Work of this 4.556 km long bridge 36 x 123m 2 x 64m commenced on 3rd February 2003 and was dedicated to the nation on 12th March 2016 by Hon'ble Prime Minister. I was fortunate of being involved with this project during its last phase till commissioning. Documenting experiences during construction is a good practice. The present book is a step towards this which deals with the various aspects encountered during construction and covers entire technical aspects since stage of conception till completion including in course changes, improvements supported by design drawings.
