Sturges**

Preston Sturges On Preston Sturges:

Preston Sturges by Preston Sturges: His Life in His Words Preston Sturges,1991-09-15 In this highly readable memoir Sandy Sturges wife of the legendary Hollywood director of screwball comedies of the 30s and the 40s draws from his journals to create a portrait that will delight movie fans Hollywood historians and film students A story every bit as fast and wild as a Sturges movie *The Village Voice* **Preston Sturges on Preston Sturges** Preston Sturges,1991 **Preston Sturges** Preston Sturges,1990 **Three More Screenplays by Preston Sturges** Preston Sturges,1998-08-29 Preston Sturges 1898 1959 was a member of Hollywood s gifted royalty producing a remarkable number of films In this third volume of scripts by one of Hollywood s wisest and wittiest filmmakers the focus is on screenplays written but not directed by Sturges This volume will be the perfect accompaniment to the re release of Sturges films on home video 8 illustrations **Between Flops** James Curtis,1982 The definitive telling of Sturges life *Variety* *Christmas in July* Diane Jacobs,2023-11-15 In this first critical biography of Preston Sturges Diane Jacobs brings to life the great comic filmmaker whose career Andrew Sarris described as one of the most brilliant and bizarre bursts of creation in the history of the American cinema Jacobs uses letters and manuscripts never before revealed as well as interviews with people who knew Sturges including three of his wives to portray this fascinating contradictory man In addition to discussing his major films she also examines heretofore unknown work and shows that Sturges was highly creative even near the end of his life a time when many believed he had lost his touch Sturges secured his place in film history as the creator of such classic films as *The Lady Eve* *Sullivan s Travels* and *The Palm Beach Story* In 1939 he became the first screenwriter to win the right to direct his own script the result was the Oscar winning *The Great McGinty* *Creator of Unfaithfully Yours* *The Miracle of Morgan s Creek* and *Hail the Conquering Hero* he was the third highest paid man in the United States by the late 1940s He owned a swank Hollywood restaurant and was known as an ebullient raconteur as well as a world famous filmmaker A little over a decade later Sturges died in New York impoverished and rejected by Hollywood The euphoria of success the fitfulness of luck the promise and poignancy of the American Dream the themes of Sturges s work also marked the man Diane Jacobs achieves a singular success in illuminating his extraordinary life This title is part of UC Press s *Voices Revived* program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992 *The Cinema of Preston Sturges* Alessandro Pirolini,2014-01-10 Most published works on writer director Preston Sturges 1898 1959 have focused on the elements that made him a symbol of classic Hollywood comedy or his contributions to the genre via such 1940s classics as *The Lady Eve* *Sullivan s Travels* and *Miracle of Morgan s Creek* In contrast this critical study asserts that there are enough unexplained incongruities fragmentations and contradictions in Sturges output to demand a re evaluation of his place in film history as a predecessor

and perhaps progenitor of later postmodern filmmakers Four appendices offer a generous selection of previously unavailable material including an exclusive interview with the director's fourth wife Sandy Sturges **Between flops**, 1984 *Preston Sturges* Ray Cywinski, 1984 *ReFocus: The Films of Preston Sturges* Jeff Jaeckle, 2015-10-08 This first collection of critical essays on Preston Sturges director screenwriter comic genius of Hollywood reawakens interest in the filmmaker's life and works and reminds readers why his movies continue to be culturally significant and immensely enjoyable **Preston Sturges** Nick Smedley, Tom Sturges, 2019 Few directors of the 1930s and 40s were as distinctive and popular as Preston Sturges whose whip-smart comedies have entertained audiences for decades This book offers a new critical appreciation of Sturges' whole oeuvre incorporating a detailed study of the last ten years of his life from new primary sources Five Screenplays by Preston Sturges Preston Sturges, 1986-02-26 Here are five comic masterpieces by Preston Sturges who has been called Hollywood's greatest writer-director with emphasis on the former The scripts are drawn from the great period between 1939 and 1944 which Andrew Sarris called one of the most brilliant and most bizarre bursts of creation in the history of cinema They are astonishingly readable and deliciously funny Brian Henderson's introduction provides an overview of Sturges' criticism and brief biographical material Each script is preceded by a prefatory essay discussing its evolution The insights provided by this volume will be useful to film students and aspiring screenwriters and fascinating to anyone interested in screen comedy Virtually all the illustrations showing Sturges at work are published here for the first time The collection includes *The Great McGinty* *Christmas in July* *The Lady Eve* *Sullivan's Travels* and *Hail the Conquering Hero*

