Road To Jerusalem Glubb Pasha Palestine And The Jews:

The Road to Jerusalem Benny Morris, 2003-10-03 General Sir John Glubb was the last British pro Consul of the region and commander of the Arab Legion during the crucial years between 1936 and 1956 which were to witness the collapse of Palestine and the final foundation and establishment of the State of Israel As well as an analysis of Glubb's personal vision of the Middle East and its peoples a surprisingly racial vision that would condition his politics this book examines his reactions to the Arab Revolt in Palestine and the periodic plans to partition Palestine and establish a Jewish state It offers an in depth account of his thinking and actions during 1948 as he led his small army into Palestine and war against Israel [The History and Politics of the Bedouin](#) Seraje Assi, 2018-04-27 This book examines contending visions on nomadism in modern Palestine with a special focus on the British Mandate period Extending from the late Ottoman period to the founding of the State of Israel it highlights both ruptures and continuities with the Ottoman past and the Israeli present to prove that nomadism was not invented by the British or the Zionists but is the shared legacy of Ottoman British Zionist Palestinian and most recently Israeli attitudes to the Bedouin of Palestine Drawing on primary sources in Arabic and Hebrew the book shows how native conceptions of nomadism have been reconstructed by colonial and national elites into new legal taxonomies rooted in modern European theories and praxis By undertaking a comparative approach it maintains that the introduction of these taxonomies transformed not only native Palestinian perceptions of nomadism but perceptions that characterized early Zionist literature The book breaks away from the Arab Jewish duality by offering a comparative and relational study of the main forces operating under the Mandate British colonialism Labor Zionism and Arab nationalism Special attention is paid to the British side which covers the first three chapters Each chapter represents a formative stage of British colonial enterprise in Palestine extending from the late Ottoman down to the postwar and the Mandate periods A major theme is the nexus of race and ethnography reshaping British perceptions of the Bedouin of Palestine before and during the early phases of the Mandate and the ways these perceptions guided the administrative division of the country along newly demarcated racial boundaries Using an interdisciplinary approach that combines new findings in the fields of history ethnic studies postcolonial theory and environmental studies this book contributes to understandings of the Israel Palestine conflict and current trends of displacement in the Middle East **A Concise History of the Arabs** John McHugo, 2012-08-21 This brilliant and erudite history by the award winning Arabist provides vital context for understanding the contemporary Middle East Patrick Seale author of *Asad The Struggle for the Middle East* From Algeria and Libya to Egypt Syria and Saudi Arabia the Arab world commands Western headlines Nowhere else does the unfolding of events have such significant consequences for America And yet its complex politics and cultures elude the grasp of most Western readers and commentators *A Concise History of the Arabs* provides an essential road map to understanding the Arab world today and in the years ahead Noted Arab scholar John McHugo guides readers through the political social and intellectual history of the Arabs from the Roman Empire to the

present day Taking readers beyond the headlines McHugo vividly describes the crucial turning points in Arab history from the Prophet Muhammad's mission and the expansion of Islam to the region's interaction with Western ideas and the rise of Islamism This lucidly told history reveals how the Arab world came into its present form why major shifts like the Arab Spring were inevitable and what may lie ahead for the region A Choice Outstanding Academic Title this accessible history is the product of wide reading hard thinking and years of direct experience of the Middle East There are lively and informative insights on almost every page Patrick Seale author of *Asad The Struggle for the Middle East*

Ralph Bunche and the Arab-Israeli Conflict Elad Ben-Dror, 2015-09-16 I swear by all that's Holy I will never come anywhere near the Palestine problem once I liberate myself from this trap Ralph Bunche wrote these lines to his wife in 1949 during the armistice talks on Rhodes A year later he was awarded the Nobel Peace Prize for his success in ending the 1948 Arab Israeli war Ralph Bunche and the Arab Israeli Conflict provides a comprehensive study of Ralph Bunche's diplomatic activities on the Palestine question Bunche was at the centre of the story from the referral of the issue to the United Nations in 1947 until the signing of the armistice agreements that ended the war He began as advisor to UNSCOP and then headed the secretariat of the commission tasked with implementing partition Later after serving as the senior aide to UN mediator Folke Bernadotte he was appointed to replace the Count after the latter's assassination Using extensive archival materials some of it revealed here for the first time this book addresses central questions such as the relationship between Bunche's African American identity and his diplomatic endeavours and the complexities of his outlook on the Arab Israeli conflict Through research and careful analysis it uncovers how Ralph Bunche managed to bridge the gaps between Israel and Arab states This book will be of interest to students and scholars of Middle Eastern History particularly Israeli History as well as Political Science and Diplomacy

Abdullah al-Tall -- Arab Legion Officer Ronen Yitzhak, 2012-06-25 Reviews al Tall's military political biography during the years he served as an officer in the Arab Legion and those he spent in political exile in Egypt This book helps to understand al Tall's personality his contribution to the success of the Arab Legion in the 1948 war and his part in the assassination of King Abdullah

The Lemon Tree Sandy Tolan,2008-12-01 With a new afterword by the author and a sneak preview of Sandy Tolan s new book Children of the Stone In 1967 Bashir Al Khayri a Palestinian twenty five year old journeyed to Israel with the goal of seeing the beloved old stone house with the lemon tree behind it that he and his family had fled nineteen years earlier To his surprise when he found the house he was greeted by Dalia Ashkenazi Landau a nineteen year old Israeli college student whose family fled Europe for Israel following the Holocaust On the stoop of their shared home Dalia and Bashir began a rare friendship forged in the aftermath of war and tested over the next thirty five years in ways that neither could imagine on that summer day in 1967 Based on extensive research and springing from his enormously resonant documentary that aired on NPR s Fresh Air in 1998 Sandy Tolan brings the Israeli Palestinian conflict down to its most human level suggesting that even amid the bleakest political realities there exist stories of hope and reconciliation

