clarke,Marianne C. Stewart,Gary Zuk,2010-11-23 In the 1970 s an age of affluence ended abruptly in Canada Great Britain and the United States Skyrocketing inflation persistent unemployment and sluggish growth became new oppressive realities for government and citizens alike This book examines the changes that occurred in economic policymaking on the governmental level and the public s response to such changes This timely collection of essays sheds light on the political economy of three of the world s oldest democracies in an era of economic distress and uncertainty *The Politics of the Presidency* Joseph A. Pika,John Anthony Maltese,Andrew Rudalevige,2017-07-06 This book analyses the change and continuity in the presidency during Barack Obama s two terms in an entrenched partisan environment discusses the competitive setting for the 2016 election and looks at the challenges and opportunities President Trump will face **Economics, Politics, and American Public Policy** James Gosling,Marc Allen Eisner,2015-01-28 This text introduces students to the interrelationship of politics and economics in American public policymaking how economic concerns have been legislated into law since Franklin Roosevelt s time and how politics e g Washington gridlock affects the economy and the making of public policy Students learn how to measure various indicators of economic performance how the U S economy works domestically and with international linkages and how and why policymakers act to stabilise an economy in an economic downturn Additionally many social insurance programs Social Security Medicare Medicaid are explained and the current fiscal issues concerning current future costs are treated in some detail The book concludes with a full chapter case study on the Obama administration s response to the Great Recession and its dealings with Congress the implementation of the Affordable Care Act is also discussed **Encyclopedia of the American Presidency, Fourth Edition** Michael Genovese,2021-04-01 Praise for the first edition An altogether excellent introduction to the study of the presidency of the United States Library Journal entries are well written an excellent addition American Reference Books Annual an excellent resource recommended Booklist Highly recommended Choice The most up to date reference of its kind Encyclopedia of the American Presidency Fourth Edition is the definitive guide to the role of the president from the American Revolution through the present day Offering a complete account of the presidency in U S

history this A to Z encyclopedia will make a great first stop for students and general readers looking for information on the executive branch of the American government Its comprehensive scope spans the relationship between the executive and the other branches of government court cases elections political opponents scandals and more A valuable resource that provides concise information Encyclopedia of the American Presidency Fourth Edition contains more than 750 entries Entries include Bully pulpit Commander in chief Economic policy Executive privilege Kamala Harris Impeachment Iraq War Thomas Jefferson Middle East Military tribunals New Deal Oval Office Franklin D Roosevelt Situation room Donald Trump Veto power War powers Watergate White House and more
