economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

Roosevelt Sean J. Savage, 2014-10-17 FDR the wily political opportunist glowing with charismatic charm a leader venerated and hated with equal vigor such is one common notion of a president elected to an unprecedented four terms But in this first comprehensive study of Roosevelt's leadership of the Democratic party Sean Savage reveals a different man He contends that far from being a mere opportunist Roosevelt brought to the party a conscious agenda a longterm strategy of creating a liberal Democracy that would be an enduring majority force in American politics The roots of Roosevelt's plan for the party ran back to his experiences with New York politics in the 1920s It was here Savage argues that Roosevelt first began to perceive that a pluralistic voting base and a liberal philosophy offered the best way for Democrats to contend with the established Republican organization With the collapse of the economy in 1929 and the discrediting of Republican fiscal policy Roosevelt was ready to carry his views to the national scene when elected president in 1932 Through his analysis of the New Deal Savage shows how Roosevelt made use of these programs to develop a policy agenda for the Democratic party to establish a liberal ideology and most important to create a coalition of interest groups and voting blocs that would continue to sustain the party long after his death A significant aspect of Roosevelt's leadership was his reform of the Democratic National Committee which was designed to make the party's organization more open and participatory in setting electoral platforms and in raising financial support Savage's exploration of Roosevelt's party leadership offers a new perspective on the New Deal era and on one of America's great presidents that will be valuable for historians and political scientists alike

Presidential Party Building Daniel J. Galvin, 2009-09-21 Modern presidents are usually depicted as party predators who neglect their parties exploit them for personal advantage or undercut their organizational capacities Challenging this view *Presidential Party Building* demonstrates that every Republican president since Dwight D Eisenhower worked to build his party into a more durable political organization while every Democratic president refused to do the same Yet whether they supported their party or stood in its way each president contributed to the distinctive organizational

trajectories taken by the two parties in the modern era Unearthing new archival evidence Daniel Galvin reveals that Republican presidents responded to their party's minority status by building its capacities to mobilize voters recruit candidates train activists provide campaign services and raise funds From Eisenhower's Modern Republicanism to Richard Nixon's New Majority to George W Bush's hopes for a partisan realignment Republican presidents saw party building as a means of forging a new political majority in their image Though they usually met with little success their efforts made important contributions to the GOP's cumulative organizational development Democratic presidents in contrast were primarily interested in exploiting the majority they inherited not in building a new one Until their majority disappeared during Bill Clinton's presidency Democratic presidents eschewed party building and expressed indifference to the long term effects of their actions Bringing these dynamics into sharp relief *Presidential Party Building* offers profound new insights into presidential behavior party organizational change and modern American political development [Historical Dictionary of United States Political Parties](#) Harold Bass,2000-06-14 This book consists of concise entries on the parties major and minor past and present and their leaders including all presidents and vice presidents *The American Presidency* Sidney M. Milkis,Michael Nelson,2019-02-12 The American Presidency examines the constitutional foundation of the executive office and the social economic political and international forces that have reshaped it Authors Sidney M Milkis and Michael Nelson broadly examine the influence of each president focusing on how these leaders have sought to navigate the complex and ever changing terrain of the executive office and revealing the major developments that launched the modern presidency at the dawn of the twentieth century By connecting presidential conduct to the defining eras of American history and the larger context of politics and government in the United States this award winning book offers vital perspective and insight on the limitations and possibilities of presidential power The Eighth Edition examines recent events and developments including the latter part of the Obama presidency the 2016 election the first twenty months of the Trump presidency and updated coverage of issues involving race and the presidency **The Party Politics of Presidential Rhetoric** Amnon Cavari,2017-03-10 This book develops a theory of presidential public leadership taking into account the partisan nature of the political debate and the role of presidents **The Executive Branch** Joel D. Aberbach,2005 Presents a collection of essays that provide an examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level [Guide to the Presidency](#) Michael Nelson,2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the

presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

The President as Party Leader James W. Davis, 1992-03-30 Analysis of relationship between presidents political parties plus potential effect of reforms *American Political Parties and Constitutional Politics* Peter W. Schramm, Bradford P. Wilson, 1993 Examines the purposes of political parties in America's constitutional order each major party's strongest recent manifestation and the future of the American party system *Remaking the Democratic Party* Hanes Walton, Pearl K. Ford, Josephine Allen, 2016-08-09 Examining Southern support for Johnson throughout his political career and his transformative leadership of the Democratic Party *New Books* National Defense University. Library, 1984

