time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples don't take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriage divorce rate ranges from 41-50% second marriage divorce rate is between 60-67% and third marriage is between 73-74% Information on Divorce Rate and Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able Since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication Letter writing is an old form of communication which is to inform correct and educate In the New Testament there are many letters written by Paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients We never read about their responses or their initial letters to the Apostles Similarly only letters written to the couples are featured in this book Most of the Letters in this book are long term correspondence with the imaginary couples The objectives of the letters are to 1 Encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 Enable the counsellors/pastors to keep their counselees hope alive as long as they are still interested in counselling 3 Help families and friends to keep on supporting the couples in crises Note that some of the letters end with prayer while some didn't The idea is we don't have to impose prayer on people Praying with people is as important as praying for people in absentia We need permission to pray with people but we don't need permission to pray for people while they are not there In both my pastoral and counselling ministries the most prevalent issues are marriage and family matters This book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess It can be used in marriage enrichment groups or as a counsellor/Pastor's handbook The group Leaders/Counsellors or Pastors should not use the book as a weapon of judgment

against anyone but as a means of correction and education The book is calling people who just want a family and not a marriage Many couples lose love in their marriages Love is the greatest gift God gives to people but many people do not accept it They choose anger instead of peace or love from God The book is calling the readers who are making wrong decisions for wrong reasons We should not let bitterness anger frustration alcohol drugs etc ruin our marital relationships The principles of marital solutions in the book focus on God May God bless you as you read the it Shalom *Solve Your Money Troubles* Amy Loftsgordon, Cara O'Neill, 2023-07-25 Struggling with debt Find solutions here Conquering overwhelming debt starts with understanding your options Publisher marketing **Legal Misandry** Conrad Riker, 101-01-01 Are You Tired of Being Treated Like a Second Class Citizen in the Legal System Do you feel like the courts are stacked against you Are you frustrated by the double standards that punish men while rewarding women Have you ever wondered why the law seems to protect everyone but you If so you re not alone Millions of men face these injustices every day and it s time to fight back Discover how the legal system systematically discriminates against men in family court criminal cases and beyond Learn why laws protecting gender identity often conflict with those protecting biological sex creating chaos and danger Understand how false allegations can ruin your life and why accusers rarely face consequences See how custody battles overwhelmingly favor mothers leaving fathers fighting for scraps of time with their children Find out why men receive harsher sentences for the same crimes women commit Explore the hidden biases in domestic violence cases that assume men are always the aggressors Uncover the financial traps of divorce from unfair asset division to lifetime alimony Get the tools you need to navigate a system rigged against you and start fighting for your rights If you want to understand the legal system s bias against men and learn how to protect yourself then buy this book today It s time to stop being a victim and start fighting back **The Wedding Book** Mindy Weiss, Lisbeth Levine, 2016-09-06 The Idea Book The How to Book The Everything Book It s the ultimate wedding planning bible from the ultimate wedding planner From getting engaged to getting to the altar to taking off for your honeymoon to preserving the memories forever this is the book to help you bring your dream wedding to life no matter how big or small your budget The Wedding Book is Your fashion consultant menu planner etiquette expert and floral designer An insider source for stretching budgets and negotiating contracts A digital savvy friend for making the most of Instagram Etsy Pinterest and wedding planning websites and apps A wise shoulder to lean on when sticky family issues come up Whatever the subject cakes stationery dress shopping lingerie tents Uber insurance porta potties party favors the toasts looking great in photos tipping and thank you notes The Wedding Book has the answer Includes lists schedules budgeting tools and timelines **6 Hour Guide to Protecting Your Assets** Martin M.
