Origin of Woman

Sam Kneller, In no country around the world are women treated with equality Patriarchy is rampant and affects women physically economically and professionally Will the equal rights movements obtain justice Are women destined to be a second class gender or will they become equal citizens Women have so much to offer society They are teachers family builders listeners peacemakers counselors In the COVID 19 crisis what would we do without their compassion caring sharing and support What lurks behind closed doors with male chauvinism is unspeakable Reported violence and statistics do not tell the story of mental heartbreak insults ignorance and hardship Scars that mar little girls for life secrets of obsessions passions and overpowering impositions All we know is but the tip of the iceberg Women aspire to warm relationships between the genders They want loving homes fulfilling roles in society support in parenting partnerships for our children A woman craves sensitivity empathy being understood emotional connection They desire a gentleman compliments conversation looking into their eyes romance and appreciation How long can we afford to have gender war suspicion the waning of binding relationships Online masculine domination in pornography and match making for fast sex could be pounding the final nail in the coffin How can we not only save the genders from one another but draw them closer together If men don t participate in this challenge it s a lost cause Marcel R says about the author s approach to this commentary on Genesis 2 based on Biblical Hebrew A good lesson on word meanings and how to study them It is not always what we think or what we have been taught We need to understand what the authors meant when they wrote this It s clarification time If you ve got an open mind and are looking for forthright insight into a controversial subject then you need to get Origin of Woman It answers the question where did woman come from It reveals their equality with the masculine gender but their marked differences as well and why Get the book and discover the astonishing potential of women and their essential role in the 21st century
