Looking Back Bob Greeley,2011-07-14 I started this project about a year ago with the intent to show some of my life experiences of fifty five years to whoever decides to read this book I started out as a very naive innocent fourteen year old boy not knowing what life held in store for me I never finished my second year of high school as my father passed away and being the only male in our family I have three great sisters decided to help run our family business Along the way left to deal with some situations I sometimes wondered if I could cope with it all has helped me to become a better person If the Lord is willing and there is interest in this writing I plan on a sequel about some of the most interesting characters and wonderful people I encountered along my path in life

Pardon Hector Rodriguez,2010-05 POWERFULL COMPELLING INSPIRATIONAL These words come to mind after becoming immersed in this true story of Hector Rodriguez whose Mother left when he was only nine months old His Father turned to alcohol to escape the responsibilities of raising seven children by himself in New York City By the age of ten his gang had become his family and by fourteen he was already a street hardened criminal In a desperate attempt to get him off the streets his father sent him to Vietnam where he learned to kill without remorse After his tour of duty he found his way back to the streets of New York where he became the ruthless leader of a very large and powerful drug gang Though God had been calling him since he was twelve the devil had already ensnared him with drugs and money Then the one time he showed mercy on someone it led to a series of life changing events which allowed him to finally hear God s voice Upon hearing God s word and feeling his peace and grace the thick walls of anger around Hector finally crumbled to

dust With the same intensity he put into building his drug empire he now used to build God's empire This book will move you to tears make you laugh until it hurts and fill you with so much inspiration that if you open yourself to its message it can and will change your life Very few stories will keep you on the edge of your seat while offering so much in return Pastor Hector Rodriguez is a true apostle for God and his story has already inspired so many to change their ways and follow the path of light just as it has done for me Joseph Dinan Jr Editor **Black World/Negro Digest**, 1969-07 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement

Black, Brown, & Beige Franklin Rosemont, Robin D.G. Kelley, 2009-12-07 This collection documents the extensive participation of people of African descent in the international surrealist movement over the past 75 years The Best of Simple Langston Hughes, 1961 A selection of the author's favorite stories chosen from three of his books Simple Speaks his Mind Simple Takes a Wife and Simple Stakes a Claim **The Later Simple Stories** Langston Hughes, 2002 In Volume 8 of The Collected Works of Langston Hughes the genial Harlem everyman Jesse B Semple returns with his more cosmopolitan bar buddy Ananias Boyd Social climber Joyce Lane is now Mrs Jesse B Semple and Simple has minimized his flirtatious contacts with other women Despite these ongoing characters the later Simple stories are very different from the earlier Simple tales The later stories evoke the historical and social context within which they were written a politically dangerous time for the fictional adventures and fantasies of the main characters The Later Simple Stories returns to print Hughes's third and fourth Simple collections Simple Stakes a Claim and Simple's Uncle Sam along with some episodes Hughes did not include in any of his books Simple Stakes a Claim was published in 1957 and it reflects the troubled and troublesome era of the Cold War and McCarthy hearings Simple's Uncle Sam appeared in 1965 and it captures the turbulent decade when black Americans asserted their rights including the privilege to call themselves Black and wear their hair in natural styles The nonviolent strategies of civil disobedience and the violent strategies of urban rioting had converged to amplify African American voices as they demanded justice The innocent humor of the earlier Simple stories is replaced here by new strengths Remarkably powerful female characters emerge in this volume We observe Cousin Minnie's self preservation skills and her willingness to riot to defend her rights as a citizen We read about Simple's cousin Lynn Clarisse who is a social activist educated at Fisk University And we see Joyce herself emerge from her prim niche to display pride and knowledge about her African heritage The Later Simple Stories rounds out Hughes's presentation of Jesse B Semple and the various people of his world Simple and his foil still make us chuckle but more important they make us think While these episodes often focus on particularities of the times they also articulate broader truths that remain valuable *Encyclopedia of African American Actresses in Film and Television* Bob McCann, 2022-09-23 The first work of its kind this encyclopedia provides 360 brief biographies of African American film and television actresses from the silent era to 2009 It includes entries
