Pressure Politics The Story Of The Anti Saloon League

David E. Kyvig

Pressure Politics The Story Of The Anti Saloon League:

Pressure Politics Peter H. Odegard,1928 Pressure Politics, the Story of the Anti-Saloon League Peter H. Odegard,1956 *Pressure Politics, the Story of the Anti-Saloon League, by Peter H. Odegard* Peter H. Odegard,1928
Pressure Politics. The Story of the Anti-Saloon League, Etc. [A Thesis.]. Peter H. ODEGARD,1928 *Unintended Consequences of Constitutional Amendment* David E. Kyvig,2000 Constitutional amendments like all laws may lead to unanticipated and even undesired outcomes In this collection of original essays a team of distinguished historians political scientists and legal scholars led by award winning constitutional historian David E Kyvig examines significant instances in which reform produced something other than the foreseen result An opening essay examines the intentions of the Constitution s framers in creating an amending mechanism and then explores unexpected uses of that instrument Thereafter authors focus on the Bill of Rights and subsequent amendments addressing such subjects as criminal justice procedures the presidential election system the Civil War s impact on race and gender relations the experiment in national prohibition women s suffrage and finally limits on the presidency Together these contributions illuminate aspects of constitutional stability and evolution challenging current thinking about reform within the formal system of change provided by Article V of the Constitution Forcefully demonstrating that constitutional law is not immune to unanticipated consequences the eight scholars underscore the need for care responsibility and historical awareness in altering the nation s fundamental law

The Anti-saloon League Year Book Ernest Hurst Cherrington,1929 The Progressive Era's Health Reform Movement Ruth Clifford Engs,2003-02-28 Religious political social and health reform earmarked the Progressive Era The era s health reform movement like today s clean living movement saw campaigns against alcohol tobacco drugs and sexuality It included crusades for exercise vegetarian diets and alternative health care and concerns about eugenics and new diseases Covering the years leading up to the Progressive Era through the 1920s this book provides entries on the central figures events crusades legislation publications and terms of the health reform movements while a detailed timeline ties health reform to political social and religious movements A valuable resource for scholars students and laymen interested in earlier health reform movements **The Publishers Weekly** ,1928 *The Gilded Age & Progressive Era* Elisabeth Israels Perry,Karen Manners Smith,2006-10-30 This Companion is an alphabetical encyclopedia of the Gilded Age asking new questions about the role of economic change and social movements using literary and critical race theories to read traditional evidence such as court records and military and diplomatic reports in new ways understanding the growing connections in this period of the United States with other parts of the world globalism and emphasizing the connection between labor and economic trends and social and political movements The Gilded Age and Progressive Era A Student Companion includes articles on overall trends immigration education music sports social movements anarchism child labor movement consumer movement conservation movement terms armistice chain store chautauqua organizations American Expeditionary Force

Knights of Labor Republican party issues gender relations race relations events Haymarket Square massacre Palmer raids Pullman strike legal cases Lochner v New York laws Chinese Exclusion Act Meat Inspection Act Selective Service Act ethnic groups Mexicans Chinese economic issues trusts scientific management and biographies The articles are cross referenced and have sources for specific further reading Backmatter consists of chronology general further reading and websites and index Black and white illustrations including photographs maps fine arts and graphics complement the text Oxford's Student Companions to American History are state of the art references for school and home specifically designed and written for ages 12 through adult Each book is a concise but comprehensive A to Z guide to a major historical period or theme in U S history with articles on key issues and prominent individuals The authors distinguished scholars well known in their areas of expertise ensure that the entries are accurate up to date and accessible Special features include an introductory section on how to use the book further reading lists cross references chronology and full index

Alcohol and Drugs in North America David M. Fahey, Jon S. Miller, 2013-08-27 Alcohol and drugs play a significant role in society regardless of socioeconomic class This encyclopedia looks at the history of all drugs in North America including alcohol tobacco prescription drugs cannabis cocaine heroin methamphetamine and even chocolate and caffeinated drinks This two volume encyclopedia provides accessibly written coverage on a wide range of topics covering substances ranging from whiskey to peyote as well as related topics such as Mexican drug trafficking and societal effects caused by specific drugs The entries also supply an excellent overview of the history of temperance movements in Canada and the United States trends in alcohol consumption its production and its role in the economy as well as alcohol's and drugs roles in shaping national discourse the creation of organizations for treatment and study and legal responses This resource includes primary documents and a bibliography offering important books articles and Internet sources related to the topic

