Preventing Crime in America and Japan

Robert J. Thornton,Katsuya Endo,1992 *The Japanese Police System Today: A Comparative Study* L.

Craig-Parker,2015-02-12 What role do their respective police systems play in the very different crime rates of Japan and the United States This study draws on direct observation of Japanese police practices combined with interviews of police officials criminal justice practitioners legal scholars and private citizens It compares many Japanese police practices side by side with U S police practices and places the role of the police in the broader cultural and historical Japanese framework

Comparative Youth Justice John Muncie,Barry Goldson,2006-05-15 In this pathbreaking volume Muncie and Goldson bring together leading authors to examine and compare youth justice systems around the world Comparative Youth Justice will be of interest to all criminologists concerned with comparative penal policy and will be essential to all scholars of youth justice Professor Tim Newburn London School of Economics and Political Science and President of the British Society of Criminology Comparative Youth Justice is what we need in an era of hardening social policies and irresponsible political demagoguery thoughtful critiques comparative analysis and a commitment to the rights of youth John Muncie and Barry Goldson have done a fine job of bringing together a group of commentators who know the inner workings of juvenile justice and what it will take to change the current law and order model A book that is required reading for practitioners professors policy makers researchers and students concerned about the bankrupt state of juvenile justice and willing to consider new ideas and directions Tony Platt California State University Sacramento With contributions from leading commentators from 13 different countries this carefully integrated edited collection comprises the most authoritative comparative analysis of international youth justice currently available However Comparative Youth Justice is not simply an attempt to document national similarities and differences but looks critically at how global trends are translated at the local level This book also examines how youth justice is implemented in practice with a view to promoting change as well as reflection Each chapter addresses key critical issues the degree of compliance with international law the extent of repenalstion adulteration tolerance the impact of experiments in restoration and risk management This book is designed as a companion volume to Youth Crime and Justice edited by Barry Goldson and John Muncie published simultaneously by SAGE Publications This is a brilliant set of edited volumes that will be an indispensable and timely source of information and analysis for anyone with an interest in issues of youth justice and comparative criminology David A Green Oxford University [The Blackwell Companion to Criminology](#) Colin Sumner,2008-04-15 The Blackwell Companion to Criminology provides a contemporary and global resource to scholarship in both classical and topical areas of criminology Written accessibly and with its international perspective and first rate scholarship this is truly the first global handbook of criminology Editors and contributors are international experts in criminology offering a comparative perspective on theories and systems Contains full discussion of

key debates and theories the implications of new topics studies and ideas and contemporary developments Coverage includes class gender and race criminal justice juvenile delinquency punishment mass media international crimes and social control

Handbook of Crime Prevention and Community Safety Nick Tilley,2013-05-13 This book provides a comprehensive authoritative and wide ranging account of the background theory and practice of crime prevention and community safety It will be essential reading for anybody with interests in these fields and will be the major work of reference on this subject for those engaged in the practice study or teaching of crime prevention The book provides a detailed overview of the main theories and perspectives informing crime prevention policy and practice and includes chapters covering efforts to address a number of the main types of crime problem It also includes chapters relating to research methodologies used in conducting and evaluating crime prevention initiatives

The Handbook of Knowledge-Based Policing Tom Williamson,2008-04-30 Recent trends within community policing suggest that the next generation of community policing will be more knowledge based involving a shift toward a problem oriented and strategic use of information as a basis for management and better use of police resources The Handbook of Knowledge Based Policing examines how knowledge based policing can improve the effectiveness equity and efficiency of community policing With contributions from a mix of academics and practitioners this volume Critically evaluates the effectiveness of community policing in seven countries Discusses intelligence led policing and the emergence of knowledge based policing Examines the impact knowledge based policing will have on policing initiatives Discussions are set firmly within the context of current debates on risk and the risk society the broadening or narrowing of the police role the importance of networks and governance and regulation This comprehensive collection identifies the factors that will shape the next generation of Community Policing It is a must have resource for researchers and students of policing policy makers and police officers It will also be of interest to the growing number of people actively involved in crime and disorder partnerships

The SAGE Handbook of Modern Japanese Studies James D Babb,2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

