

**PRESIDENTIAL LEADERSHIP
IN PUBLIC OPINION**

Causes and Consequences

JEFFREY E. COHEN

Presidential Leadership Of Public Opinion

Robert M. Eisinger

Presidential Leadership Of Public Opinion:

The Provisional Pulpit Brandon Rottinghaus, 2010-04-07 The cornerstone of the public presidency is the ability of the White House to influence shape and even manipulate public opinion Ultimately although much has been written about presidential leadership of opinion we are still left with many questions pertaining to the success of presidential opinion leadership efforts throughout the modern presidency What is still missing is a systematic sequential approach to describe empirical trends in presidential leadership of public opinion in order to expand on important scholarly queries to resolve empirical disputes in the literature and to check the accuracy of conventional political wisdom on how when and under what conditions presidents lead public opinion In *The Provisional Pulpit* Brandon Rottinghaus develops a simple theory of presidential leadership arguing that presidential messages are more likely to be received if there are fewer countervailing agents or messages to contradict the president's message He concludes based upon the findings presented in this book that the bully pulpit is largely provisional for modern presidents The more the president can avoid the political echo chamber associated with partisan battles or communications the better the chance the president has to lead public opinion The *Provisional Pulpit* adds an important layer of understanding to the issue of how and under what conditions presidents lead public opinion All modern presidents clearly attempt to lead public opinion often due to factors outside their control they fail This book is an exploration into how and when they succeed

Presidential Leadership in Public Opinion Jeffrey E.

Cohen, 2015-04-06 This book looks at the factors that affect voters' perceptions of the president, presidential approval ratings, attitudes about Congress, and voter trust toward government

Presidential Leadership in Public Opinion Jeffrey E.

Cohen, 2015-04-06 Although presidents may have a difficult time actually leading the public and Congress, voters still desire strong leadership from their commander in chief In *Presidential Leadership in Public Opinion* Jeffrey E. Cohen argues that the perception of presidential leadership in American politics is affected not so much by what presidents accomplish but by whether voters think their president is a good leader When assessing whether a president is a good leader, voters ask two questions: does the president represent me and the nation? And is the president strong? Cohen shows that presidential interactions with Congress affect voter perceptions of presidential representation and strength These perceptions have important implications for public attitudes about American politics They affect presidential approval ratings, the performance of candidates in presidential elections, attitudes toward Congress, and trust in government Perceptions of presidential leadership qualities have implications not only for the presidency but also for the larger political system

Presidential Leadership of Public Opinion Elmer E. Cornwell, 1979

Breaking Through the Noise Matthew Eshbaugh-Soha, Jeffrey

Peake, 2011-08-15 This book explores how presidential leadership of the public most typically occurs through leadership of the news media

Presidential Leadership George C. Edwards, Kenneth R. Mayer, Stephen J. Wayne, 2020-01-03 With a focus

on presidential leadership, Edwards, Mayer, and Wayne address the capacity of chief executives to fulfill their tasks, exercise

their powers and utilize their organizational structures to affect the output of government Richly illustrated with timely fascinating examples this text examines all aspects of the presidency

Presidential Responsiveness and Public Policy-Making Jeffrey E. Cohen, 2010-05-07 We expect a president to respond to public opinion as an elected official in a democracy Indeed the president needs public support to overcome opposition to his policies in Congress and the bureaucracy At the same time the president may want to pursue policies that do not have widespread support How does public opinion affect presidential policy making Jeffrey Cohen finds that presidents are responsive to the public in selecting issues to focus on If an issue has captured the interest of the people then the president will focus on that issue Cohen finds that having chosen to work on an issue presidents pay less attention to public opinion when making a policy The president will try to maintain control over the details of the policy so that the outcome fits his policy agenda Cohen examines the way presidents from Eisenhower through Clinton have dealt with public opinion in policy making He uses case studies of issues such as Clinton and gays in the military Bush and the extension of unemployment benefits and Kennedy and cutting the income tax to explore the relationship between presidents and public opinion In addition Cohen uses a quantitative analysis of State of the Union addresses and positions on roll call votes of presidents from Eisenhower through George Bush to test his theories This book should appeal to political scientists and historians interested in the presidency and in public opinion as well as general readers interested in the history of the American presidency Jeffrey Cohen is Professor of Political Science Fordham University

The Party Politics of Presidential Rhetoric Amnon Cavari, 2017-03-10 By bringing together two bodies of literature the presidency and political parties this book makes two important contributions First it addresses the gap between presidential public actions and the perceived limited effect they have on public opinion By examining the short term effect of speeches of presidents on the entire public the long term effect of the speeches on their partisans and on the reputations of their parties for handling policy the book shows that presidents are effective leaders of public opinion Second the book adds to the scholarly interest in how political parties are viewed by the electorate in terms of policy substance It suggests that Americans possess coherent reputations of the parties for handling policy challenges and that these reputations contribute to the party identifications of Americans The effect of presidents on the reputations and in turn party attachments position them as leaders of the party system

