Rivers Of Gold A True Yukon Story

Stan Leaming, Richard Dennis Hudson

Rivers Of Gold A True Yukon Story:

Rivers of Gold Gwen Lee, Don Lee, 2004 A warm friendly description of the Lee Family's very real experiences with nature and today's Canadian north. Marauding bears, flash floods and bone chilling winter supply trips are just a few of the challenges in this modern quest for Klondike gold. **M.D.K. Weimer's True Story of the Alaska Gold Fields** M. D. K. Weimer, 1903 **Jade Fever** Stan Leaming, Richard Dennis Hudson, 2005 Beautiful translucent and indestructible jade has a mystique that's captivated people since Neolithic times. Stan Leaming, Canada's leading jade geologist, was fascinated by this unusual gem; he is credited with pioneering the emergence of the jade industry in British Columbia. Leaming shares his unique insight into the science and magic of jade in this passionate exploration of the green stone's development from prehistoric tool to object d'art. The reader is invited along with Leaming, a fascinating subject in himself, on a trip around the world as he hunts for the stone of heaven throughout BC and Canada, the United States, Mexico, Europe, Siberia, China, and even Down Under where black jade is found. This book examines jade's appeal as a global industry, a divine inspiration, a medium for artistic expression, and even as a precipitator of some bizarre crimes. Rockhounds, casual and serious, will appreciate this comprehensive celebration of jade, enhanced with maps and photographs. The 16-page colour section includes photos of jade art by Lyle Sopel, Deborah Wilson, and other incredible sculptors. **The True Life Story of Swiftwater Bill Gates** Iola Beebe, 1908 **The true story of Gabriel Michael Santorum** Albert Ebstein, 2016-06-06 No one had ever been so far in alternative history and even changed our own History into a parallel or rewritten History which would come and crush the first, the True one, in order to take its place. For what reasons? By what means? This book, which will remain a fiction as long as its last prediction is not completed, clearly explains. If you are an atheist, you will be glad to learn that the religions of the Book are the result of a huge manipulation of future whose aims have served a desperate cause thanks to a providential technical innovation. This sacrilegious book takes place in a dimension which has been neglected for too long; the time and deciphers an unimaginable truth. On its way, it demythologizes the flying objects from the past long before aircraft by identifying them not as extraterrestrial vehicles but as aircraft come from the Future of the Earth itself. It is the end of an immense taboo which opens the way to a future permanently interacting with a past that we believed unique so far. This book is a major progress in the dimension of time which links Man to a Future he has already lived. **Yukon River Ghost** Keith Halliday, 2008-04 The Yukon kids, Aurore and Kip, take a trip down the Yukon River and discover a gold rush ghost town that seems to have a ghost. The kids use their sleuthing skills to solve the mystery at Canyon City. Set in 1902, after the Klondike gold rush has ended. Illustrated with photographs from the MacBride Museum collection. **The Spirit of Missions**, 1896 Includes the proceedings of the annual meeting of the Society. **Fodor's See It Canada, 1st Edition** Fodor's, 2004-06 NEW SERIES This new series beats out DK Eyewitness guides by emphasizing strong graphic design while also supplying much more practical information than DK, including how to get around, insider travel tips, and hundreds of reviews for hotels and

restaurants **Mad Trapper of Rat River** Dick North,2005-12-01 The Arctic trails do indeed have their secret tales and one of the best is that of The Mad Trapper of Rat River equal to the legends of Bonnie and Clyde or John Dillinger Now author Dick North of course may have solved the mystery of the Mad Trapper s true identity thereby enhancing the saga Thomas McIntyre author of Seasons Days A Hunting Life A courageous and unrelenting posse on the trail of a furious and desperate wilderness outlaw Lean and bloody meticulously researched The Mad Trapper of Rat River is a dark and haunting story of human endurance adventure and will that speeds along like the best fiction Bob Butz author of Beast of Never Cat of God They called it The Arctic Circle War It was a forty eight day manhunt across the harshest terrain in the world the likes of which we will never see again The quarry Albert Johnson was a loner working a string of traps in the far reaches of Canada s Northwest Territories where winter temperatures average forty degrees below zero The chase began when two Mounties came to ask Johnson about allegations that he had interfered with a neighbor s trap No questions were asked Johnson discharged the first shot through a hole in the wall of his log cabin When the Mounties returned with reinforcements Johnson was gone and The Arctic Circle War had begun On Johnson s heels were a corps of Mounties and an irregular posse on dogsled Johnson on snowshoes seemed superhuman in his ability to evade capture The chase stretched for hundreds of miles and during a blizzard crossed the Richardson Mountains the northernmost extension of the Rockies It culminated in the historic shootout at Eagle River *Canadian Books in Print.
