

RITUALS OF SURGERY

RICHARD
SELZER

*Author of MORTAL LESSONS and CONFESSIONS OF A KNIFE, uses the same skill that is expected of him in his profession — that of a surgeon. The searing gut-probing, spilling effect of them convolutes the imagination and disquiets the sensibilities in an uncannily pleasing way. **

Body Dysmorphic Disorder Dr Katharine Phillips, 2017-07-12 This landmark book is the first comprehensive edited volume on body dysmorphic disorder BDD a common and severe disorder People with BDD are preoccupied with distressing or impairing preoccupations with non existent or slight defects in their physical appearance People with BDD think that they look ugly even monstrous although they look normal to others BDD often derails sufferers lives and can lead to suicide BDD has been described around the world since the 1800s but was virtually unknown and unstudied until only several decades ago Since then research on BDD has dramatically increased understanding of this often debilitating condition Only recently BDD was considered untreatable but today most sufferers can be successfully treated This is the only book that provides comprehensive in depth up to date information on BDD s clinical features history classification epidemiology morbidity features in special populations diagnosis and assessment etiology and pathophysiology treatment and relationship to other disorders Numerous chapters focus on cosmetic treatment because it is frequently received but usually ineffective for BDD which can lead to legal action and even violence toward treating clinicians The book includes numerous clinical cases which illustrate BDD s clinical features its often profound consequences and recommended treatment approaches This volume s contributors are the leading researchers and clinicians in this rapidly expanding field Editor Katharine A Phillips head of the DSM V committee on BDD has done pioneering research on many aspects of this disorder including its treatment This book will be of interest to all clinicians who provide mental health treatment and to researchers in BDD anxiety disorders eating disorders and other obsessive compulsive and related disorders It will be indispensable to surgeons dermatologists and other clinicians who provide cosmetic treatment Students and trainees with an interest in psychology and mental health will also be interested in this book This book fills a major gap in the literature by providing clinicians and researchers with cutting edge indispensable

information on all aspects of BDD and its treatment Reason and Passion Michael G. Peletz, 2022-07-15 This book provides a historical and ethnographic examination of gender relations in Malay society in particular in the well known state of Negeri Sembilan famous for its unusual mixture of Islam and matrilineal descent Peletz analyzes the diverse ways in which the evocative heavily gendered symbols of reason and passion are deployed by Malay Muslims Unlike many studies of gender this book elucidates the cultural and political processes implicated in the constitution of both feminine and masculine identity It also scrutinizes the relationship between gender and kinship and weighs the role of ideology in everyday life Peletz insists on the importance of examining gender systems not as social isolates but in relation to other patterns of hierarchy and social difference His study is historical and comparative it also explores the political economy of contested symbols and meanings More than a treatise on gender and social change in a Malay society this book presents a valuable and deeply interesting model for the analysis of gender and culture by addressing issues of hegemony and cultural domination at the heart of contemporary cultural studies This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996
