Road Trip To The Heart Of Reality:

A Road Trip Into America's Hidden Heart - Traveling the Back Roads, Backwoods and Back Yards John Drake Robinson, 2012-11 He bought the car a dozen years ago Together they traveled every mile of every road on his highway map a 250 000 mile journey to discover the real America beyond the interstate Real people Obscure places Forgotten facts His story unfolds in Missouri but it could be about any state any traveler who drives into America s hidden heart **MTV Road**

Trips U.S.A. John Vorwald, Dara Bramson, Kelsy Chauvin, Maya Kroth, Nick Honachefsky, Ashley Marinaccio, 2007-06-05 Roadtripping across the country has been a rite of passage for generations From Jack Kerouac and Neal Cassady s On the Road to Easy Rider to Thelma and Louise the journey is the destination and in Frommer s MTV US Roadtrips the old school travel guides and cutting edge authors combine their talents and resources for 10 eclectic rides Maya Kroth pursues the cue from Austin to Charlotte in a Southern BBQ Roadtrip Ethan Wolff visits the Desert Southwest on the trail of the first Americans Ashley Marinaccio stays at haunted hotels in search of the unexplained and paranormal in the Weird Northeast Our other authors go everywhere from Down the Shore through the Urban Heartland and on a tour of West Coast Underground Rock Clubs **The Road Warrior After God's Own Heart** Bryan Paul Buckley, 2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty **To the Heart of It** Maxine Platt, 2003 In April 2002 I went to New York with four co workers to volunteer at Ground Zero for a week At the time I was the director of an AmeriCorps program in Wisconsin I announced this opportunity to the AmeriCorps members serving in my program and then coordinated the trip for those who were able to come I knew this experience would change my life so I brought a journal with me to record my thoughts and experiences I wanted to remember what it was like when I was there so I brought the journal with me everywhere I went and wrote in it every opportunity I had Reading it can be difficult for me but I do it when I feel the need to reflect I wanted to write out the notes of my journal because I needed to release my feelings from Ground Zero I also felt it was important to share this experience with others Many of my loved ones asked me what it was like volunteering at Ground Zero but I couldn t verbalize it this memoir is a recollection of what I experienced while in New York based on my journal I changed some of the names to respect the privacy of those I met To separate the time I spent exploring New York and time at Ground Zero boldface type

highlights time spent at Ground Zero Because it was such an emotional experience for me and because I experienced a lot some details are fuzzy but this is how I remember New York and Ground Zero This is my experience from the bus trip to volunteering at Ground Zero and exploring New York *Stranger In My Heart* Mary Monro,2018-06-09 *Stranger In My Heart* is about the search for understanding oneself answering the question Who am I by seeking to understand the currents that sweep down the generations eddy through one's own persona and continue on palpable but often unrecognised My father fought at the Battle of Hong Kong in December 1941 was taken prisoner by the Japanese and then escaped in February 1942 making his way across 1200 miles of inhospitable country to reach China's wartime capital at Chongqing Seventy years later I retraced his steps in an effort to understand a man who had died when I was 18 leaving a lot of unanswered questions behind My book is the quest that I undertook to explore my father's life in the context of the Pacific War and our relationship with China A picture of a man of the greatest generation slowly unfolds a leader a 20th Century Great but a distant father As I delve into his story and research the unfamiliar territory of China in the Second World War the mission to get to know the stranger I called Dad resolves into a mission to understand how my own character was formed As I travel across China the traits I received from my father gradually emerge from their camouflage The strands of the story are woven together in a flowing triple helix with biography travelogue and memoir punctuated with musings on context and meaning **Moon Yellowstone to Glacier National Park Road Trip** Carter G.
