Mouse, 2017-08-17 The fairy tales and legends of olden China are as ancient as the land itself They have an oriental glow which can only be found in the orient They glitter like precious stones shine like gold and shimmer like multicoloured silks fluttering in the breeze They contain oriental wealth of fantastic and supernatural action not too dissimilar to the tales in the Thousand and One Nights The 73 stories herein embrace Nursery Fairy Tales Legends of the Gods Tales of Saints and Magicians Nature and Animal Tales Ghost Stories Historic Fairy Tales and Literary Fairy Tales Like the Arabian Nights they will fascinate the young reader and amply repay the attention of the older generations as well Some are exquisitely poetic such as The Flower Elves The Lady of the Moon or The Herd Boy and the Weaving Maiden others like How Three Heroes Came By Their Deaths Because Of Two Peaches carry us back dramatically and powerfully to the Chinese age of Chivalry The summits of fantasy are scaled in the quasi religious dramas of The Ape Sun Wu Kung and Notscha or the weird sorceries unfolded in The Kindly Magician Delightful ghost stories with happy endings such as A Night on the Battlefield and The Ghost Who Was Foiled are paralleled with such idyllic love tales as that of Rose of Evening or such Lilliputian fancies as The King of the Ants and The Little Hunting Dog It is quite safe to say that these Chinese fairy tales will give equal pleasure to the old as well as the young They have been retold simply with no changes in style or expression beyond such details of presentation which differences between oriental and occidental viewpoints at times compel It is the writer's hope that others may take as much pleasure in reading them as he did in their translation 33% of the net profit from the sale of this book will be donated to charities      **Power Shovels : The World's Mightiest Mining and Construction Excavators** Eric C. Orlemann, Power Shovels is a celebration of the land leviathans that have inhabited the open pit mines over the past century Due to their massive size and unbelievable capabilities interest in these machines extends far beyond their role in the extraction of minerals and precious metals Author Orlemann focuses on the super stripper and loading class of shovels Discover how the super stripper can remove vast amounts of earth and place it over a football field away This book reveals design engineering manufacture assembly and operation of these modern and massive shovels      **Flyfisher's Guide to Alaska** Scott Haugen, 2003 From the Arctic to Bristol Bay this book covers all the fabulous fishing opportunities throughout Alaska With this resource anglers can fly into Anchorage rent a camper and be catching trophy salmon and trout within

Martens, Translator,2016-05-31 The fairy tales and legends of olden China have in common with the Thousand and One Nights an oriental glow and glitter of precious stones and gold and multicolored silks an oriental wealth of fantastic and supernatural action And yet they strike an exotic note distinct in itself The seventy three stories here presented after original sources embracing Nursery Fairy Tales Legends of the Gods Tales of Saints and Magicians Nature and Animal Tales Ghost Stories Historic Fairy Tales and Literary Fairy Tales probably represent the most comprehensive and varied collection of oriental fairy tales ever made available for American readers There is no child who will not enjoy their novel color their fantastic beauty their infinite variety of subject It is the writer s hope that others may take as much pleasure in reading them as he did in their translation *Stratigraphic Revision of Upper Miocene and Lower Pliocene Beds of the Chesapeake Group, Middle Atlantic Coastal Plain* Lauck W. experiences on a daily basis birds learning to fly and caterpillars turning to butterflies and he wonders what type of change will occur within himself He thinks Will it bring me to a deeper sense of personal understanding As he faces his fears and learns to accept these new changes Star grows in ways he never imagined possible      **Decisions and Orders of the National Labor Relations Board** United States.
