
BOOK REVIEWS

Defining Americans: The Presidency and National Identity. By Mary E. Stuckey. Lawrence: University Press of Kansas, 2004. 413 pp.

One week after Hurricane Katrina overwhelmed the coasts of Mississippi and Alabama and led to the evacuation of millions of Americans, Mrs. Barbara Bush—former First Lady and mother of the current president—uttered an observation that departed from the distressing tone of most of the media coverage of this disaster. While touring the makeshift shelter in the Houston Astrodome sports complex, she told one American Public Media radio program interviewer the following:

What I'm hearing, which is sort of scary, is they all want to stay in Texas. Everyone is so overwhelmed by the hospitality. And so many of the people in the arena here, you know, were underprivileged anyway, so this—this is working very well for them.

Her remarks provoked responses from all over the globe. White House Press Secretary Scott McClelland regarded the statement as a "personal observation." Fox News conservative media personality Bill O'Reilly stated, "Madam, with all due respect, you have been wealthy too long." The tabloid *New York Daily News* commented that this statement must have been uttered by "the most chipper visitor to the Astrodome" who thought everything was going "honky-dory" for the evacuees. And foreign newspapers considered her remarks as "elitist," "hurtful," "inaccurate," and "insensitive."

How are Mrs. Bush's comments germane to a review of Mary Stuckey's *Defining Americans*? At first blush, they appear tangential to Stuckey's project. Mrs. Bush is the spouse of a former president, and Stuckey's book focuses on presidential rhetoric (speeches delivered by nine presidents with commentary on the two most recent presidents). Mrs. Bush was specifically discussing a subset of Americans, and Stuckey's book focuses on discussions of "all Americans." Mrs. Bush was "on stage" (talking to a reporter) but she clearly was not prepared for this speaking situation; Stuckey's book, in contrast, addresses carefully crafted public remarks. In these ways, Mrs. Bush's interview is somewhat removed from *Defining Americans: The Presidency and National Identity*.

Upon deeper reflection, however, Mrs. Bush's words call attention to many of the central assumptions about presidential rhetoric undergirding Stuckey's analysis. First, the voice of the White House is visible and commands domestic and international attention. Second, that voice can define power relations, identifying those who are included and excluded through grand statements, subtle pronoun choices, and scripted and offhand comments. Third, this voice is conservative, tied to the forces and institutional arrangements that propelled its electoral coalitions. Fourth, the voice acknowledges and honors static power arrangements; often the simple act of verbalizing that which is taken for granted (particularly with regard to sensitive issues of race, class, and

Presidential Temples How Memorials And Libraries Shape Public Memory

Presidential Temples How Memorials And Libraries Shape Public Memory:

Presidential Temples Benjamin Hufbauer, 2005 This book explores the visual and material cultures of presidential commemoration memorials and monuments libraries and archives and the problematic ways in which presidents themselves have largely taken over their own commemoration The author sees these various commemorative sites as playing a key role in the construction of our collective political and cultural self images and as another sign of our preoccupation with celebrity culture Ultimately he contends these presidential temples reflect not only our civil religion but also the extraordinary expansion of executive authority and presidential self commemoration since FDR *Presidential Libraries and Museums*

Christian A. Nappo, 2018-01-23 Presidential libraries and museums are national monuments dedicated to the memories of men who served as America's commander in chief There are twenty five soon to be twenty six presidential libraries and museums Following an introductory overview of presidential libraries and museums and their history comprehensive entries of each site are arranged from George Washington to George W Bush with information included about the current plans for Barack Obama's library Each entry contains information on Location and history Endowments Opening hours number of visitors and other facts Collections and permanent exhibits This first reference guide to all twenty five libraries and museums is a ready reference providing readers with quick and reliable information Presidential Libraries Act and the

Establishment of Presidential Libraries Wendy R. Ginsberg, **US Public Memory, Rhetoric, and the National Mall**

Roger C. Aden, 2018-04-26 US Public Memory Rhetoric and the National Mall examines the nation's front yard understanding it as both a public face the United States presents to the world and a site where its less apparent moral story is told This book provides a uniquely thorough interdisciplinary and integrated examination of how the National Mall shares a moral story of the United States and in so doing reveals the soul of the nation The contributors explore 11 different memorials monuments and museums found across the Mall considering how each rhetorically remembers a key element of the nation's past what the rhetorical memory tells us about the nation's soul and how each site must thus be understood in relation to the commemorative landscape of the Mall *Processing the Past* Francis X. Blouin Jr., William G. Rosenberg, 2012-12-18