Four More Screenplays Preston Sturges, 1995 Henderson has a fine feel for the emotional implications of the slightest changes in the story lines or the scripts and consequently one has great confidence in the significances he attributes to the various stages of each film William Nestrick University of California Berkeley *Crooked, but Never Common* Stuart Klawans, 2023-01-10 In a burst of creativity unmatched in Hollywood history Preston Sturges directed a string of all-time classic comedies from 1939 through 1948 *The Great McGinty* *The Lady Eve* *Sullivan's Travels* *The Palm Beach Story* and *The Miracle of Morgan's Creek* among them all from screenplays he alone had written Cynical and sophisticated romantic and sexually frank crazily breakneck and endlessly witty his movies continue to influence filmmakers and remain popular to this day Yet despite this acclaim Sturges' achievements remain underappreciated he is too often categorized as a dialogue writer and plot engineer more than a director or belittled as an irresponsible spinner of laughs In *Crooked but Never Common* Stuart Klawans combines a critic's insight and a fan's enthusiasm to offer deeper ways to think about and enjoy Sturges' work He provides an in-depth appreciation of all ten of the writer-director's major movies presenting Sturges as a filmmaker whose work balanced slapstick and social critique American and European traditions and cynicism and affection for his characters Tugging at loose threads discontinuities puzzles and allusions that have dangled in plain sight and putting the films into a broader cultural context Klawans reveals structures motives and meanings underlying the uproarious pleasures

of Sturges's movies In this new light Sturges emerges at last as one of the truly great filmmakers and funnier than ever **O Brother, What Might Have Been** Preston Sturges, Jay Rozgonyi, Tom Sturges, 2025-08-29 What Might Have Been opens a hidden door into the creative world of Preston Sturges one of the great originals of American cinema the trailblazing writer-director whose comedies *The Lady Eve* *Sullivan's Travels* and *The Palm Beach Story* brought a new sophistication to Hollywood in the early 1940s This remarkable volume gathers three unproduced screenplays that span the breadth of his career scripts that were written with the same verve wit and satiric brilliance as his best known films but which never made it to the screen In *Song of Joy* 1936 Sturges crafts a razor sharp satire of the movie business and its manic machinery channeling his frustrations with studio absurdity into a vibrant madcap tale of mistaken identity opera stars and clueless executives This previously lost link between *The Good Fairy* and *Easy Living* reveals the moment when Sturges truly found his comic voice Nothing Doing 1949 finds Sturges returning to one of his favorite conceits the reinvention of a man adrift Here a high powered tycoon retreats to a small town under doctor's orders only to rebuild its economy and rediscover himself With echoes of *Sullivan's Travels* and *The Sin of Harold Diddlebock* Sturges grapples with success exhaustion and post war America in a story that blends slapstick with soul searching In *The Millionairess* 1953-54 Sturges adapts George Bernard Shaw's social comedy into a lively visually inventive screenplay originally intended for Katharine Hepburn The result is a richly cinematic transformation that deepens Shaw's characters and sharpens the romantic tension while offering Sturges signature mix of verbal fireworks comic montage and offbeat heart With a foreword by Sturges son Tom and annotated with rich illuminating introductory essays by Jay Rozgonyi What Might Have Been is a poignant hilarious and revelatory glimpse into the mind of one of American cinema's greatest comic artists A gift to cinephiles and a reminder of the dazzling energy and human insight that made Sturges a legend it is also a loving act of restoration a chance at last to read what he might have filmed if only the world had let him **Madcap** Donald Spoto, 1990 Probes the colorful life of the iconoclastic Hollywood screenwriter and director known for his Broadway plays social satires and classic film comedies

Preston Sturges Ángel Comas, 2003-01-01 *Preston Sturges's Vision of America* Jay Rozgonyi, 1995 Preston Sturges independence was at least partially responsible for his unique filmmaking style marked by razor sharp dialogue wild plot turns and wondrously original supporting characters Works such as *The Power and the Glory* *The Lady Eve* and *The Sin of Harold Diddlebock* offer a distinctive and often satirical view of American life deflating many of the ideals honesty justice hard work democracy and others that Americans feel a need to embrace Each entry includes full filmographic data a plot synopsis and critical analysis of the movie *Class Unknown* Mark Pittenger, 2012-08-13 How well meaning intellectuals helped develop our understanding of the American underclass Since the Gilded Age social scientists middle class reformers and writers have left the comforts of their offices to pass as steel workers coal miners assembly line laborers waitresses hoboes and other working and poor people in an attempt to gain a fuller and more authentic understanding of the lives of the

working class and the poor In this first sweeping study of undercover investigations of work and poverty in America award winning historian Mark Pittenger examines how intellectuals were shaped by their experiences with the poor and how despite their sympathy toward working class people they unintentionally helped to develop the contemporary concept of a degraded and other American underclass While contributing to our understanding of the history of American social thought Class Unknown offers a new perspective on contemporary debates over how we understand and represent our own society and its class divisions

LIFE ,1946-01-07 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use

Preston Sturges On Preston Sturges Introduction

In today's digital age, the availability of Preston Sturges On Preston Sturges books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Preston Sturges On Preston Sturges books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Preston Sturges On Preston Sturges books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Preston Sturges On Preston Sturges versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Preston Sturges On Preston Sturges books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Preston Sturges On Preston Sturges books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Preston Sturges On Preston Sturges books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and

making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Preston Sturges On Preston Sturges books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Preston Sturges On Preston Sturges books and manuals for download and embark on your journey of knowledge?

FAQs About Preston Sturges On Preston Sturges Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
