PREVAILING PRAYER (Sermons on Prayer). Charles G. FINNEY,1965      **Prevailing Prayer** Charles Grandison Finney,1967      **Prevailing Prayer (Updated, Annotated)** Dwight L. Moody,2018-06-01 Hearken unto the voice of my cry my King and my God for unto thee will I pray Psalm 5 2 This book is a comprehensive study on the subject of prayer and will show you that there are nine elements which are essential to true prayer These elements are as follows Adoration We cannot meet God on a level at the start We must approach him as one far beyond our reach or sight Confession Sin must be put out of the way We cannot have any communion with God while there is any disobedience between us Restitution We have to make amends for the wrong wherever possible Thanksgiving We must be thankful for what God has done for us already Forgiveness We must forgive others and pull any root of bitterness that might be growing Unity Loving one another brings power in prayer Faith There must be faith which the preceding things produce Petition Thus influenced by the other things we will be ready to offer direct petition or requests to God There needs to be more petition in our prayers Submission After all these there must come submission While praying we must be ready to accept the will of God Dwight Moody expounds on these nine elements in this volume using illustrations and stories to validate what he is saying and to help make the truths in this book stick      **Prevailing Prayer** Frank Lester Brooks,1909      **Prevailing Prayer: What Hinders It** D.L. Moody,2015-06-17 A collection of essays on prayer our need to practice it and how it changes lives by D L Moody      **Prevailing Prayer: What Hinders It?** Dwight Lyman Moody,2023-09-25 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision      Prevailing Prayer Charles G. Finney,1978      The Prevailing Prayer-meeting: a Sermon [on Acts. I. 1-14], Etc Charles G. Finney,1859      Prevailing Prayer Charles G. Finney,1836      **The Faith Necessary to Prevailing Prayer: a Sermon ... with an Introductory Address to the Congregation at Old King Street** George Henry DAVIS,1854      **Prevailing Prayer** Dwight Lyman Moody,2017-11-02 Dwight Lyman Moody defines a Prevailing Prayer as one which involves the entire being of the person praying the entirety of the mind is focused not upon material or life circumstances but the very being of God Such an effort to pray so deeply is difficult Moody himself an experienced evangelist and preacher had encountered many Christians who struggled to attain depth and connection with the Lord during their prayers This book intends to help the true believer attain a material closeness to the divine through prayer which prevails It is ideal for devotional reading before and after your daily prayers that the insights within remain in mind To help his fellow believers Moody quotes numerous stories from the Biblical scriptures together with personal anecdotes from his long career as a man of God We also hear of incidents in the life of Jesus Christ and the many obstacles He surmounted to teach humanity of God Tales from some of the most respected Christian preachers such as George Muller and Samuel Rutherford appear to affirm the power and blessings that wholehearted prayer brings The chapter topics range from virtues such as forgiveness to religious unity and

togetherness with the divine Cases in which prevailing prayers were answered are also told to better inspire the seeker on his path *Prevailing Prayer* Dwight Lyman Moody, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1884 edition Excerpt CHAPTER X SUBMISSION Another essential element in prayer is Submission All true prayer must be offered in full submission to God After we have made our requests known to Him our language should be Thy will be done I would a thousand times rather that God's will should be done than my own I cannot see into the future as God can therefore it is a good deal better to let Him choose for me than to choose for myself I know His mind about spiritual things His will is that I should be sanctified so I can with confidence pray to God for that and expect an answer to my prayers But when it comes to temporal matters it is different what I ask for may not be God's purpose concerning me As one has well put it Depend upon it prayer does not mean that I am to bring God down to my thoughts and my purposes and bend His government according to my foolish silly and sometimes sinful notions Prayer means that I am to be raised up into feeling into union and design with Him that I am to enter into His counsel and carry out His purpose fully I am afraid sometimes we think of prayer as altogether of an opposite character as if thereby we persuaded or influenced our Father in heaven to do whatever comes into our own minds and whatever would accomplish our foolish weak sighted purposes I am quite convinced of this that God knows better what is best for me and for the world than I can possibly know and even though it were in my power to say My will be done I would rather say to Him Thy will be done It is reported of a woman who being sick was asked whether she was willing to live or die that she answered Which God pleases But said one if God should refer it to you which would you choose Truly replied **Prevailing Prayer** Frank Lester Brooks, 2016-05-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Power of Prayer](#) William Paterson Paterson, David Russell, 1920 *Mighty Prevailing Prayer* Wesley L. A Sermon** Thomas Given Wilson, 1864      **Prevailing Prayer** D. Moody, Jawbone Jawbone Digital, 2018-03-12 The two first and essential means of grace are the Word of God and Prayer By these comes conversion for we are born again by the Word of God which liveth and abideth forever and whosoever shall call upon the name of the Lord shall be saved By these also we grow for we are exhorted to desire the sincere milk of the Word that we may grow thereby and we cannot grow in grace and in the knowledge of the Lord Jesus Christ except we also speak to Him in Prayer These chapters relate especially to Prayer but in order that our prayers may be for such things as are according to the will of God they must be based upon the revelation of His own will to us for of Him and through Him and to him are all things and it is only by hearing His Word in which we learn His purposes toward us and towards the world that we can pray acceptably praying in the Holy Ghost asking those things which are pleasing in His sight The Table of Contents are as follow Chapter 1 The Prayers of the Bible Chapter 2 Adoration Chapter 3 Confession Chapter 4 Restitution Chapter 5 Thanksgiving Chapter 6 Forgiveness Chapter 7 Unity Chapter 8 Faith Chapter 9 Petition Chapter 10 Submission Chapter 11 Answered Prayers D L Moody 1837 1899 was an American evangelist whose ministry took him all over the world He was also an avid publisher writing and publishing many books for the edification of the saints In addition he founded the Moody Bible Institute For more about Moody and more of his books visit us at <http://JawboneDigital.com>