Processing the Past explores the dramatic changes taking place in historical understanding and archival management and hence the relations between historians and archivists Written by an archivist and a historian it shows how these changes have been brought on by new historical thinking new conceptions of archives changing notions of historical authority modifications in archival practices and new information technologies The book takes an archival turn by situating archives as subjects rather than places of study and examining the increasingly problematic relationships between historical and archival work By showing how nineteenth and early twentieth century historians and archivists in Europe and North America came to occupy the same conceptual and methodological space the book sets the background to these changes In the past authoritative history was based on authoritative archives and mutual understandings of scientific research These connections

changed as historians began to ask questions not easily answered by traditional documentation and archivists began to confront an unmanageable increase in the amount of material they processed and the challenges of new electronic technologies The authors contend that historians and archivists have divided into two entirely separate professions with distinct conceptual frameworks training and purposes as well as different understandings of the authorities that govern their work Processing the Past moves toward bridging this divide by speaking in one voice to these very different audiences Blouin and Rosenberg conclude by raising the worrisome question of what future historical archives might be like if historical scholars and archivists no longer understand each other and indeed whether their now different notions of what is archival and historical will ever again be joined

The Palgrave Handbook of State-Sponsored History After 1945 Berber Bevernage, Nico Wouters, 2018-02-03 This handbook provides the first systematic integrated analysis of the role that states or state actors play in the construction of history and public memory after 1945 The book focuses on many different forms of state sponsored history including memory laws monuments and memorials state archives science policies history in schools truth commissions historical expert commissions the use of history in courts and tribunals etc The handbook contributes to the study of history and public memory by combining elements of state focused research in separate fields of study By looking at the state's memorialising capacities the book introduces an analytical perspective that is not often found in classical studies of the state The handbook has a broad geographical focus and analyses cases from different regions around the world The volume mainly tackles democratic contexts although dictatorial regimes are not excluded

A Companion to Warren G. Harding, Calvin Coolidge, and Herbert Hoover Katherine A.S. Sibley, 2014-07-22 With the analysis of the best scholars on this era 29 essays demonstrate how academics then and now have addressed the political economic diplomatic cultural ethnic and social history of the presidents of the Republican Era of 1921 1933 Harding Coolidge and Hoover This is the first historiographical treatment of a long neglected period ranging from early treatments to the most recent scholarship Features review essays on the era including the legacy of progressivism in an age of normalcy the history of American foreign relations after World War I and race relations in the 1920s as well as coverage of the three presidential elections and a thorough treatment of the causes and consequences of the Great Depression An introduction by the editor provides an overview of the issues background and historical problems of the time and the personalities at play

Reagan Iwan Morgan, 2020-06-11 Ronald Reagan is arguably the most successful post war American president A transformational leader he is broadly credited with renewing American prosperity after the stagflation hit 1970s laying the foundations for Cold War victory and bringing about the shift to the right in late twentieth century politics In this new biography Iwan Morgan shrewdly assesses Reagan's considerable achievements whilst also highlighting the shortcomings that were an indisputable part of his record Based on extensive research this book plots a chronological path through Reagan's life covering his upbringing his rise and fall as a Hollywood star his time as California governor and his pursuit of the presidency Morgan

offers a detailed evaluation of the pragmatic conservatism that was the hallmark of Reagan's presidential leadership in domestic affairs. In the international sphere he explains Reagan's metamorphosis from Cold War hawk to negotiator for nuclear arms reduction while also examining his role in the Iran Contra scandal. This book ultimately shows that what made Reagan an American icon above all else was his optimism regarding his country and his ability to articulate its best values even if he himself did not always live up to these. Today as the Republican Party grapples with its new direction and identity understanding the legacy of Ronald Reagan and Reaganism is more relevant than ever. **Profiles in Power** Jelte

