Light Beyond the River Janis Constable, 2022-08-18. Humanity meets Sacred. Wisdom meets story. A creative nonfiction message in a uniquely fictional setting. *Light Beyond the River* is an experiential read and it is deeply contemplative in the same breath. Join Lyra, nurse by profession and poet by passion, on the Spiritual Formation Odyssey of a lifetime. Newly retired, Lyra goes for a daylong walk to clear her head. She hikes in the woods near her home by the river. There she meets a motley crew: seven Celtic mystical voices, animals, birds, and a fish who teach her seven invaluable life lessons. Deeper themes of becoming, of shining brightly, of encountering the Sacred are artfully braided, interlaced, and woven. The ending, the coda, is unexpected, twisted. It will most certainly make you think. Come now and live vicariously in Lyra's contemplative life. Immerse yourself in the depths of holy wonderment. Slowly, slowly, enter into every word. Lose yourself, find yourself on a delightful Celtic Christian journey. Let curiosity drive you, let your faith guide you. May you be opened, may you be awed into the world of fine contemplative literature. Let *Light Beyond the River* nurture the Sacred in you. Amen. *Routledge Companion to Shen Congwen* Gang Zhou, Sihe Chen, Zhang Xinying, Jeffrey C. Kinkley, 2019-06-07. This volume is about studies of Shen Congwen, 1902-1988, one of the most important writers in modern China, but more importantly, it is about how Shen Congwen has been received in and beyond Mainland China. By presenting the best literary criticism on Shen Congwen in Mainland China over the past 80 years and views of how Shen Congwen has been understood, interpreted, and appreciated in Japan, the US, and Europe, the editors propose a new way to approach the topics of canonical writers, modern Chinese literature, and world literature. This is itself a translated project. Its Chinese edition appeared in May 2017. The bilingual rendering of the best criticism of Shen Congwen from a global perspective intends to initiate and advance dialogues between Chinese and English language scholarly communities. We strive to explore the complexities of worldwide images and interpretations of Shen Congwen. By calling attention to the foreign spaces into which overseas Shen Congwens and modern Chinese literature are reborn as world literature, we acknowledge and celebrate the study of Shen Congwen and modern Chinese literature as ongoing and endless cross-cultural dialogues and manifestations. *The Writers Directory*, 2003. *Beyond The Silver River* Jimmy Burns, 2011-12-01.
