Preterism Orthodox Or Unorthodox:

Preterism Jay Edward Adams, 2003 Timeless Texts introduces a monograph series for ministry The General categories introducing the series are Church Counseling Preaching and Theology Other categories will be added in the future The books are topical writings by contemporary authors addressed to those who are involved in ministry in today's church That would include Pastors Elders Deacons Counselors and active laymen **Christ in You** Kent Hodge, 2009-02 Jesus Christ came to give us the kingdom and proved this by casting out demons signs and wonders fulfilling scripture and the resurrection from the dead Pentecost brought us into the life of Christ This book explores this life treating the following topics It challenges us to a Christian life to reach the world with the gospel Christian Heritage Theology Spirit baptism Sanctification Election Israel Spiritual warfare The gifts The law and prophets Christ's Kingdom End times Missions Education Christian life

Rediscovering Revelation Dr. Kent Hodge, 2011-07-08 Rediscovering Revelation looks at our past and future This book reviews the claims of futurism a view held by millions of Christians today and shows that Jesus and His current reign is the centre of biblical prophecy rather than date setting and end times speculations There is a better vision in the scriptures that span millennialism Get ready for a gospel centred discovery of the Prophets and the Revelation which is changing the world today Be prepared to rethink your views Interpreting Matthew chapter twenty four and the book of Revelation through the eyes of the disciples and churches that received these texts and in the light of the Old Testament passages these texts drew upon Rediscovering Revelation explains their meaning and relevance for our day Rediscovering Revelation begins with a critique of the popular teaching of dispensationalism showing how it misguides the church in understanding both the gospel and the times in which we now live After reviewing the main themes and applications of Revelation this book ends with a Postmillennial view of Christ's present reign Revelation is a rich resource of encouragement concerning the current reign and victory of Jesus Christ and when properly understood it can be restored to today's pulpits to edify the church in the way God intended **Back to the Future** Ralph E. Jr. Bass, Ralph Bass, 2004-07 After embracing the theology of

Dispensationalism for thirty three years doubts grew in the author's mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something far different from the usual offerings This book is the result of the author's quest **The**

Comings of Christ Dr. Harold R. Eberle, This book is recommended as a follow up to reading Victorious Eschatology Among Christians who are already involved in discussions about eschatology the various views raise heated debates However most Christians are unaware of the related issues or profound implications From this easy to understand book you can learn the basics and then make a wise decision concerning the most biblical view **Three-Fold Cord** Michael P. Hays, 2022-06-22 The world is drowning in a shoreless and bottomless ocean of beliefs Almost every conceivable theological philosophical ideological twist and turn is in play Truth has become a rare treasure Never before have so many people been so informed and so detached The good news is that you can know for sure and you can make a difference The purpose of the book is to introduce a biblically solid and objective way of thinking that gives the Christian a proper foundation and advantage for managing encounters with friends family work and classroom Thinking like a Christian and thinking and acting like Jesus should be the norm Each chapter is a different approach to some older and newer methods The truth is that all of reality proves the existence of the Triune Creator God and without Him nothing makes sense Reality either rests on the absolute God or subjective relativism There is no neutrality as much as some try to pretend All ground is common but none is neutral Today the battle lines could scarcely be clearer America is at a tipping point Where the roller coaster goes is in the hands of the Church of the Lord Jesus Christ This book is my attempt to make a difference in a world that is increasingly chaotic Peace and blessings to you **Chalcedon Report** ,2001 Full Preterism Stephen N Whitsett, 2020 The number one assault on Orthodox Christianity today is the reemergence of the Hymenaeus and Philetus heresy in saying the resurrection is past and so by default so is the second coming fulfilled in AD 70 This view is known as Full Realized or Hyper Eschatology In this view it many foundational doctrines and yet still wants to be labeled as Christian and is mutating from within the Church of Christ Attacks against the church come from many different directions but the one that hurts the most is the one that comes from within In the midst of church turmoil one more assault has risen up from the enemy from within the church and so claims to be a Orthodox Christian doctrine yet this doctrine denies the bodily return of Christ the ongoing incarnation and the bodily resurrection of the saints in a future appearing of Christ The AD 70 doctrine that is labeled as Full Realized or Hyper Preterism is clearly rejected by Orthodox Christianity but because of the aggressive nature of the adherents in seeking to reform Christianity with its myths and doctrine of demons ignoring it is no longer an option You tube videos and FACEBOOK groups are becoming prolific and academic papers are being written and debates publicized but a clear refutation of the specifics is absent from the Church landscape People want to know why it s wrong because the arguments being presented are subtle and peppered with truth The way in which people are introduced to the doctrine and in the way it is advertised by its adherents is disarming if not outright deceptive as they seek to gain followers They are not labeled as a separate denomination or religious group but thrives within the Churches of Christ from which it started and spreads Efforts to stifle the movement are non existent on a Denominational level This work goes through the main arguments supporting the Pre

Millennial position in opposition to the Dispensationalist and Preterist paradigms This work also encompasses the foundational arguments given by Full Preterist for their paradigm and provides the answers through the timeless Theology of the church