Olthof, Maarten Zwiers, 2020-08-31 The turbulent and unpredictable presidency of Donald Trump has intensified public and scholarly attention to the personalities of presidents. *Profiles in Power* approaches the presidency as a personal affair that is shaped in part by the character of the occupants of the Oval Office and their attempts to craft public personas. In ten biographical essays that focus on individual presidents and on one First Lady the authors in this volume build on a renewed interest in presidential studies that emphasizes individual agency. As such the book seeks to bring the personal aspect of the presidency back into U.S. political history. See inside the book. [Grant's Tomb](#) Louis L. Picone, 2021-02-16

The moving story of Ulysses S. Grant's final battle and the definitive account of the national memorial honoring him as one of America's most enduring heroes. The final resting place of Ulysses S. Grant, the victorious general in the Civil War and the eighteenth president of the United States, is a colossal neoclassical tomb located in the most dynamic city in the country. It is larger than the final resting place of any other president or any other person in America. Since its creation the popularity and condition of this monument built to honor the man and what he represented to a grateful nation at the time of his death, a mere twenty years after the end of the Civil War, have reflected not only Grant's legacy in the public mind but also the state of New York City and of the Union. In this fascinating, deeply researched book, presidential historian Louis L. Picone recounts the full story. He begins with Grant's heroic final battle during the last year of his life to complete his memoirs in order to secure his family's financial future while contending with painful, incurable cancer. Grant accomplished this just days before his death, and his memoirs, published by Mark Twain, became a bestseller. Accompanying his account with numerous period photographs, Picone narrates the national response to Grant's passing and how his tomb came to be the intense competition to be the resting place for Grant's remains, the origins of the memorial and its design, the struggle to finance and build it over the course of twelve years, and the vicissitudes of its afterlife in the history of the nation up to recent times. **Presidential Libraries as**

Performance Jodi Kanter, 2016-08-11 Analyzes presidential libraries as performances that encourage visitors to think in particular ways about executive leadership and about their own roles in public life. Kanter demonstrates how the presidential libraries generate normative narratives about individual presidents, historical events, and what it means to be an American. From publisher description. **The Rhetoric of American Civil Religion** Jason A. Edwards, Joseph M. Valenzano

III, 2016-09-30 The tie that binds all Americans regardless of their demographic background is faith in the American system.

of government This faith manifests as a form of civil or secular religion with its own core documents creeds oaths ceremonies and even individuals In The Rhetoric of American Civil Religion Symbols Sinners and Saints contributors seek to examine some of those core elements of American faith by exploring the proverbial saints sinners and dominant symbols of the American system A President, a Church, and Trails West Jon E. Taylor, 2008 Examines the efforts of Independence Missouri to preserve and balance competing elements of the city's history as the hometown of President Harry S Truman as the site where Joseph Smith established the Reorganized Church of Jesus Christ of Latter Day Saints and as the historic gathering place for western emigration Provided by publisher **The Afterlife of John Fitzgerald Kennedy** Michael J. Hogan, 2017-03-03 This book analyzes the social construction of John Fitzgerald Kennedy's memory in the arts literature and in the many monuments erected in his honor Former Leaders in Modern Democracies K. Theakston, J. de Vries, Jouke de Vries, 2012-04-05 What comes next for a former leader in a democracy a Prime Minister or President obliged to leave office because they have lost an election come to the end of their constitutionally fixed term lost the backing of their party or chosen to leave This book analyses the role and political influence of former leaders in Western democratic states *Making JFK Matter* Paul H. Santa Cruz, 2015-05-15 In *Making JFK Matter* Paul Santa Cruz examines how popular memory of John F Kennedy has been used politically by various interest groups primarily the city of Dallas Lyndon Johnson and Robert Kennedy as well as how the memory of Kennedy has been portrayed in various museums Santa Cruz argues that we have memorialized JFK not simply out of love for him or admiration for the ideals he embodied but because invoking his name carries legitimacy and power Memory can be employed to accomplish particular ends for example the passage of long overdue civil rights legislation or even successfully running for political office Santa Cruz demonstrates the presence and use of popular memory in an extensive analysis of what was being said and by whom about the late president through White House memoranda and speech material museum exhibits such as the Sixth Floor Museum in Dallas and the JFK Presidential Library and Museum in Boston public correspondence newspapers and periodicals of the time memoirs and archival research He also explores how JFK has been memorialized in films such as *Bobby* *JFK* and *Thirteen Days* Written in an accessible manner to appeal to both historians and the general public *Making JFK Matter* tells us much of how we have memorialized Kennedy over the years **Museums in Arabia** Karen Exell, Sarina Wakefield, 2016-05-12 Museum activity has in recent years undergone major and rapid development in the Arabian Peninsula with the regeneration of existing museums as well as the establishment of new ones Alongside such rapid expansion questions are inevitably raised as to the new challenges museums face in this region and whether the museum as a central focus of heritage preservation also runs the risk of overshadowing local forms of heritage performance and preservation With contributions from leading academics from a range of disciplines and heritage practitioners with first hand experience of working in the region this volume addresses the issues and challenges facing museums in Kuwait Saudi Arabia Qatar Yemen and the UAE It focuses on the themes of politics