The Japanese Way of Justice David Ted Johnson,2002 The major achievements of Japanese criminal justice are thus inextricably intertwined with its most notable defects and efforts to fix the defects

threaten to undermine the accomplishments BOOK JACKET *Japan as a Low-Crime Nation* D. Leonardsen, 2004-08-20

Criminologists have despaired that modernization and crime are inseparable The more modern we become the more criminal Japan has long been seen as an exception to the rule The reasons for this however have not been well understood In this book the independent value of culture is explored to reveal new insights The author finds that while it remains the case that crime reduction may come at some cost to individual autonomy the West can learn from Japan to reduce the social harm of too much freedom Instead of endless crime prevention programs through social engineering policy makers could pay more attention to sociological insights concerning responsibility obligations and collective identities **Crime Prevention** Henry Shaftoe, 2017-03-14 Much of the debate about how to prevent crime feeds off misinformation and moral panics This lively and thought provoking book aims to get to the core of the debates surrounding the prevention of crime Taking an interdisciplinary approach to this complex topic it illustrates the key role to be played in the prevention of crime by a number of professions such as housing managers planners teachers youth workers social workers health visitors and equally importantly by lay citizens Accessibly written and introducing a wide range of theories and issues from both academic literature and field based research Crime Prevention provides a balanced and wide ranging account for all concerned with crime and its prevention **Crime in Japan** Laura Bui, David P. Farrington, 2019-04-03 This book reviews research on psychology and crime in Japan and compares the findings with similar research conducted in Western industrialised countries It examines explanations for crime and antisocial behaviour in Japan using research and theories from a psychological perspective Topics covered include cultural explanations developmental and life course criminology family violence and family risk factors youth crime and early prevention school factors and bullying mental disorders biosocial factors psychopathy and sexual offending In some parts it challenges and refines the prevailing belief that Japan is a society characterised by low crime and little antisocial behaviour This original project is the most up to date work on crime in Japan and advances the important field of psychological criminology **Comparative Criminology in Asia** Jianhong Liu, Max Travers, Lennon Y.C. Chang, 2017-07-15 This edited volume presents the diversity of comparative criminology research in Asia and the complex theoretical and methodological issues involved in conducting comparative research With contributors both from the West and the East exploring these questions the Editors have created a balanced resource as well as set an agenda for future research The increasing pace of globalization means that researchers should be armed with an understanding of how criminal justice systems work across the world In the past comparative research largely compared Western countries to each other or involved researchers from a Western perspective examining an Asian country with models and theories developed in the West considered to have universal applications This work aims to correct that gap by providing a critical examination of comparative research presenting quantitative and qualitative research data and asking new questions that challenge prevailing research norms and provide an agenda for future research This work will be of interest for researchers

across the field of Criminology particularly those with an interest in International and Comparative Research research on or about Asia and related disciplines such as Sociology Demography and Social Policy This fine collection that goes to the rich distinctiveness of Asian criminology The editors have brought together a wonderful collection of authors mainly from the region The distinctiveness of values and relational practices in Asia are recurrent themes that are well developed in this book and help us to make sense of patterns of crime and criminal justice in Asia John Braithwaite Australian National University What theoretical methodological and practical issues must we confront in conducting cross cultural studies encompassing Western and Asian countries Comparative Criminology in Asia discusses these issues and presents exemplary comparative research The introductory chapter and the introduction to each part by the co editors are lucid and highly educational This collection must be required reading for every serious scholar and aspiring graduate student in Asian countries so that criminological and criminal justice studies will be brought to a much higher level o f sophistication Setsuo Miyazawa UC Hastings Can there be and should there be a distinctive Asian criminology What would this involve The answer depends on what one thinks of the universalistic explanatory claims of Western criminology Will these claims become self fulfilling as these societies add to colonial influences a more deliberate borrowing of criminal justice models and established ways of pursuing discipline of criminology Or will a more critical spirit prevail This welcome edited collection by Liu Travers and Chang provides an excellent starting point for reflecting on these and other questions Rather than attempting to provide descriptions of the variety of similarities and differences in this region though there are some fascinating case studies of these the focus is even more on exploring the theoretical approa ches and methodologies used in comparing institutional and cultural differences by Asian criminologists and others David Nelken King s College London Criminologists can no longer ignore the impact of globalization on the pattern and amount of crime as we experienced recently nor can we ignore the global change of criminal justice policies to deal with crime There is therefore a desperate need to collect data on how crime and criminal justice are influenced by globalization across Asian countries On the other hand there are debates on the issue of culture specific vs pan culture theories of crime This collection addresses both issues in an interesting way Its publication is timely and welcome Chuen Jim Sheu National Taipei University *Policing Across the World* R.I. Mawby,2013-04-15 This wide ranging text provides an overview of policing across different societies and considers the issues facing the US and British police in a wider international context The book is designed as a coherent introduction to the police **Cultural Criminology Unleashed** Jeff Ferrell,Keith Hayward,Wayne Morrison,Mike Presdee,2016-04-15 This book brings together cutting edge research across the range of meanings of the term cultural A landmark text on the crime culture nexus its editors and authors include the leading exponents of cultural criminology on both sides of the Atlantic *Linking Community and Corrections in Japan* Elmer Hubert Johnson,Carol H. Johnson,2000 COMPLETING ELMER H JOHNSON S impressive three volume examination of corrections in Japan *Linking Community and Corrections in Japan* written with the

