**Evolution 2.0** Martin Brinkworth,Friedel Weinert,2011-10-07 These essays by leading philosophers and scientists focus on recent ideas at the forefront of modern Darwinism showcasing and exploring the challenges they raise as well as open problems This interdisciplinary volume is unique in that it addresses the key notions of evolutionary theory in approaches to the mind in the philosophy of biology in the social sciences and humanities furthermore it considers recent challenges to and extensions of Neo Darwinism The essays demonstrate that Darwinism is an evolving paradigm with a sphere of influence far greater than even Darwin is likely to have imagined when he published On the Origin of Species in 1859 The Humanity of Christ Paul Dafydd Jones,2008-09-01 Drawing on the best English and German language scholarship to date this book offers a novel interpretation of Barth s mature Christology Examining the entirety of the Dogmatics it provides a nuanced analysis of Barth s treatment of the Chalcedonian Definition the enhypostasis anhypostasis pairing and various Protestant scholastic Christological distinctions an examination of the co inherence of Barth s doctrines of God and Christ which contributes to current debates about Barth s doctrine of election and a lengthy account of the Christology of Church Dogmatics IV that foregrounds Barth s understanding of Christ s human involvement in the drama of reconciliation Throughout the text the author shows convincingly that Barth s emphasis on Christ s divinity goes hand in hand with a dogmatically rich and often startling account of Christ s humanity The text does not confine itself to the Church Dogmatics It also situates Barth in the context of the wider Christian tradition and modern western philosophy of religion Thus Barth is set in conversation with a wide range of thinkers including Anselm of Canterbury Martin Luther John Calvin Friedrich Schleiermacher G W F Hegel Gottfried Thomasius and Harry Frankfurt In addition the text makes a number of constructive gestures showing a particular interest in feminist and liberationist trajectories of thought The final chapter considers the standing of Barth s Christology today and its pertinence for theological ethics and political theology **Faith Without Belief** Derek S.
