SUBLIMATION HEAT PRESS GUIDE

The following chart should serve only as a starting place. Producing quality end products is a matter of suitable substrates, a calibrated heat press, smart color management, following manufacturer guidelines, testing and practice! If you are having difficulty or the substrate is not listed below, contact your reseller or the substrate manufacturer for their specific recommendations.

Surface	Time	Temp	Pressure	Tips
Ceramic Mugs	150-200 sec	350-400 F 177-204 C	40 psi Medium	Time varies with press. Press into silicon pad. Mugs should be cooled down after transfer paper is removed either in a bucket of warm water or using a cooling plate.
Stainless Steel Tumblers	60-90 sec	365 F 185 C	40 psi Medium	Time varies with press. If you are doing a full wrap, press for 60-90 sec, then rotate your tumbler 180-degrees and press a second time for 60-90 sec.
Polyester Fabric	35-45 sec	400-410 F 204-210 C	40 psi Medium	Pre-press shirt for 3-5 seconds to eliminate moisture. Tack spray transfer and use blow-out sheet to avoid ghosting.
Vapor Apparel	45-55 sec	380-390 F 193-199 C	40 psi Medium	See vaporapparel.com for tips on reducing press lines.
Polyester with neoprene back	45 sec	400 F 204 C	40 psi Medium	Look for a tight knit and high white point for more brilliant color.
Metal/Chromalux (Unisub brand)	60 sec	400 F 204 C	40 psi Medium	Use blow-out paper. Remove plastic coating before pressing.
Metal (Other brands)	45 sec	375-400 F 190-204 C	40 psi Medium	Time varies with metal manufacturer (always consult manufacturer for correct time and temp). Place absorbent sheet on bottom of heat press. Then, place product transfer side DOWN on top of the absorbent sheet.
Unisub Products	60 sec	400 F 204 C	40 psi Medium	Remove plastic coating. Tear transfer paper away immediately after pressing.
Glass or Ceramic Tiles	300-720 sec	400 F 204 C	40 psi Medium	Time varies depending on tile type and size. Always consult manufacturer. Press tiles from back (transfer side down). Press into silicon pad.
Fire Retardant Plastic	40-75 sec	350-400 F 177-204C	40 psi Medium	Remove plastic coating. Tear transfer paper away immediately after pressing.
Hardboard	60 sec	400 F 204 C	40 psi Medium	Remove plastic coating and press with the transfer paper on top. Remove immediately after pressing unless the surface is textured. Then wait for substrate to cool and then remove the transfer paper.

Press Time Practice

Gruber**

Press Time Practice:

Textual Practice Terence Hawkes, 2005-08-10 Since its launch in 1987 Textual Practice has established itself as Britain's leading journal of radical literary theory This Special Issue of Textual Practice examines the theme of Desire

Photographs and the Practice of History Elizabeth Edwards, 2021-12-16 What is it to practice history in an age in which photographs exist What is the impact of photographs on the core historiographical practices which define the discipline and shape its enquiry and methods In Photographs and the Practice of History Elizabeth Edwards proposes a new approach to historical thinking which explores these questions and redefines the practices at the heart of this discipline Structured around key concepts in historical methodology which are recognisable to all undergraduates the book shows that from the mid 19th century onward photographs have influenced historical enquiry Exposure to these mass distributed cultural artefacts is enough to change our historical frameworks even when research is textually based Conceptualised as a series of sensibilities rather than a methodology as such it is intended as a companion to how to approaches to visual research and visual sources Photographs and the Practice of History not only builds on existing literature by leading scholars it also offers a highly original approach to historiographical thinking that gives readers a foundation on which to build their own historical practices

An Architect's Guide to Running a Practice David Littlefield, 2005 Gives you an insight into the problems and challenges faced when setting up a design business This handbook helps you consider whether or not you should set up on your own examining issues such as financing office space IT and working out a business plan It illustrates how different kinds of practice develop into successful businesses

The Selfie, Temporality, and Contemporary Photography Claire Raymond, 2021-05-09 This book is a theoretical examination of the relationship between the face identity photography and temporality focusing on the temporal episteme of selfie practice Claire Raymond investigates how the selfie's involvement with time and self emerges from capitalist ideologies of identity and time The book leverages theories from Katharina Pistor Jacques Lacan Ragnvaldur Ingthorsson and Hans Belting to explore the ways in which the selfie imposes a dominant ideology on subjectivity by manipulating the affect of time The selfie is understood in contrast to the self portrait Artists discussed include James Tylor Shelley Niro Ellen Carey Graham MacIndoe and LaToya Ruby Frazier The book will be of interest to scholars working in visual culture history of photography and critical theory It will also appeal to scholars of philosophy and in particular of the intersection of aesthetic theory and theories of ontology epistemology and temporality

