Echoes of Swing: The 100 Greatest Jazz Musicians of All Time Barney Dane, Step into the soulful world of jazz with Echoes of Swing The 100 Greatest Jazz Musicians of All Time This comprehensive anthology celebrates the virtuosos who have shaped the landscape of jazz a genre that epitomizes creativity freedom and expression From the groundbreaking improvisations of Louis Armstrong and the sophisticated compositions of Duke Ellington to the innovative harmonies of Miles Davis and the profound spirituals of John Coltrane this book captures the essence of jazz greatness Each chapter offers an in depth look at a different musician highlighting their unique contributions technical brilliance and the indelible impact they have had on music history More Important Than the Music Bruce D. Epperson, 2013-10-01 Today jazz is considered high art America s national music and the catalog of its recordings its discography is often taken for granted But behind jazz discography is a fraught and highly colorful history of research fanaticism and the intense desire to know who played what where and when This history gets its first full length treatment in Bruce D Epperson s More Important Than the Music Following the dedicated few who sought to keep jazz s legacy organized Epperson tells a fascinating story of archival pursuit in the face of negligence and deception a tale that saw curses and threats regularly employed with fisticuffs and lawsuits only slightly rarer Epperson examines the documentation of recorded jazz from its casual origins as a novelty in the 1920s and 30s through the overwhelming deluge of 12 inch vinyl records in the middle of the twentieth century to the use of computers by today s discographers Though he focuses much of his attention on comprehensive discographies he also examines the development of a variety of related listings such as buyer s guides and library catalogs and he closes with a look toward discography s future From the little black book to the full featured online database More Important Than the Music offers a

history not just of jazz discography but of the profoundly human desire to preserve history itself Guide to the Tuba Repertoire, Second Edition R. Winston Morris, 2006-11-08 Guide to the Tuba Repertoire is the most comprehensive investigation ever undertaken into the literature and discography of any single musical instrument Under the direction of R Winston Morris and Daniel Perantoni this publication represents more than 40 years of research by dozens of leading professionals throughout the world The guide defines the current status of the tuba and documents its growth since its inception in 1835 Contributors are Ron Davis Jeffrey Funderburk David Graves Skip Gray Charles A McAdams R Winston Morris Mark A Nelson Timothy J Northcut Daniel Perantoni Philip Sinder Joseph Skillen Kenyon Wilson and Jerry A Young

Popular Music Roman Iwaschkin, 2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope

International History of the Recording Industry Pekka Gronow, Ilpo Saunio, 1999-07-26 This book explores the fascinating world of the record business its technology the music and the musicians from Edison's phonograph to the compact disc The great artists Caruso Toscanini Louis Armstrong Elvis Presley and their successors all achieved fame through the medium of records and in turn have influenced the recording industry But just as important are the record producers those invisible figures who decide from behind the scenes how a record will sound The history of recording is also the history of record companies the book follows the vicissitudes of the multinational giants without neglecting the small pioneering labels which have brought valuable new talents to the fore

Stan Getz Nicholas Churchill, 2004-12-29 Some may only know the jazz legend Stan Getz tenor saxophonist for his bossa nova hits Desafinado and The Girl from Ipanema However Getz born in 1927 began to play professionally at age 15 and his rich musical career lasted until shortly before his death on June 6 1991 He played in a wide variety of musical settings such as big band orchestral quartet and duo The incredible beauty of his sound sparked the late jazz great John Coltrane to say We would all play like Stan Getz if we could When Getz died jazz trumpeter Dizzy Gillespie said He was sheer genius And there's one thing about this man he was the most melodic player on the jazz scene This bibliography the first of its kind contains a total of 2 576 bibliographic citations with 2 292 of them annotated It includes references to periodical literature articles from news wire services books dissertations films videos television programs radio broadcasts and Web sites The citations are primarily from English language sources Materials in English and French as well as a handful of items from other languages are annotated This work includes a preface that contains the scope of the work a user's guide and a list of more than 340 periodicals cited The main body of the work is divided into the following sections album reviews performance reviews discographies and discographical information transcriptions biographical and critical works filmography and appendix Album reviews are provided for 240 albums along with the discographical details for each of these albums The appendix contains unannotated citations to materials in Danish Dutch German Italian Norwegian Spanish and Swedish
