## Rivr Parade:

**San Antonio** Nancy Haston Foster,1999-03-01 This easy to use guide gives you the history highlights and hot spots of the nation s eighth largest city You get extensive listings of historical places annual events restaurants accomodations shopping areas and more *Insiders' Guide® to San Antonio* Paris Permenter,John Bigley,2011-10-18 Your Travel Destination Your Home Your Home To Be San Antonio Stroll along the River Walk and grab a bite to eat Relive history at the Alamo Experience the exotic blend of Texas frontier and Mexican marketplace A personal practical perspective for travelers and residents alike Comprehensive listings of attractions restaurants and accommodations How to live thrive in the area from recreation to relocation Countless details on shopping arts entertainment and children s activities The Los Angeles River Blake Gumprecht,2001-04-30 Winner of the J B Jackson Prize from the Association of American Geographers Three centuries ago the Los Angeles River meandered through marshes and forests of willow and sycamore Trout spawned in its waters and grizzly bears roamed its shores The bountiful environment the river helped create supported one of the largest concentrations of Indians in North America Today the river is made almost entirely of concrete Chain link fence and barbed wire line its course Shopping carts and trash litter its channel Little water flows in the river most of the year and nearly all that does is treated sewage and oily street runoff On much of its course the river looks more like a deserted freeway than a river The river s contemporary image belies its former character and its importance to the development of Southern California Los Angeles would not exist were it not for the river and the river was crucial to its growth Recognizing its past and future potential a potent movement has developed to revitalize its course The Los Angeles River offers the first comprehensive account of a river that helped give birth to one of the world s great cities significantly shaped its history and promises to play a key role in its future **Everybody's Cyclopedia** Charles Leonard-Stuart,1912 **Gone Forever** Diane Fanning,2007-04-01 A San Antonio woman s baffling disappearance leads police to suspect her husband of murder in this dramatic true crime expos Susan McFarland was a vivacious successful mother of three young sons On November 25 2002 she disappeared Three days later her car was found keys in the ignition Later that day her husband reported her missing and a desperate search began Her friends and family hoped against hope that Susan was not gone forever But investigators became increasingly suspicious of Richard McFarland When the charred decomposed body of Susan McFarland was finally discovered at an overgrown farmstead outside of San Antonio a new hunt began for justice McFarland maintained his innocence and investigators only had circumstantial evidence against him While headlines screamed out new details in the case and police tried to gather more evidence a blockbuster trial was about to begin Then Richard McFarland finally spoke and a terrifying chilling truth came out American Venice Lewis Fisher,2015-02-23 In American Venice The Epic Story of San Antonio s River Lewis F Fisher uncovers the evolution of San Antonio s beloved River Walk He shares how San Antonians refused to give up on the vital water source that provided for them from before the city s beginnings In 1941 neglect civic

uprisings and bursts of creativity culminated in the completion of a Works Projects Administration project designed by Robert H H Hugman The resulting River Walk languished for years but enjoyed renewed interest during the 1968 World s Fair held in San Antonio and has since become the center of the city s cultural and historical narrative The real story of the River Walk is a bit less Hollywood but far more interesting With a growing number of cities facing issues of water supply urban runoff flooding and ways of rebuilding better after a disaster the San Antonio River Walk remains a great example of getting it right writes Irby Hightower co chair of the San Antonio River Oversight Committee In this updated and expanded edition of River Walk The Epic Story of San Antonio s River Fisher offers more fascinating stories about the River Walk s evolution bringing to light new facts and sharing historical images that he has since discovered The update includes information about the Museum and Mission Reaches two expansions of the River Walk that are vital to San Antonio s continued growth as the seventh largest city in the country Fisher starts his story with the first written records of the river in the 1690s and continues through the 1800s and the flood of 1921 to debates over transforming the river and its eventual role as the crown jewel of Texas and finally to its recent expansion More than a community attraction the River Walk s banks are also a giant botanical garden full of plants and trees Indeed the American Society for Horticulture has named the River Walk a Horticultural Landmark As Fisher says the River Walk remains a work in progress one forever precarious and unfinished yet standing before the world as a triumph of enterprise and human imagination

San Antonio River Channel Improvement ,1972 *Official U.S. Bulletin* ,1918 *Trends* United States. National Park Service,1994 **Explorer's Guide Virginia Beach, Richmond and Tidewater Virginia** Renee Wright,2011-10-17 The definitive comprehensive guide to Virginia Beach Richmond and surrounding areas with hundreds of lodging dining and recreational recommendations Explore this vital region Virginia Beach and Richmond the state capitol Author Renee Wright offers extensive coverage of Colonial Williamsburg historic James town and Norfolk home to the great Atlantic Fleet Includes special sections on Civil War battlefields maritime history Hampton Roads quadricentennial and bird watching opportunities in the region **The Index** ,1909 **Papers Relating to the Foreign Relations of the United States** United States. Department of State,1906 San Antonio San Antonio Express-News,2015-10-19 On Sept 27 1865 the San Antonio Express News made its debut And from the beginning there was plenty to write about The Civil War had just concluded and it was only twenty nine years after the fall of the Alamo The Chisholm Trail the high road of the Cattle Kingdom began in San Antonio which was the largest and among the most diverse cities in Texas Spanish German and English were commonly spoken The politics were lively and sometimes divisive as the city was full of Unionist sympathizers in a state that was an anchor of the Confederacy Today 150 years later San Antonio is America s fastest growing big city and still making history San Antonio is a richly illustrated compilation of more than 150 years of coverage on the history and culture of the city as told in the pages of the San Antonio Express News From local politics to news stories on the military energy water use the border and immigration that reverberate nationally and internationally to the recent naming of San Antonio s five Spanish missions as a World Heritage site the city has always been a place where the American identity is forged This book tracks the city s past from 1865 until 2015 and is full of evocative pictures and compelling accounts culled from the Express News archives The collection celebrates companies that shaped the city such as Frost Bank which began extending credit in 1867 the Sisters of Charity of the Incarnate Word founders in 1869 of what is now the Christus Santa Rosa Health System and subsequently their namesake university and H E B grocery This is not a standard civic history or a straightforward march through the decades Loosely organized by theme the stories in

the collection are often quite often surprising just like San Antonio itself As anyone who has spent time in the city knows this is a place with a soul

**Connecticut's Fife and Drum Tradition** James Clark,2012-01-01 The state of Connecticut boasts an extensive and active community of fife and drum groups This musical tradition has its origins in the small military bands maintained by standing armies in Britain and Europe in the seventeenth and eighteenth centuries the drum was especially important as it helped officers train soldiers how to march and was also used to communicate with troops across battlefields Today fifers and drummers gather at conventions called musters which may include a parade and concerts featuring the various participating corps According to the Guinness Book of World Records the largest muster ever was held in Deep River Connecticut in 1976 Musician and historian James Clark is the first to detail the colorful history of this unique music This engaging book leads the reader through the history of the individual instruments and tells the story of this classic folk tradition through anecdotes biographies photographs and musical examples
