Rival Roommates:

Rival Roommates Amanda G. Russell, 2025-02-20 Valentina Alvarez's luck seems to have hit rock bottom when she's forced to move to a boarding school. But things only get worse when she discovers she'll be sharing the last available room with none other than Jordan Evans, the school's infamous jock and ladies man. Their initial encounter is explosive, with both Valentina and Jordan making it clear they can't stand each other. But as they're forced to cohabitate, their mutual disdain masks a growing attraction. As they engage in a series of heated battles and witty repartee, the tension between them builds. Valentina and Jordan must confront the undeniable chemistry between them all while navigating the challenges of living together. Is Valentina's luck really as bad as she thinks, or was being paired with Jordan the best thing that's ever happened to her? As they dance around their feelings, will they be able to admit their true desires and take a chance on each other?