Forging Equipment, Materials, and Practices Taylan Altan, 1973 The handbook provides design engineers with up to date information about the many aspects of forging including descriptions of important developments made more recently by industry and or government The handbook describes suitable measures for in process quality control and quality assurance summarizes relationships between forging practices and important mechanical properties and compares various forging devices to aid in equipment selection Attention is also given to describing practices for relatively new materials and

emerging forging practices Modified author abstract *Country Reports on Human Rights Practices* ,1980 *Country Reports on Human Rights Practices for 1995* United States. Department of State,1996 International Handbook of Research in Professional and Practice-based Learning Stephen Billett,Christian Harteis,Hans Gruber,2014-07-15 The International Handbook of Research in Professional and Practice based Learning discusses what constitutes professionalism examines the concepts and practices of professional and practice based learning including associated research traditions and educational provisions It also explores professional learning in institutions of higher and vocational education as well the practice settings where professionals work and learn focusing on both initial and ongoing development and how that learning is assessed The Handbook features research from expert contributors in education studies of the professions and accounts of research methodologies from a range of informing disciplines It is organized in two parts The first part sets out conceptions of professionalism at work how professions work and learning can be understood and examines the kinds of institutional practices organized for developing occupational capacities The second part focuses on procedural issues associated with learning for and through professional practice and how assessment of professional capacities might progress The key premise of this Handbook is that during both initial and ongoing professional development individual learning processes are influenced and shaped through their professional environment and practices Moreover in turn the practice and processes of learning through practice are shaped by their development all of which are required to be understood through a range of research orientations methods and findings This Handbook will appeal to academics working in fields of professional practice including those who are concerned about developing these capacities in their students In addition students and research students will also find this Handbook a key reference resource to the field **The Mediated City** Stephen Coleman,Nancy Thumim,Chris Birchall,Julie Firmstone,Giles Moss,Katy Parry,Judith Stamper,Jay G. Blumler,2016-08-15 How does news circulate in a major post industrial city And how in turn are identities and differences formed and mediated through this circulation This seminal work is the first to offer an empirical examination and trace a city s pattern of news circulation Encompassing a comprehensive range of practices involved in producing circulating and consuming news and recognizing the various ways in which individuals and groups may find out follow and discuss local issues and events The Mediated City critiques thinking that takes the centrality of certain news media as an unquestioned starting point By doing so it opens up a discussion do we know what news is What types of media constitute it And why does it matter **Reader's Guide to the History of Science** Arne Hessenbruch,2013-12-16 The Reader s Guide to the History of Science looks at the literature of science in some 550 entries on individuals Einstein institutions and disciplines Mathematics general themes Romantic Science and central concepts Paradigm and Fact The history of science is construed widely to include the history of medicine and technology as is reflected in the range of disciplines from which the international team of 200 contributors are drawn Handbook of Anthropology in Business Rita M Denny,Patricia L Sunderland,2016-06-16 In recent years announcements

of the birth of business anthropology have ricocheted around the globe The first major reference work on this field the Handbook of Anthropology in Business is a creative production of more than 60 international scholar practitioners working in universities and corporate settings from high tech to health care Offering broad coverage of theory and practice around the world chapters demonstrate the vibrant tensions and innovation that emerge in intersections between anthropology and business and between corporate worlds and the lives of individual scholar practitioners Breaking from standard attempts to define scholarly fields as products of fixed consensus the authors reveal an evolving mosaic of engagement and innovation offering a paradigm for understanding anthropology in business for years to come The Constitution of Social Practices Kevin McMillan, 2017-10-02 Practices specific recurrent types of human action and activity are perhaps the most fundamental building blocks of social reality This book argues that the detailed empirical study of practices is essential to effective social scientific inquiry It develops a philosophical infrastructure for understanding human practices and argues that practice theory should be the analytical centrepiece of social theory and the philosophy of the social sciences What would social scientists research look like if they took these insights seriously To answer this question the book offers an analytical framework to guide empirical research on practices in different times and places The author explores how practices can be identified characterised and explained how they function in concrete contexts and how they might change over time and space The Constitution of Social Practices lies at the intersection of philosophy social theory cultural theory and the social sciences It is essential reading for scholars in social theory and the philosophy of social science as well as the broad range of researchers and students across the social sciences and humanities whose work stands to benefit from serious consideration of practices **Oversight of Civil Aeronautics Board Practices and Procedures** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Administrative Practice and Procedure, 1975 *Federal Communications Commission Reports* United States. Federal Communications Commission, 1972 Global Japanization? Tony Elger, Chris Smith, 2010-11 Global Japanization Brings together research from North America Japan Europe and Latin America to analyse the influence of Japanese manufacturing investment and Japanese working practices across the global economy The editors present original case studies of work reorganization and workers experiences within both Japanese companies and those of their competitors in diverse sectors and national settings These studies provide a wide ranging critique of conventional accounts of Japanese models of management and production and their implications for employees They offer new evidence and fresh perspectives on the role of transplants in disseminating manufacturing innovations and on the responses of non Japanese firm in reorganizing production operations and industrial relations **Blackwell's Five-Minute Veterinary Practice Management Consult** Lowell Ackerman, 2013-08-13 Blackwell s Five Minute Veterinary Practice Management Consult Second Edition has been extensively updated and expanded with 55 new topics covering subjects such as online technologies hospice care mobile practices compassion fatigue practice profitability and more Carefully formatted using the

popular Five Minute Veterinary Consult style the book offers fast access to authoritative information on all aspects of practice management This Second Edition is an essential tool for running a practice increasing revenue and managing staff in today s veterinary practice Addressing topics ranging from client communication and management to legal issues financial management and human resources the book is an invaluable resource for business management advice applicable to veterinary practice Sample forms and further resources are now available on a companion website Veterinarians and practice managers alike will find this book a comprehensive yet user friendly guide for success in today s challenging business environment *Country Reports on Human Rights Practices for 2005* United States. Department of State,2006
