**Weekly Compilation of Presidential Documents**, 1978      **Jimmy Carter and the Restoration of Presidential Dignity** Jason Friedman, 2020-01-17 The office of the President of the United States was plagued by scandals in the early 1970s When Jimmy Carter ran for office in 1976 the nation was still struggling to process the Vietnam War and Watergate Questionable presidential decisions prolonged a quagmire in Asia Richard Nixon's illegal surveillance broke the people's trust and Gerald Ford's subsequent pardon of Nixon irrevocably sullied his relationship with the American people Jimmy Carter sought to be the transparent trustworthy leader that the nation demanded Based on archival research and government documents this book explores the steps Carter took during his presidency and how Congress reacted to them Though Carter was not elected for a second term this detailed history makes the case that his legacy has been misrepresented and that he should not be remembered as a failed president but as a man who restored dignity to an office burdened by controversy

**Original Sin** Jake Tapper, Alex Thompson, 2025-05-20 THE INSTANT 1 NEW YORK TIMES BESTSELLER Superbly reported Reads like a Shakespearean drama on steroids Los Angeles Times Explosive The New York Times The most significant book to date about Biden's cognitive decline The Atlantic Destined to stand alongside classics like Theodore White's The Making of the President 1960 and even Carl Bernstein and Bob Woodward's All the President's Men as one of the great books about American electoral politics Richard Aldous Persuasion From two of America's most respected journalists comes an unflinching and explosive reckoning with one of the most fateful decisions in American political history Joe Biden's run for reelection despite evidence of his serious decline amid desperate efforts to hide the extent of that deterioration In Greek tragedy the protagonist's effort to avoid his fate is what seals his fate In 2024 American politics became a Greek tragedy Joe Biden launched his successful 2020 bid for the White House with the stated goal of saving the nation from a second Trump presidential term He his family and his senior aides were so convinced that only he could beat Trump again they lied to themselves allies and the public about his condition and limitations At his debate with Trump on June 27 2024 the consequences of that deception were exposed to the world It was shocking and upsetting Now the full unsettling truth is being told for the first time Jake Tapper and Alex Thompson take us behind closed doors and into private conversations between the heaviest of hitters revealing how big the problem was and how many people knew about it From White House staffers at the highest to lowest levels to leaders of Congress and the Cabinet from governors to donors and Hollywood players the truth is finally being told What you will learn makes President Biden's decision to run for reelection seem shockingly narcissistic self delusional and reckless a desperate bet that went bust and part of a larger act of extended public deception that has few precedents The story the authors tell raises fundamental issues of accountability and responsibility that will continue for decades The irony is biting In the name of defeating what they called an existential threat to democracy Biden and his inner circle ensured it tossing aside his implicit promise to serve for only one term denying the

existence of health issues the nation had been watching for years dooming the Democrats to defeat The decision to run again the Original Sin of this president led to a campaign of denial and gaslighting leading directly to Donald Trump's return to power and all that has happened as a consequence Rarely does hubris meet nemesis more explosively Wherever you stand on the political spectrum Original Sin is essential reading **The B.S. of A.** Brian Sack, 2011-08-02 WE'RE KNEE DEEP ARE YOU SHOVEL READY Politicians who say anything and do nothing People lamenting Constitutional rights they don't have Protesters equating everyone to Hitler Teeth gritting partisans Tax evading congressmen Fact evading Americans If you're incredibly disenchanted if you feel that this great country of ours is suffering from chronic bullshit at the federal state and local levels good news Not only are you in good company but here's a book to make you feel a little bit better THE B S OF A Whether you voted for hope in 2008 or change in 2010 odds are you're feeling a tad despondent Here at last is a straight talking partisan busting look at politics from humorist Brian Sack who mercilessly pokes fun at The B S of A with a double helping of objectivity and wit pulling no punches and giving partisans politicians and their politics a well deserved shellacking The B S of A takes full advantage of our poorly understood First Amendment to fearlessly cut through the bull on both sides of the aisle and ask serious questions Why does this enormous country have only two real parties How does a bad idea become a terrible law with a misleading name How can you identify the Seven Habits of Highly Partisan People What's the deal with this Constitution thing people keep citing Can we stop comparing people we don't like to Hitler You'll find a handy glossary to thoroughly expand your political vocabulary And perhaps most important you're guaranteed to finish this book with a complete understanding of how to solve America's biggest issues including gun control and abortion The B S of A You're in it so get to know it Actually these issues can't be solved Their complexity was underestimated 572

