River with No Bridge Sue Sumii, 2011-12-27 The River With No Bridge Hashi no nai kawa explores with outspoken frankness a subject still taboo in Japan the intolerance and bigotry faced daily by Japan's largest minority group the burakumin Racially no different from other Japanese over the centuries burakumin have been cruelly ostracized for their association with occupations considered defiling Spanning the years 1908 to 1924 the original six volumes of this novel trace the developing awareness of burakumin of their rights and dignity as human beings Volume 1 translated into English for the first time in 1990 is a story about childhood in a burakumin village It tells of young Koji Hatana's questioning of the rigid social order and his growing sense of injustice as he meets prejudice from other children at school and from his teachers who try to instill in him their belief that since he was born defiled he should resign himself to his fate Told against the backdrop of Japan's struggle to shed its feudalistic past and enter the modern age the novel is a courageous work and a compelling read

The Battle of the Frigidus River, AD 394 Nic Fields, 2024-07-31 Nic Fields draws on detailed knowledge of available sources and his own visits to the battlefield to set the battle within the context of its political situation and religious impact upon history The Battle of the Frigidus River fought on 5 and 6 September 394 in what is now Slovenia was a crucial clash between the Eastern Roman emperor Theodosius later the Great and the usurper Eugenius who had seized power in the Western Empire The battle was hard fought and lasted two days At the end of the first Theodosius was on the brink of defeat but the following day a great wind blowing against his enemy resulted in him securing a decisive victory Eugenius like Theodosius was a Christian but unlike Theodosius he was tolerant of pagans so this wind was seen as miraculous and the victory was attributed to God's favour Nic Fields narrative sets the battle in the context of the political situation within the empire and the campaigns leading up to this pivotal showdown The armies of both protagonists are described the tactics and strategy of the time discussed Drawing on his detailed knowledge of the sources the latest

research and his own visits to the battlefield and surrounding terrain the author then recounts the battle itself Importantly he reveals the natural phenomenon behind the miracle that saved Theodosius Finally the author analyzes and assesses the aftermath and consequences of this significant clash which included Eugenius execution and the temporary reunification of the Eastern and Western Roman empires The Roman Empire James W. Eder, 2018-05-01 Covering material from the time of Julius Caesar to the sack of Rome this topically arranged reference set provides substantive entries on people cities government institutions military developments material culture and other topics related to the Roman Empire The Roman Empire was one of the greatest and most influential forces of the ancient world and many of its achievements endure in one form or another to this day Because of its geographic breadth cultural diversity and overall complexity it is also one of the most difficult organizations to understand This book focuses on the Roman Empire from the time of Julius Caesar to the sack of Rome While most references on the Roman world provide a series of alphabetically arranged entries this work is organized in broad topical chapters on government and politics administration individuals groups and organizations places events military developments and objects and artifacts Each section provides 20 to 30 substantive entries along with an overview essay The work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources *Five Roman Emperors* Bernard William Henderson, 1927 Beyond the River, Under the Eye of Rome Timothy C Hart, 2024-09-05 Beyond the River Under the Eye of Rome presents the Danube frontier of the Roman empire as the central stage for many of the most important political and military events of Roman history from Trajan s invasion of Dacia and the Marcomannic Wars to the humbling of the Roman state power at the hands of the Goths and Huns Hart delves into the cultural and political impacts of Rome s interactions with Transdanubian peoples emphasizing the Sarmatians of the Hungarian Plain whose long encounter with the Roman Empire he argues created a problematic template for later dealings with Goths and Huns based on misapplied ethnographic and ecological tropes Beyond the River Under the Eye of Rome explores how Roman stereotypical perceptions of specific Danubian peoples directly influenced some of the most politically significant events of Roman antiquity Drawing on textual inscriptional and archaeological evidence Hart illustrates how Roman ethnic and ecological stereotypes were employed in the Danubian borderland to support the imperial frontier edifice fundamentally at odds with the region s natural topography Distorted Roman perceptions of these Danubian neighbors resulted in disastrous mismanagement of border wars and migrant crises throughout the first five centuries CE Beyond the River demonstrates how state supported stereotypes when coupled with Roman military and economic power exerted strong influences on the social structures and evolving group identities of the peoples dwelling in the borderland *China Twenty-four Histories (Complete Translation)* Li Shi, The Twenty Four Histories Chinese are the Chinese official historical books covering a period from 3000 BC to the Ming dynasty in the 17th century The Han dynasty official Sima Qian established many of the conventions of the genre Starting with the Tang dynasty each dynasty established an official office to