The Holocaust, Rebirth, and the Nakba Yair Auron,2017-10-04 Yair Auron s important innovative and instructive book relates critically to the narratives created by Israeli society regarding the events of 1948 the establishment of the State of Israel and the Palestinian Nakba Auron proposes a humanistic approach of dialogue to foster the brotherhood of the victims and an identification with each other s suffering replacing the current relations of force driving the two peoples to a disaster of terrifying international implications

Photography and Making Bedouin Histories in the Naqab, 1906-2013 Emilie Le Febvre, 2023-12-22 Introducing a novel anthropological study of photography in the Middle East Emilie Le Febvre takes us to the Naqab Desert where Bedouin use photographs to make and respond to their own histories She argues Bedouin presentations of the past are selective but increasingly reliant on archival documents such as photographs which spokespersons treat as evidence of their local histories amid escalating tensions in Israel These practices shape Bedouin visual historicity that is the diverse ways people produce their pasts in the present with images This book charts these processes through the afterlives of six photographs c 1906 2013 as they circulate between the Naqab's entangled visual economies a transregional landscape organised by cultural ideals of proximity and assemblages of Bedouin iconography Le Febvre illustrates how representational contentions associated with tribal civic and Palestinian Israeli politics influence how images do history work in this society She concludes Bedouin visual historicity is defined by acts of persuasion during which photographs authenticate alternating history projects Here Bedouin value photographs not because they evidence singular narratives of the past Rather the knowledges inscribed by photography are multifarious as they support diverse constructions of history and society with which members mediate a wide range of relationships in southern Israel This book bridges studies of anthropology photography Palestinian Israeli politics and Bedouin Middle East history *Jordan in Pictures* Jeffrey Zuehlke, 2005-01-01 Describes the history government economy people geography and cultural life of Jordan Isaiah Berlin A. Dubnov, 2012-03-14 This study offers an intellectual biography of the philosopher political thinker and historian of ideas Sir Isaiah Berlin It aims to provide the first historically contextualized monographic study of Berlin's formative years and identify different stages in his intellectual development allowing a reappraisal of his theory of liberalism **Britain and Jordan** Tancred Bradshaw, 2012-03-30 In the wake of the establishment of the State of Israel in 1948 it has often been alleged King Abdullah I of Jordan and the Zionist movements colluded to partition Mandate Palestine between them while Great Britain the retreating imperial power gave them tacit approval to do so Here Tancred Bradshaw challenges these allegations looking at the complex and often strained relations between the emerging states of Jordan Israel and the at first hegemonic and then crumbling British Empire Using a wide range of primary sources which have previously been largely ignored Britain and Jordan offers an essential re-examination of the relationships which were to shape the Middle East as it is today It thus contains vital analysis for anyone involved in the study of the Middle East its politics and history as well as the demise of Britain's empire in the region *Global Security Watch—Jordan* W. Andrew Terrill, 2010-07-20 This insightful study explores how a small state with limited economic resources has played an important role in vital ongoing Middle Eastern political and security controversies Global Security Watch Jordan provides readers with an expert comprehensive overview of significant aspects of Jordan's security including its political diplomatic and alliance building dimensions Examining how Jordan emerged from a small Arab kingdom with arbitrary borders and no clear national identity to a confident and modernizing state the book shows how today's nation

effectively copes with a variety of geopolitical challenges Jordan's close relations with the United States are examined with special attention paid to ongoing U S Jordanian cooperation in fighting al Qaeda and its terrorist allies The work also probes Jordan's involvement in many of the great conflicts in the contemporary Middle East for example that between the Israelis and Palestinians clarifying Jordanian policies while helping the reader understand many of the regional problems Jordan finds itself forced to address

Palestine Between Politics and Terror, 1945-1947 Moti Golani, 2013-04-09 A fascinating look at the end of British rule in Palestine through the eyes of its final high commissioner

The Middle East in Modern World History Ernest Tucker, 2016-05-23 The Middle East in Modern World History focuses on the history of this region over the past 200 years It examines how global trends during this period shaped the Middle East and how these trends were affected by the region's development Three trends from the past two centuries are highlighted The region as a strategic conduit between East and West The development of the region's natural resources especially oil The impact of a rapidly globalizing world economy on the Middle East

International History of the Twentieth Century and Beyond Antony Best, Jussi M. Hanhimäki, Joseph A. Maiolo, Kirsten E. Schulze, 2014-12-17 This hugely successful global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible and seamless account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the past one hundred years The third edition is thoroughly updated throughout to take account of the most recent research and global developments and includes a new chapter on the international history of human rights and its advocacy organizations including NGOs Additional new features include New material on the Arab Spring including specific focus on Libya and Syria Increased debate on the question of US decline and the rise of China A timeline to give increased context to those studying the topic for the first time A fully revised companion website including links to further resources and self testing material can be found at www.routledge.com/cw/best Antony Best is Associate Professor in International History at the London School of Economics Jussi M Hanhimäki is Professor of International History and Politics at the Graduate Institute of International Studies Geneva Joseph A Maiolo is Professor of International History at the Department of War Studies Kings College London Kirsten E Schulze is Associate Professor in International History at the London School of Economics
