Oriental Question Patricia E. Roy,2011-11-01 Patricia Roy s latest book *The Oriental Question* continues her study into why
British Columbians and many Canadians from outside the province were historically so opposed to Asian immigration
Drawing on contemporary press and government reports and individual correspondence and memoirs Roy shows how British
Columbians consolidated a white man s province from 1914 to 1941 by securing a virtual end to Asian immigration and
placing stringent legal restrictions on Asian competition in the major industries of lumber and fishing While its emphasis is
on political action and politicians the book also examines the popular pressure for such practices and gives some attention to
the reactions of those most affected the province s Chinese and Japanese residents *The Oriental Question* is a critical
investigation of a troubling period in Canadian history It will be of vital interest to scholars of British Columbian and