*Presidential Letters Against Abortion , Pope, Or President?*, 1859 **The Politics of Moral Sin** Merike Blofield, 2013-09-13 This book analyzes the problems that arise when women's rights conflict with the views of conservative organized religion Specifically it addresses the legalization or lack thereof of divorce and abortion in three recently democratized Catholic countries Spain Chile and Argentina Offering a vital and timely contribution to political debates on democratic consolidation social policy gender politics and religion it challenges many of the accepted assumptions and conclusions in these fields arguing that to understand the political dynamics and policy trajectories on these issues we must first analyze the distribution of both economic and political power Merike Blofield moves the debate away from a unitary focus on values and public opinion to an analysis of how economic social and political structures give certain actors more power than others The topics covered should appeal to a broad readership interested in the difficulties of democratic consolidation in Latin America and the obstacles to social policy reform in a region with such high levels of inequality The analysis presented in *The Politics of Moral Sin* also deepens our understanding of why and how European countries have been so successful in limiting the indulgence of organized religion and in promoting women's rights *The Only Sin Is*

*Limitation* James Aguilar, 2009-12 In this book Ralph Waldo Emerson's influence on the United States of America is seen through ten different lenses. The essays are lumped together under four general headings: Emerson and Poetry, Emerson and Social Criticism, Emerson and Intellectualism, and Emerson and Art. Essays link Emerson to Walt Whitman, Allen Ginsberg, John Holt, Randolph Bourne, Frank Lloyd Wright, and John Cassavetes. Emerson is also linked to modern dance, used as a counterargument to political dualism and rampant technological progression, and interrogated for the social deficiencies of his philosophy. All in all, the work is an attempt to revitalize a great American thinker and to show how those who have followed his example and his words continue to make this country great today. Public Papers of the Presidents of the United States, United States, President, 1984

*Sin in the Second City* Karen Abbott, 2008-06-10 Step into the perfumed parlors of the Everleigh Club, the most famous brothel in American history and the catalyst for a culture war that rocked the nation. Operating in Chicago's notorious Levee district at the dawn of the last century, the Club's proprietors, two aristocratic sisters named Minna and Ada Everleigh, welcomed moguls and actors, senators and athletes, foreign dignitaries and literary icons into their stately double mansion where thirty stunning Everleigh butterflies awaited their arrival. Courtesans named Doll, Suzy, Poon, Tang, and Brick Top devoured raw meat to the delight of Prince Henry of Prussia and recited poetry for Theodore Dreiser. Whereas lesser madams pocketed most of a harlot's earnings and kept a whipper on staff to mete out discipline, the Everleighs made sure their girls dined on gourmet food, were examined by an honest physician, and even tutored in the literature of Balzac. Not everyone appreciated the sisters' attempts to elevate the industry. Rival Levee madams hatched numerous schemes to ruin the Everleighs, including an attempt to frame them for the death of department store heir Marshall Field Jr. But the sisters' most daunting foes were the Progressive Era reformers who sent the entire country into a frenzy with lurid tales of white slavery, the allegedly rampant practice of kidnapping young girls and forcing them into brothels. This furor shaped America's sexual culture and had repercussions all the way to the White House, including the formation of the Federal Bureau of Investigation. With a cast of characters that includes Jack Johnson, John Barrymore, John D. Rockefeller Jr., William Howard Taft, Hinky Dink Kenna, and Al Capone, *Sin in the Second City* is Karen Abbott's colorful, nuanced portrait of the iconic Everleigh sisters, their world-famous Club, and the perennial clash between our nation's hedonistic impulses and Puritanical roots. Culminating in a dramatic last stand between brothel keepers and crusading reformers, *Sin in the Second City* offers a vivid snapshot of America's journey from Victorian-era propriety to twentieth-century modernity. Visit [www.sininthesecondcity.com](http://www.sininthesecondcity.com) to learn more. Delicious! Abbott describes the Levee's characters in such detail that it's easy to mistake this meticulously researched history for literary fiction. *New York Times Book Review*. Described with scrupulous concern for historical accuracy, an immensely readable book. *Joseph Epstein, The Wall Street Journal*. Assiduously researched, even this book's minutiae makes for good storytelling. *Janet Maslin, The New York Times*. Karen Abbott has pioneered sizzle history in this satisfyingly lurid tale. Change the hemlines, add 100 years, and the book

**George W. Bush** Gary Scott Smith,2006-10-12 Publisher description **The Case for Trump** Victor Davis Hanson,2019-03-05 This New York Times bestselling Trump biography from a major American intellectual explains how a renegade businessman became one of the most successful and necessary presidents of all time In The Case for Trump award winning historian and political commentator Victor Davis Hanson explains how a celebrity businessman with no political or military experience triumphed over sixteen well qualified Republican rivals a Democrat with a quarter billion dollar war chest and a hostile media and Washington establishment to become president of the United States and an extremely successful president Trump alone saw a political opportunity in defending the working people of America s interior whom the coastal

elite of both parties had come to scorn Hanson argues And Trump alone had the instincts and energy to pursue this opening to victory dismantle a corrupt old order and bring long overdue policy changes at home and abroad We could not survive a series of presidencies as volatile as Trump s But after decades of drift America needs the outsider Trump to do what normal politicians would not and could not do