The Cold Case Against Full Preterism Stephen Whitsett, 2019-03-26 The Cold Case Against Full Preterism addresses the claims made by Full Preterists teachers and their works against Orthodox Christianity It demonstrates the inconsistencies and the lack of coherence in the Preterist paradigm and attacks the bases for the denial of the Bodily Resurrection of the saints the denial of the Bodily existence of Christ in heaven and why the future visible bodily return of Christ is a departure from the Orthodox Christian faith The challenge is made to Don Preston Daniel Rogers and Alan Bondar concerning their teaching of the Full Preterist paradigm and Whitsett provides a clear cut case against the claims made by Full Preterist The Law Ended in A D 70 Jesus had to die twice when his body was burnt up in his ascension the death of Adam was spiritual death and not physical death the Second Coming was fulfilled in A D 70 along with the Resurrection of the Dead and we currently live in the new Heavens and Earth There has never been a more damaging theology created in the History of the Church than Full Preterism and Whitsett provided one of the strongest theological argument against such a system If you have heard about Full Preterism and are investigating it s claims this book is a start in getting the whole picture and understanding why it should be rejected as anything else but sound

Preterism and the Orthodox Doctrine of Christ's Parousia Richard A. White, 1988 *Debunking Preterism* Brock D Hollett, 2023-09-09 Dr Brock D Hollett formerly embraced preterism while earning his Master of Divinity at Midwestern Baptist Theological Seminary in 2000 because the preterist perspective seemed to provide him with coherent arguments regarding the time statements of the New Testament Persuaded by the arguments put forth by preterist scholars especially R C Sproul Hank Hanegraaff N T Wright Gary DeMar and Kenneth Gentry Dr Hollett became a teacher at a church with a preterist orientation and defended preterist eschatology as the host of a weekly radio program Fulfilled Life on Covenant Key FM By 2013 he had finished writing a book defending preterism and was scheduled to be a conference speaker at a preterist prophecy conference However on the very night that he received the first box of 100 books from his publisher the Lord spoke to his heart to reexamine the biblical doctrine of the resurrection of the dead which led him to repent of his involvement with preterism In 2017 God placed a fresh burden on Dr Hollett s heart to write a book that sets forth a proper biblical eschatology and a roadmap for refuting preterism He wrote *Debunking Preterism* How Over realized Eschatology Misses the Not Yet of Bible Prophecy in only three months sensing a prophetic urgency regarding the project *Debunking Preterism* will undoubtedly become the gold standard on the topic of preterism The book is replete with a wealth of illustrative figures and comparative charts that reinforce its main concepts Special emphasis is placed upon a proper understanding of the biblical time statements and the already and not yet principle of eschatology *About Preterism* Roderick Edwards, 2019-07-11 Preterism is the theological belief that Jesus already came back and that there won t be any future end of the world event Jesus predicted he would come back soon at hand shortly

within that generation Preterism tries to make the case that Jesus came back in the year AD70 Honest and direct presentation of the theological view and movement called Preterism Preterism advocates that the end times occurred in the year AD70 Often called by different titles such as Covenant Eschatology Full Preterism or Hyper Preterism this view is unpacked for the reader not only to see but understand its adoption and effects *Why I Left Full Preterism* Samuel M. Frost,2019-01-11 This book is written by a former leader in the Full Preterist movement Samuel M Frost He has rejected Full Preterism as being historically unorthodox and biblically unsound Full Preterism believes that the Second Coming and Resurrection of the Dead occurred in AD 70 and that the resurrection is spiritual rather than physical It also holds that history continues forever Chapters include 1 What is Full Preterism 2 My Full Preterist Testimony 3 History Creeds and Sola Scriptura 4 Infinity 5 John 6 6 What are the Last Days 7 The Shell Game 8 Where Is Jesus 9 Sin Death and Creation 10 Progressive Sanctification 11 The Bodily Death and Resurrection of Jesus Conclusion Why I Left Full Preterism [How to Leave Preterism](#) Roderick Edwards,2025-07-18 Leaving preterism isn't just a doctrinal shift it's a psychological and spiritual reawakening In this bold and unflinching guide Roderick Edwards once a committed full preterist for over 15 years walks readers through the tangled reasoning and emotional dependence that traps people in this fringe eschatology With decades of firsthand experience Edwards helps readers understand why preterism appeals why it fails and how to move beyond it This is not another academic proof text exchange This is a lifeline for anyone trying to escape or help someone else break free from the theological echo chamber of preterism Whether you're ready to leave skeptical of this book or helping someone else recover their faith you'll find practical insights historical perspective and raw honesty **Prophecy Without Panic** Duncan Shennea,2015-04-17 What are the prophecies of the New Testament actually saying Is the popular version of Rapture oriented teaching correct This book *Prophecy Without Panic* seeks to answer these questions by providing a brief introduction to the Partial Preterist interpretation of biblical prophecy Consecutive chapters cover the teachings of Jesus in the Gospels and the teachings of Paul the Apostle in his letters before providing a chapter by chapter analysis of the Book of Revelation In the final chapter Does My View of Biblical Prophecy Really Matter All That Much the author addresses the relevance of these matters for us today Are you truly fed up with the relentless barrage of end times speculation Are you tired of the constant diet of fear apprehension and warnings dished out by those supposedly in the know Are you deeply disappointed not only at the continuous parade of Rapture oriented predictions but also at the seemingly limitless gullibility of otherwise devout and intelligent Christians who continue to swallow these predictions and support the ministers who make them If so this book is for you On the other hand if you understand and are satisfied with prophecy teaching as you have heard it if you are sure you have it figured out if you even have a chart in the back of your Bible diagramming the coming end time events this book is especially for you You just might need to change your mind or at least reconsider what you believe