Presidential Leadership and National Security Richard S. Conley, 2017-10-31 This book assesses the foreign policy legacy of the Obama administration through the lens of national security and leadership Timely accessible chapters authored by leading scholars of presidential and international politics cover White House Cabinet relations Congress and War Powers challenges including the Iran nuclear deal ISIS and the closing of Guantanamo Bay drone strikes the New Cold War with Russia and the ways in which the Obama foreign policy legacy shaped the 2016 presidential election In particular the book explores the philosophical basis of counter terrorism strategy in the Obama administration and traces how precepts differed from the administration of George W Bush More

generally the book contributes to an understanding of the distinctive interplay between the formal constitutional powers of the president and the use of informal executive powers in the quest for peace and security Finally the book surveys the challenges that Donald J Trump faces in the transition to the new presidential administration **Presidential Leadership** George C. Edwards III, Kenneth R. Mayer, Stephen J. Wayne, 2024-01-24 This classic text on the American presidency analyzes the institution and the presidents who hold the office through the key lens of leadership Edwards Mayer and Wayne explain the leadership dilemma presidents face and their institutional political and personal capacities to meet it Two models of presidential leadership help us understand the institution one in which a strong president dominates the political environment as a director of change and another in which the president performs a more limited role as facilitator of change Each model provides an insightful perspectives to better understand leadership in the modern presidency and to evaluate the performance of individual presidents With no simple formula for presidential success and no partisan perspective driving the analysis the authors help us understand that presidents and citizens alike must understand the nature of presidential leadership in a pluralistic system in which separate institutions share powers This fully revised thirteenth edition is fully updated through the Biden administration with recent policy developments the 2022 midterm elections changes to the media environment and the latest data The Evolution of Presidential Polling Robert M. Eisinger, 2003-01-20 The Evolution of Presidential Polling is a book about presidential power and autonomy Since FDR virtually all presidents have employed private polls in some capacity This book attempts to explain how presidential polling evolved from a rarely conducted secretive enterprise to a commonplace event that is now considered an integral part of the presidency I contend that because presidents do not trust institutions such as Congress the media and political parties all of which also gauge public opinion they opt to gain autonomy from these institutions by conducting private polls to be read and interpreted solely for themselves

White House Studies Compendium Glenn P. Hastedt, 2007 The American Presidency has become one of the most powerful offices in the world with the ascendancy of American power in the 20th century White House Studies Compendium brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia are the bound issues of White House Studies with the addition of a comprehensive subject index **Political Persuasion and Attitude Change** Diana Carole Mutz, Paul M. Sniderman, Richard A. Brody, 1996 Introduces and defines a new field of research on the way political attitudes are influenced and changed **Governing the White House** Charles Eliot Walcott, Karen Marie Hult, 1995 Charles Walcott and Karen Hult maintain that the organization of the White House influences presidential performance much more than commonly thought and that organization theory is an essential tool for understanding that influence Their book offers the first systematic application of organizational governance theory to the structures and operations of the White House Office Using organizational theory to analyze what at times has been a rather ad hoc and disorganized office might seem quixotic After all the White House Office exists within a turbulent political

environment that encourages expedient decision making And every four to eight years it must be reinvented by presidents who have their own theories and preferences about how to organize a staff to serve their policy needs But Walcott and Hult argue that White House staffs are not simply puppets of presidential preference and style Yes staff structures evolve primarily from presidents strategic responses to external demands But those structures in turn significantly influence how the executive branch perceives and responds to further demands The first part of their book lays out the theoretical argument The second examines White House outreach congressional liaison press relations personnel selection executive branch oversight and interest group and intergovernmental liaison The third focuses on White House handling of policy development and implementation The fourth analyzes staff structures that facilitate the operation of the presidency itself presidential writing and scheduling staff management and cabinet coordination The book concludes by identifying general patterns in the emergency nature and stability of governance structures in the White House Original and instructive *Governing the White House* provides a much needed primer on the inner workings of the White House staff and will be an essential volume for anyone studying the presidency

Presidential Power Robert Y. Shapiro, Martha Joynt Kumar, Lawrence R. Jacobs, 2000-08-31 Richard Neustadt's seminal work *Presidential Power: The Politics of Leadership* has endured for nearly four decades as the core of academic study of the American presidency Now building on and challenging many of the arguments in Neustadt's work *Presidential Power: Forging the Presidency for the Twenty-first Century* offers reflections and implications from what we have learned about presidential power as the new century dawns These essays including a new contribution by Neustadt himself forge a solid reexamination of Neustadt's *Presidential Power* that address questions raised but not resolved by his work A notable aspect of this volume's analysis is the transformed institution of the presidency in the wake of the impeachment hearings of the country's last twentieth-century president Bill Clinton From the portrayal of presidents as persuaders to the politics of presidential transitions each of the constituent essays in this volume provides an engaging look at the state of the American presidency