assistance of Carol H Johnson focuses on the Rehabilitation Bureau's responsibilities regarding probation parole and aftercare as well as the Correction Bureau's role in Japan's version of community oriented corrections In *Linking Community and Corrections in Japan* Johnson first outlines the tasks of the Rehabilitation Bureau then turns to historic and contemporary views of community and corrections In discussions of the probation and parole system for both adults and juveniles he describes in detail the Japanese version of supervision and the return of prisoners to the community One strength of this study is Johnson's impartiality As an investigator he functions as a friend of the court an adviser who is free to conduct an objective pursuit of the fundamental strengths and shortcomings of the Japanese prison system He also follows the Foucauldian dictum With the prisons there would be no sense of limiting oneself to discourses about prisons just as important are the discourses which arise within the prison the decisions and regulations which are among its constituent elements its means of functioning along with its strategies Johnson provides sixty tables two charts and nineteen black and white illustrations *Going to Court to Change Japan* Patricia G Steinhoff, 2014-01-03 Examines the relationship between social movements and the law in bringing about social change in Japan

Different Responses to Violence in Japan and America John P. J. Dussich, 2001 This is perhaps the only book that deals with the differences between response to violence in Japan and America quantitatively and it is the only book that is written jointly by experts in the two countries

Gangs and Youth Subcultures Kayleen Hazlehurst, Cameron Hazlehurst, 2018-01-16 Gangs are growing in many different social economic and political environments coupled with an alarming breakdown of public order Failures to contain or reduce gang crime in European Asian South American African and North American cities may be symptoms of fundamental problems threatening the fabric of many societies The spread of gangs to suburbia and remote locations is a palpable worldwide threat But despite nearly a century of scholarly inquiry into street gangs and youth subcultures no single work systematically reflects on comparative international experiences with gangs *Gangs and Youth Subcultures* takes up this challenge Kayleen Hazlehurst and Cameron Hazlehurst argue that theories of gang behavior in immigrant communities and the influence of transnational crime syndicates are better tested in more than one host society Similar phenomena would be better understood if placed in a comparative context To this purpose the editors assembled expert scholars and policy advisers from North America Europe South Africa and Australasia *Gangs and Youth Subculture* lays the groundwork for an explanation of why gangs continue to grow in strength and influence and why they have spread to remote locations Kayleen Hazlehurst and Cameron Hazlehurst present new findings and innovative preventive strategies in a clear concise fashion No other work brings together experts on gangs and youth subcultures from so many countries As such this trailblazing book will interest scholars and teachers of criminology and sociology justice system administrators as well as law enforcement officers and youth workers internationally

Preventing Crime In America And Japan A Comparative Study Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Preventing Crime In America And Japan A Comparative Study PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Preventing Crime In America And Japan A Comparative Study PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Preventing Crime In America And Japan A Comparative Study free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Preventing Crime In America And Japan A Comparative Study Books

What is a Preventing Crime In America And Japan A Comparative Study PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Preventing Crime In America And Japan A Comparative Study PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Preventing Crime In America And Japan A Comparative Study PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Preventing Crime In America And Japan A Comparative Study PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf,

Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Preventing Crime In America And Japan A Comparative Study PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