The Losing Parties Philip A. Klinkner, 1994-01-01 This text examines how the American Democratic and Republican parties have responded to presidential election defeats between 1956 to 1993 Drawing on party documents interviews with party officials and contemporary accounts it provides case studies of opposition party politics

Explaining American Politics Robert Williams, 2024-02-29 First published in 1990 Explaining American Politics looks at substantial and specific problems in American politics Focusing on the key issues in contemporary American government the contributors give lively and provocative interpretations of controversial topics such as the New Right perceptions of the Presidency the alleged irresponsibility of Congress the workings of bureaucracy Supreme Court activism and the decline of political parties This book will be indispensable to all students of American politics as well as to the reader who wants to understand what is really happening in the world's most complex and fascinating political system

The President in the Legislative Arena Jon R. Bond, Richard Fleisher, 1990 In recent years the executive branch's ability to maneuver legislation through Congress has become the measure of presidential success or failure Although the victor of legislative battles is often readily discernible debate is growing over how such victories are achieved In *The President in the Legislative Arena* Jon R Bond and Richard Fleisher depart dramatically from the concern with presidential influence that has dominated research on presidential congressional relations for the past thirty years Of the many possible factors involved in presidential success those beyond presidential control have long been deemed unworthy of study Bond and Fleisher disagree Turning to democratic theory they insist that it is vitally important to understand the conditions under which the executive branch prevails regardless of the source of that success Accordingly they provide a thorough and unprecedented analysis of presidential success on congressional roll call votes from 1953 through 1984 Their research demonstrates that the degree of cooperation between the two branches is much more systematically linked to the partisan and ideological makeup of Congress than to the

president's bargaining ability and popularity. Thus the composition of Congress inherited by the president is the single most significant determinant of the success or failure of the executive branch. *The Eisenhower Presidency* Andrew J.

Polsky, 2015-11-30 We are in the midst of a Dwight Eisenhower revival. Today pundits often look to Eisenhower as a model of how a president can govern across party lines and protect American interests globally without resorting too quickly to the use of force. Yet this mix of nostalgia and frustration with the current polarized state of American politics may mislead us. Eisenhower's presidency has much to teach us today about how a president might avert crises and showdowns at home or abroad. But he governed under conditions so strikingly different from those a chief executive faces in the early 21st century that we need to question how much of his style could work in our own era. The chapters in this volume address the lessons we can draw from the Eisenhower experience for presidential leadership today. Although most of the authors find much to admire in the Eisenhower record, they express varying opinions on how applicable his approach would be for our own time. On one side, they appreciate his limited faith in the power of his words to move public opinion and his reluctance to turn to the use of force to solve international problems. On the other side, it was plain that Ike's exercise of hidden hand leadership in Fred Greenstein's evocative term would not be possible in the modern media environment that makes Washington a giant fishbowl and instant revelation an acceptable norm. Both Eisenhower admirers and skeptics, and many of the authors are both, will find much in these essays to reinforce their preconceptions and much that is unsettling. Eisenhower emerges as an effective but flawed leader. He was in many ways the right man for his time but limited because he was also a man of his time.

The Presidency A-Z Michael Nelson, 2013-11-26 An illustrated reference guide that offers quick answers to readers' questions about the American presidency and the individuals who have served it. All American presidents are included. Abundant charts, tables, illustrations, and a detailed index enhance more than 300 alphabetical entries that bring to life the history, processes, and personalities connected to America's highest office. This Second Edition includes information up through the 1996 election and President Clinton's second term. *Congress and the Presidency* Roger H. Davidson, 1988

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidents And Their Parties Leadership Or Neglect eBooks, including some popular titles.

FAQs About Presidents And Their Parties Leadership Or Neglect Books

What is a Presidents And Their Parties Leadership Or Neglect PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidents And Their Parties Leadership Or Neglect PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidents And Their Parties Leadership Or Neglect PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidents And Their Parties Leadership Or Neglect PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidents And Their Parties Leadership Or Neglect PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