Guide to the Presidency Michael Nelson, 2015-05-01 *The Guide to the Presidency* is an extensive study of the most important office of the U.S. political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty-seven chapters of the *Guide* arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to

Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

Managing the President's Message Martha Joynt Kumar, 2010-04-15 Winner 2008 Richard E Neustadt Award Presidency Research Group organized section of the American Political Science Association Political scientists are rarely able to study presidents from inside the White House while presidents are governing campaigning and delivering thousands of speeches It is even rarer to find one who manages to get officials such as political adviser Karl Rove or presidential counselor Dan Bartlett to discuss their strategies while those strategies are under construction But that is exactly what Martha Joynt Kumar pulls off in her fascinating new book which draws on her first hand reporting interviewing and original scholarship to produce analyses of the media and communications operations of the past four administrations including chapters on George W Bush and Bill Clinton Kumar describes how today's White House communications and media operations can be at once in flux and remarkably stable over time She describes how the presidential Press Office that was once manned by a single presidential advisor evolved into a multilayered communications machine that employs hundreds of people what modern presidents seek to accomplish through their operations and how presidents measure what they get for their considerable efforts Laced throughout with in depth statistics historical insights and you are there interviews with key White House staffers and journalists this indispensable and comprehensive dissection of presidential communications operations will be key reading for scholars of the White House researching the presidency political communications journalism and any other discipline where how and when one speaks is at least as important as what one says *Guide to the Presidency and the Executive Branch* Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president's relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama's healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the

Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

New Directions in Media and Politics Travis N. Ridout, 2018-10-09 It would be difficult to find a more interesting topic than the relationship between the news media and politics especially given that Americans are now living in the Twitter presidency of Donald Trump Academic research in the area of media and politics is rapidly breaking new ground to keep pace with prolific media developments and societal changes This innovative up to date text moves beyond rudimentary concepts and definitions to consider exciting research as well as practical applications that address monumental changes in media systems in the US and the world This carefully crafted volume explores key questions posed by academics and practitioners alike exposing students to rigorous scholarship as well as everyday challenges confronted by politicians journalists and media consumers Each chapter opens with a big question about the impact of the news media provides an overview of the more general topic and then answers that question by appealing to the best most up to date research in the field The volume as a whole is held together by an exploration of the rapidly changing media environment and the influence these changes have on individual political behavior and governments as a whole New Directions in Media and Politics makes an ideal anchor for courses as it digs deeper into the questions that standard textbooks only hint at and presents scholarly evidence to support the arguments made New to the Second Edition Fully updated through the 2016 elections and the early Trump presidency with a special focus on the role of social media Adds three new chapters The Move to Mobile Media and Public Policy and Fake News Adds Discussion Questions to the end of each chapter

Presidential Rhetoric on Terrorism under Bush, Obama and Trump Gabriel Rubin, 2020-03-21 Through the analysis of eighteen years of presidential data this book shows how Presidents Bush Obama and Trump have conducted and framed the war on terror since its inception in 2001 Examining all presidential speeches about terrorism from George W Bush's two terms as President Barack Obama's two terms as President and Donald Trump's first year as President this book is the first to compare the three post 9 11 presidents in how they have dealt with the terror threat Presidential Rhetoric on Terrorism under Bush Obama and Trump argues that when policies need to be sold to the public and Congress presidents make their pertinent issues seem urgent through frequent speech making and threat inflation It further illustrates how after policies are sold a new President's reticence may signify quiet acceptance of the old regime's approach After

examining the conduct of the war on terror to date it concludes by posing policy suggestions for the future

When somebody should go to the books stores, search foundation by shop, shelf by shelf, it is in fact problematic. This is why we present the books compilations in this website. It will utterly ease you to see guide **Presidential Leadership Of Public Opinion** as you such as.

Presidential Leadership Of Public Opinion Introduction

Presidential Leadership Of Public Opinion Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Presidential Leadership Of Public Opinion Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Presidential Leadership Of Public Opinion : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Presidential Leadership Of Public Opinion : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Presidential Leadership Of Public Opinion Offers a diverse range of free eBooks across various genres. Presidential Leadership Of Public Opinion Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Presidential Leadership Of Public Opinion Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Presidential Leadership Of Public Opinion, especially related to Presidential Leadership Of Public Opinion, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Presidential Leadership Of Public Opinion, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Presidential Leadership Of Public Opinion books or magazines might include. Look for these in online stores or libraries. Remember that while Presidential Leadership Of Public Opinion, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Presidential Leadership Of Public Opinion eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While

this might not be the Presidential Leadership Of Public Opinion full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidential Leadership Of Public Opinion eBooks, including some popular titles.

FAQs About Presidential Leadership Of Public Opinion Books

What is a Presidential Leadership Of Public Opinion PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidential Leadership Of Public Opinion PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidential Leadership Of Public Opinion PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidential Leadership Of Public Opinion PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidential Leadership Of Public Opinion PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
