## **Rivers Of Darkness:**

**River of Darkness** Buddy Levy, 2022-04-05 The acclaimed author of *Labyrinth of Ice* charts the legendary sixteenth century adventurer's death-defying navigation of the Amazon River. In 1541 Spanish conquistador Gonzalo Pizarro and his lieutenant Francisco Orellana searched for La Canela, South America's rumored Land of Cinnamon and the fabled El Dorado, the golden man. Quickly the enormous expedition of mercenaries, enslaved natives, horses, and hunting dogs were decimated through disease, starvation, and attacks in the jungle. Hopelessly lost in the swampy labyrinth, Pizarro and Orellana made the fateful decision to separate. While Pizarro eventually returned home in rags, Orellana and fifty-seven men continued into the unknown reaches of the mighty Amazon jungle and river. Theirs would be the greater glory. Interweaving historical accounts with newly uncovered details, Levy reconstructs Orellana's journey as the first European to navigate the world's largest river. Every twist and turn of the powerful Amazon holds new wonders, and the risk of death. Levy gives a long overdue account of the Amazon's people, some offering sustenance and guidance, others hostile, subjecting the invaders to gauntlets of unrelenting attacks and signs of terrifying rituals. Violent and beautiful, noble and tragic, *River of Darkness* is riveting history and breathtaking adventure that will sweep readers on a voyage unlike any other. Praise for Buddy Levy and *River of Darkness*: In *River of Darkness*, Buddy Levy recounts Orellana's headlong dash down the Amazon. Like Mr. Levy's last book, *Conquistador*, about the conquest of Mexico, *River of Darkness* presents a fast-moving tale of triumph over seemingly insurmountable odds. Though impromptu, the expedition was one of the most amazing adventures of all time. *Wall Street Journal*: An exciting, well-plotted excursion down the Amazon River with the early Spanish conquistador. A richly textured account of the rogue rebel and visionary whose discovery still resonates today. *Kirkus Reviews*: A rollicking adventure. Levy successfully conveys the Amazon's power and majesty while shedding light on the futility of humanity's attempt to tame it. *The A V Club*

**A Poemers' Poemings** Marjory Bennett, 2018-02-15 I chose the title *A Poemers' Poemings* because it means for me that of someone to whom is always writing about something anything. And it's odd and catchy at the same time, and it's the main title for the series that I am writing in volumes too many to put all into one book. I think of my poems all as individual artworks, own a completeness from start to finish, a journey, a path, a message that will inspire, mesmerize, intrigue, and take you to that deepness that hasn't been felt or known of your own self. Allow yourself to think out there and to see what each one is telling you. Envision the poem and let yourself see the answers to your own thoughts of these pieces of artworks.

**River of Mountains** Peter Lourie, 2023-11-15 Lourie completed his trip It took him three weeks and marked the first time anyone has traveled from the source of the Hudson to the mouth in a single vessel The Hudson proved to be a very changeable river It includes seven locks and nine power dams The northern half is a true river with strong current but the lower half is tidal a sunken river from the days of glaciers In its first 165 miles it drops more than 4 000 feet to Albany The second half falls no more than a foot Lourie s account of his trip is a fresh look at one of America s great and complex waterways one of the few in fact that still contains its historical and biological species of fish It is also the longest inland estuary in the world Henry Hudson called it the great river of the mountains Nowadays too often the Hudson is stereotyped as a ruined polluted industrial river Its glorious past is compared to its present neglect In River of Mountains Peter Lourie combines the Hudson s rich history and descriptions of some of the region s most impressive landscape with the residents of its mill towns the loggers commercial fishermen and barge pilots all of whom are proof that the river is still a thriving vital waterway So come with Peter Lourie on his trip come explore with him from a canoe one of this country s great rivers join him in his wonderful adventure
