Presidents At Play:

The Games Presidents Play John Sayle Watterson, 2021-04-27 This look at the connections between sportsmanship and statesmanship introduces an intriguing way of evaluating presidential fitness for office Richmond Times Dispatch Whether throwing out the first pitch of the baseball season fishing for trout or cheating at golf American presidents through history have had connections to the world of sports in many ways This book explores how various commanders in chief worked and played and how their athletic activities reflected their political identities The author considers George Washington whose athleticism contributed to his success on the battlefield and perhaps to the birth of the republic He moves into the nineteenth century when frontier sports were part of the formative years of Jackson Lincoln and Cleveland With twentieth century presidents most notably the hyperactive headline grabbing Teddy Roosevelt he shows how the growth of mass media and transportation transformed presidential sports into both a form of recreation and a means of establishing a positive image Exploring everything from FDR s fight to restore his polio ravaged body to Eisenhower s obsessive love affair with golf to Nixon s enthusiasm for football this book uses sports to open a window onto the presidency and the nation s culture as well as the strengths weaknesses and personalities of America s leaders Watterson s history rises above trivia in its attention to the political ramifications of presidents sports while also being a consistently entertaining trove of lore and as the author puts it just weird stuff such as John Q Adams granting an interview while skinny dipping A wry and perceptive work Booklist An enjoyable study of politics and culture Publishers Weekly Will appeal to history buffs and sports fans alike Library Journal

The Faiths of the Postwar Presidents David L. Holmes, 2012-04-25 Impressively balanced accounts of such matters as Nixon s betrayal of Billy Graham s trust and Obama s connection to Jeremiah Wright An interesting take Booklist From the author of *The Faiths of the Founding Fathers* an acclaimed account of the spiritual beliefs of such iconic Americans as Franklin Washington and Jefferson this is a measured look at the role of faith in the lives of twelve presidents who have served since the end of World War II David Holmes examines not only the beliefs professed by each president but also the variety of possible influences on their religious faith such as their upbringing their education and the faith of their spouse In each profile close observers such as clergy family members friends and advisors recall churchgoing habits notable displays of faith or lack of it and the influence of their faiths on policies concerning abortion the death penalty Israel and other controversial issues Whether discussing John F Kennedy s philandering and secularity or Richard Nixon s betrayal of Billy Graham s na ve trust during Watergate Holmes includes telling and often colorful details not widely known or long forgotten We are reminded for instance how Dwight Eisenhower tried to conceal the background of his parents in the Jehovah s Witnesses and how the Reverend Cotesworth Lewis s sermonizing to Lyndon Johnson on the Vietnam War was actually not a left but a right wing critique An admirable and colorful yet balanced look at our recent Presidents and their religious beliefs It will have wide appeal for all readers and particularly for those interested in presidential history Library Journal *Sports*

and Identity Barry Brummett, Andrew Ishak, 2013-12-13 This volume of essays examines the ways in which sports have become a means for the communication of social identity in the United States The essays included here explore the question How is identity engaged in the performance and spectatorship of sports Defining sports as the whole range of mediated professional sports and considering actual participation in sports the chapters herein address a varied range of ways in which sports as a cultural entity becomes a site for the creation and management of symbolic components of identity Originating in the New Agendas in Communication symposium sponsored by the University of Texas College of Communication this volume provides contemporary explorations of sports and identity highlighting the perspectives of up and coming scholars and researchers It has much to offer readers in communication sociology of sport human kinetics and related areas

The Provisional Pulpit Brandon Rottinghaus, 2010-04-07 The cornerstone of the public presidency is the ability of the White House to influence shape and even manipulate public opinion Ultimately although much has been written about presidential leadership of opinion we are still left with many questions pertaining to the success of presidential opinion leadership efforts throughout the modern presidency What is still missing is a systematic sequential approach to describe empirical trends in presidential leadership of public opinion in order to expand on important scholarly queries to resolve empirical disputes in the literature and to check the accuracy of conventional political wisdom on how when and under what conditions presidents lead public opinion In *The Provisional Pulpit* Brandon Rottinghaus develops a simple theory of presidential leadership arguing that presidential messages are more likely to be received if there are fewer countervailing agents or messages to contradict the president's message He concludes based upon the findings presented in this book that the bully pulpit is largely provisional for modern presidents The more the president can avoid the political echo chamber associated with partisan battles or communications the better the chance the president has to lead public opinion The *Provisional Pulpit* adds an important layer of understanding to the issue of how and under what conditions presidents lead public opinion All modern presidents clearly attempt to lead public opinion often due to factors outside their control they fail This book is an exploration into how and when they succeed

The Politics of Policies Ernesto Stein, 2005 This study analyzes how the workings of the policymaking process affect the quality of policy outcomes It looks beyond a purely technocratic approach arguing that the political and policymaking processes are inseparable It offers a wide variety of examples and case studies and yields useful insights for the design of effective policy reform

An Integrated Approach to Environmental Management Dibyendu Sarkar, Rupali Datta, Avinandan Mukherjee, Robyn Hannigan, 2015-11-02 Covers the most recent topics in the field of environmental management and provides a broad focus on the theoretical and methodological underpinnings of environmental management Provides an up to date survey of the field from the perspective of different disciplines Covers the topic of environmental management from multiple perspectives namely natural sciences engineering business social sciences and methods and tools perspectives Combines both academic rigor and practical

approach through literature reviews and theories and examples and case studies from diverse geographic areas and policy domains Explores local and global issues of environmental management and analyzes the role of various contributors in the environmental management process Chapter contents are appropriately demonstrated with numerous pictures charts graphs and tables and accompanied by a detailed reference list for further readings *Perils of Judicial Self-Government in Transitional Societies* David Kosař,2016-04 This book investigates the mechanisms of judicial control to determine an efficient methodology for independence and accountability Using over 800 case studies from the Czech and Slovak disciplinary courts the author creates a theoretical framework that can be applied to future case studies and decrease the frequency of accountability perversions Latinos and the U.S. Political System Rodney E. Hero,Rodney Hero,2010-06-18 An analysis of American politics from the vantage point of the Latino political condition **A Compilation of the Messages and Papers of the Presidents** United States. President,1916 *Theatre Magazine* ,1917 *Presidents at Play* George Sullivan,1995 Offering young readers the lighter side of our nation s leaders a visit behind the scenes of the White House reveals presidential fun and folly including Teddy Roosevelt s obstacle walks George Bush s speed golf and John Adams s nude swims *Report of Robert T. Devlin, President of the State Board of Prison Directors of California, on Various Reformatory and Penal Institutions of the United States* California. State Board of Prison Directors,1890 **The President's Report** University of North Carolina (System),1923 Annual Report of the President of the University on Behalf of the Regents to His Excellency the Governor of the State of California University of California (1868-1952). President,1922 **Religious Remembrancer** ,1918 **Investigation of the Assassination of President John F. Kennedy** ,1964 *Report of the President of Harvard College and Reports of Departments* Harvard University,1928 *Biennial Report of the President* ,1922 *McClure's Magazine* ,1906 *The Report of the President* University of Chicago,1903
