houses divided and demon lords unleashed In the Dominion those allied with the demons of the Shining Court feared the bargain they'd made For to the Kialli betrayal was a way of life and every action was a means to gain greater power And as the Festival of the Moon approached the demon kin began to prey upon those in the Tor Leonne But more frightening than their presence was their gift for the Festival masks created not by human craftsmen but by the Kialli Even the magic and knowledge of the greatest of the Dominion's Widan had been unable to discern what trap the masks contained and time to discover and avert this menace was running out In the Empire the armies were mobilizing for war But before they carried the battle to the Dominion Seer Jewel Aterafin would be forced to follow her own destiny For what she'd seen in vision she could not deny And so Jewel with only Avander to guard her back would abandon House Terafin on the eve of its greatest peril and journey into the darkness which was fast overshadowing the mortal lands And among the Voyani the moment had come to make their final stand against Allasakar Lord of the Hells for they alone had kept to the old ways guarding the ancient knowledge But hounded by their enemies and with one their greatest treasures hidden in the Tor Leonne could they withstand the power of the Shining Court

**The Immortal Renshai** Mickey Zucker Reichert, 2019-05-28

Based on Norse mythology the third installment of the Renshai saga concludes the tale of three brothers caught in a dangerous magical confrontation against which humans and elves must band together to preserve their worlds After a cataclysmic magical confrontation that shakes the very roots of Midgard elves and humans alike struggle to put the pieces of their lives back together But with many among them cast out of their own world and stranded in the Outworlds the chances of rescuing all those lost souls seems very slim While elves can find those of their own race they cannot track humans in the same way Perhaps if the powers of the elves the human mages of Myrcid and the one surviving Kjempemagiska the sorcerer Kentt can be combined they can bring back most of those lost in chaos Saviar Subikahn and Calistin the three Renshai brothers must all face their own personal demons as they attempt to find their destinies in this radically changed world Even the royal family of B'arn will find everything they value placed at risk Only if the brothers their friends family allies and former enemies can find a way to work together will they have any hope of healing Midgard and carving out the path to a better future for all