Teachings of Presidents of the Church: Joseph Fielding Smith The Church of Jesus Christ of Latter-day Saints,2014-01-01 The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you draw closer to your Heavenly Father and deepen your understanding of the restored gospel of Jesus Christ As the Church adds volumes to this series you will build a collection of gospel reference books for your home The volumes in this series are designed to be used for personal study and for Sunday instruction They can also help you prepare other lessons or talks and answer questions about Church doctrine This book features the teachings of President Joseph Fielding Smith who served as President of The Church of Jesus Christ of Latter day Saints from January 23 1970 to July 2 19

Jesus for President Shane Claiborne,Chris Haw,2009-08-30 Jesus for President is a radical manifesto to awaken the Christian political imagination reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world In what can be termed lyrical theology Jesus for President poetically weaves together words and images to sing rather than dictate its message It is a collaboration of Shane Claiborne s writing and stories Chris Haw s reflections and research and Chico Fajardo Heflin s art and design Drawing upon the work of biblical theologians the lessons of church history and the examples of modern day saints and ordinary radicals Jesus for President stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar A fresh look at Christianity and empire Jesus for President transcends questions of Should I vote or not and Which candidate by thinking creatively about the fundamental issues of faith and allegiance It s written for those who seek to follow Jesus rediscover the spirit of the early church and incarnate the kingdom of God

Teachings of Presidents of the Church: Brigham Young The Church of Jesus Christ of Latter-day Saints, The prophet Brigham Young taught the restored gospel of Jesus Christ in a basic practical way that gave inspiration and hope to the Saints struggling to build a home in the wilderness Though more than a century has now passed his words are still fresh and appropriate for us today as we continue the work of building the kingdom of God President Young declared that as

members of The Church of Jesus Christ of Latter day Saints we possess the doctrine of life and salvation for all the honest in heart DBY 7 He promised that those who receive the gospel in their hearts will have awakened within them a desire to know and understand the things of God more than they ever did before in their lives and will begin to inquire read and search and when they go to their Father in the name of Jesus he will not leave them without a witness DBY 450 This book reflects the desire of the First Presidency and the Quorum of the Twelve Apostles to deepen the doctrinal understanding of Church members and to awaken within them a greater desire to know the things of God It will inspire and motivate individuals priesthood quorums and Relief Society classes to inquire read search and then go to their Father in Heaven for a witness of the truth of these teachings Each chapter contains two sections Teachings of Brigham Young and Suggestions for Study The first section consists of extracts from Brigham Young s sermons to the early Saints Each statement has been referenced and the original spelling and punctuation have been preserved however the sources cited will not be readily available to most members These original sources are not necessary to have in order to effectively study or teach from this book Members need not purchase additional references and commentaries to study or teach these chapters The text provided in this book accompanied by the scriptures is sufficient for instruction Members should prayerfully read and study President Young s teachings in order to gain new insights into gospel principles and discover how those principles apply to their everyday lives By faithfully and prayerfully studying these selections Latter day Saints will have a greater understanding of gospel principles and will more fully appreciate the profound and inspired teachings of this great prophet The second section of each chapter offers a series of questions that will encourage thoughtful contemplation personal application and discussion of President Young s teachings Members should refer to and carefully reread his words on the principle being discussed Deep and prayerful study of these teachings will inspire members to greater personal commitment and will help them resolve to follow the teachings of the Savior Jesus Christ If individuals and families prayerfully follow the principles in this book they will be blessed and inspired to greater dedication and spirituality as were the early Saints who heard these words directly from the lips of the Lion of the Lord HC 7 434 the prophet seer and revelator President Brigham Young      *Summary of Jake Tapper & Alex Thompson's Original Sin* Milkyway Media,2025-06-18 Buy now to get the main key ideas from Jake Tapper Alex Thompson s Original Sin In Original Sin 2025 journalists Jake Tapper and Alex Thompson assert that Joe Biden s presidency and 2024 campaign were tragically defined by denial of his declining cognitive abilities They point to early warning signs during the 2020 campaign including memory lapses and difficulty articulating thoughts and reveal how Biden s team dismissed concerns about his age as mere political vulnerabilities Tapper and Thompson criticize Biden s inner circle for accommodating his diminishing capacity ultimately costing Kamala Harris the 2024 election Original Sin details the extent of Biden s decline who knew about it and how it was hidden      *Sin Perd=N* David R. Stevens,2008-11 A look at the overthrow of France on Mexican soil and at the role played by the United States      *Our Presidents' Mothers, Wives and*

*Daughters* Thomas Nelson Haskell, 1901      Teachings of Presidents of the Church: Spencer W. Kimball The Church of Jesus Christ of Latter-day Saints, 2006 The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you deepen your understanding of the restored gospel and draw closer to the Lord through the teachings of latter day prophets As the Church adds volumes to this series you will build a collection of gospel reference books for your home This book features the teachings of President Spencer W Kimball who served as President of The Church of Jesus Christ of Latter day Saints from December 30 1973 to November 5 1985