Profits, Power, and Prohibition John J. Rumbarger, 1989-08-15 This is the first comprehensive study of America's anti liquor anti drug movement from its origins in the late eighteenth century through the repeal of the Eighteenth Amendment in 1933 It examines the role that capitalism played in defining and shaping this reform movement Rumbarger challenges conventional explanations of the history of this movement and offers compelling counter arguments to explain the movement's historical development He successfully links the ethics of business enterprise and those of moral reform of society for the betterment of enterprise The author reveals how readily economic power is transformed first into social power and finally into political power in the context of a bourgeois democracy He shows that the motivation driving this reform movement was not religiosity but profit and that anti liquor capitalists viewed the human equation as determinant of America's prospect for creating wealth

Pathways to Prohibition Ann-Marie E. Szymanski, 2003-08-21 Szymanski uses the Prohibition movement as an example of the challenges facing all social reform movements

Freemasonry and American Culture, 1880-1930 Lynn Dumenil, 2014-07-14 As the United States moved from Victorian values to those of modern consumerism the religious component of Freemasonry was

increasingly displaced by a secular ideology of service like that of business and professional clubs and the Freemasons psychology of asylum from the competitive world gave way to the aim of good fellowship within it This study not only illuminates this process but clarifies the neglected topic of fraternal orders and enriches our understanding of key facets of American cultural change Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Christian Century**

,1928 **Smashing the Liquor Machine** Mark Lawrence Schrad,2021-06-22 This is the history of temperance and prohibition as you ve never read it before redefining temperance as a progressive global pro justice movement that affected virtually every significant world leader from the eighteenth through early twentieth centuries When most people think of the prohibition era they think of speakeasies rum runners and backwoods fundamentalists railing about the ills of strong drink In other words in the popular imagination it is a peculiarly American history Yet as Mark Lawrence Schrad shows in Smashing the Liquor Machine the conventional scholarship on prohibition is extremely misleading for a simple reason American prohibition was just one piece of a global phenomenon Schrad s pathbreaking history of prohibition looks at the anti alcohol movement around the globe through the experiences of pro temperance leaders like Vladimir Lenin Leo Tolstoy Thom s Masaryk Kemal Atat rk Mahatma Gandhi and anti colonial activists across Europe Asia Africa and the Middle East Schrad argues that temperance wasn t American exceptionalism at all but rather one of the most broad based and successful transnational social movements of the modern era In fact Schrad offers a fundamental re appraisal of this colorful era to reveal that temperance forces frequently aligned with progressivism social justice liberal self determination democratic socialism labor rights women s rights and indigenous rights Placing the temperance movement in a deep global context forces us to fundamentally rethink its role in opposing colonial exploitation throughout American history as well Prohibitionism united Native American chiefs like Little Turtle and Black Hawk African American leaders Frederick Douglass Ida Wells and Booker T Washington suffragists Elizabeth Cady Stanton Susan B Anthony and Frances Willard progressives from William Lloyd Garrison to William Jennings Bryan writers F E W Harper and Upton Sinclair and even American presidents from Thomas Jefferson and Abraham Lincoln to Theodore Roosevelt and Woodrow Wilson Progressives rather than puritans the global temperance movement advocated communal self protection against the corrupt and predatory liquor machine that had become exceedingly rich off the misery and addictions of the poor around the world from the slums of South Asia to the beerhalls of Central Europe to the Native American reservations of the United States Unlike many traditional dry histories Smashing the Liquor Machine gives voice to minority and subaltern figures who resisted the global

liquor industry and further highlights that the impulses that led to the temperance movement were far more progressive and variegated than American readers have been led to believe **Bootleg** Karen Blumenthal, 2011-05-24 It began with the best of intentions Worried about the effects of alcohol on American families mothers and civic leaders started a movement to outlaw drinking in public places Over time their protests petitions and activism paid off when a Constitutional Amendment banning the sale and consumption of alcohol was ratified it was hailed as the end of public drunkenness alcoholism and a host of other social ills related to booze Instead it began a decade of lawlessness when children smuggled and drank illegal alcohol the most upright citizens casually broke the law and a host of notorious gangsters entered the public eye Filled with period art and photographs anecdotes and portraits of unique characters from the era this fascinating book looks at the rise and fall of the disastrous social experiment known as Prohibition **Bootleg** is a 2011 Kirkus Best Teen Books of the Year title One of School Library Journal's Best Nonfiction Books of 2011 YALSA Excellence in Nonfiction Finalist in 2012 **The International Student of Liquor in Life Today** ,1926 **International Student of Alcoholic Drink in Life Today** ,1925 **International Student of the World Problem of Alcoholism** ,1928 **Readings in Public Opinion** William Brooke Graves, 1928