public engagement and the possibility of a new museum paradigm which might appropriately reflect the interests and culture of the region. The interdisciplinary approaches analyse museum development from both an inside and outside perspective suggesting that museums do not follow a uniform trajectory across the region but are embedded within each state's socio-cultural context, individual government agendas and political realities. Including case study analysis which brings the more marginal nations into the debates as well as new empirical data and critical evaluation of the role of the museum in the Arabian Peninsula societies, this book adds fresh perspectives to the study of Gulf heritage and museology. It will appeal to regional and international practitioners and academics across the disciplines of museum studies, cultural studies and anthropology as well as to anyone with an interest in the Gulf and Middle East. **Ronald Reagan and the 1980s** C. Hudson, G. Davies, 2008-10-27 By the end of the 1980s many Americans looked at the state of the nation with a renewed optimism which was personified by an enduring American president Ronald Wilson Reagan. The essays in this volume revisit the 1980s in order to examine the factors that contributed to his political and cultural triumphs and assess his legacy. *The Museum as a Political Instrument* Maria Mikaelian, 2022-02-28 Remembrance and commemoration of traumatic histories are among the major issues of today's international museological practice. By means of architectural and exhibition design, contemporary museums pose questions concerning history, memory, national identity, alternative perceptions of the past. The present essay poses theoretical questions concerning the impact of a national political discourse on the commemoration of difficult and contentious pasts as well as the top-down instrumentalization of architectural and exhibition design in the realm of contemporary Russian museological practice. **Call Me Tom** James N. Giglio, 2011-09-16 Detailed biography of the St. Louis senator as a moderate liberal in a conservative state, from a promising attorney to contributions in environmental and social legislation. Known for his successful bipartisanship, he was the Democratic nominee for Vice President in 1972 until personal problems were revealed.

Presidential Temples How Memorials And Libraries Shape Public Memory Introduction

In the digital age, access to information has become easier than ever before. The ability to download Presidential Temples How Memorials And Libraries Shape Public Memory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Presidential Temples How Memorials And Libraries Shape Public Memory has opened up a world of possibilities. Downloading Presidential Temples How Memorials And Libraries Shape Public Memory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Presidential Temples How Memorials And Libraries Shape Public Memory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Presidential Temples How Memorials And Libraries Shape Public Memory. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Presidential Temples How Memorials And Libraries Shape Public Memory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Presidential Temples How Memorials And Libraries Shape Public Memory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Presidential Temples How Memorials And Libraries Shape Public Memory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Presidential Temples How Memorials And Libraries Shape Public Memory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidential Temples How Memorials And Libraries Shape Public Memory is one of the best book in our library for free trial. We provide copy of Presidential Temples How Memorials And Libraries Shape Public Memory in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidential Temples How Memorials And Libraries Shape Public Memory. Where to download Presidential Temples How Memorials And Libraries Shape Public Memory online for free? Are you looking for Presidential Temples How Memorials And Libraries Shape Public Memory PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Presidential Temples How Memorials And Libraries Shape Public Memory. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Presidential Temples How Memorials And Libraries Shape Public Memory are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Presidential Temples How Memorials And Libraries Shape Public Memory. So depending on what exactly you are searching,

you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Presidential Temples How Memorials And Libraries Shape Public Memory To get started finding Presidential Temples How Memorials And Libraries Shape Public Memory, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Presidential Temples How Memorials And Libraries Shape Public Memory So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Presidential Temples How Memorials And Libraries Shape Public Memory. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Presidential Temples How Memorials And Libraries Shape Public Memory, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Presidential Temples How Memorials And Libraries Shape Public Memory is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Presidential Temples How Memorials And Libraries Shape Public Memory is universally compatible with any devices to read.
