My Memories of Joe Bernard
Pendry, 2016-02-18

Why am I writing this book So much has been written about Joes life in the music world but nobody has written about the other side of Joe From a strange beginning we became good friends and I like to think that I together with my family helped him get over the depressing years that followed his Mad Dogs Englishmen tour Joe became intertwined with my family first with Sheila my first wife then my girlfriend Sue and latterly Pam my second wife plus becoming a celebrity at the Mid Surrey Squash Club You will read how Joe became so special to us So here goes Born 2nd May 1936 to a loving couple Alice Jim who already had daughter Gladys age 8 and son Reg age 6 who spent their whole lives in Fulham SW London It was a happy childhood even when war broke out when he was 3 and spent a couple of years evacuated down to Worplesdon just 30 miles away This was certainly different from the confined space of a terrace road in Fulham where the road was a major playground In those days there were only a few cars parked but now cars are even double parked Schooling was pretty basic failed the 11 plus got another chance at 13 to go to a better school and ended at the prestigiously named Balham Tooting College of Commerce The name was the only thing that was prestigious but he did manage to acquire 7 O levels which were enough to get him articles to study for a chartered accountant After 5 years hard study while working as an articled clerk he qualified in 1959 the same year that he married Sheila with whom he had three children Mark 1962 Michael 1966 and daughter Nicola 1968 all are happily married with children of their own After 21 years Sheila decided there was more to life and left for pastures anew they have remained friends ever since Then he had a most enjoyable 2 years when Sue a junior typist in the office came to live with him and the three kids Sue was only 21 and deciding she wanted children left He had been very friendly with neighbour Pam and was so lucky when they got together in 1982 and together with her two children Tracy David and they all became one big happy family Unfortunately the big C took Pam in July 2013 and Bernard was on his own It was during this time that he decided to write this book about his friendship with Joe and got in touch with many friends who had been around during those days and this included Sue who he had not seen for 33 years By this time she had married had three grown up sons but when she accepted his invite for lunch at the RAC Club in Epsom the

old love light bloomed and now they are together After qualifying Bernard spent 9 years as group accountant for a property company before accepting a friends invite to become a partner in the chartered accountants firm Nabarro based in central London Commuting got too much so he bought a Honda 400 and for 3 year motor biked to town In winter this was too much so he decided to move offices locally to Surbiton Reaching the ripe old age of 54 he sold the practice to his junior partners and has little since except pandering to the family especially his 14 grandchildren *Americana* Ray Davies,2013-10-15 As a boy in post War England legendary Kinks singer songwriter Ray Davies fell in love with America its movies and music its culture of freedom fed his imagination Then as part of the British Invasion he toured the US with the Kinks during one of the most tumultuous eras in recent history until the Kinks group was banned from performing there from 1965-69 Many tours and trips later while living in New Orleans he experienced a transformative event the shooting a result of a botched robbery that nearly took his life In *Americana* Davies tries to make sense of his long love hate relationship with the country that both inspired and frustrated him From his quintessentially English perspective as a Kink Davies with candor humor and wit takes us on a very personal road trip through his life and storied career as a rock star and reveals what music fame and America really mean to him Some of the most fascinating characters in recent pop culture make appearances from the famous to the perhaps even more interesting behind the scenes players The book also includes a photographic insert with images from Daviess own collection from the bands archive **The 100 Greatest Bands of All Time** David V. Moskowitz,2015-11-10 This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America Many rock fans have at one time or another ranked their favorite artists in order of talent charisma and musical influence on the world as they see it In this same spirit author and music historian David V Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years Since the chosen bands are based on the author s personal taste this two volume set provokes discussion of which performers are included and why offering insights into the surprising influences behind them From the Everly Brothers to the Ramones to Public Enemy the work covers a wide variety of styles and genres clearly illustrating the connections between them Entries focus on the group s history touring membership major releases selected discography bibliography and influence Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry *One Day At A Time* Ali Larsen,2017-03-28 Time is hard to keep track of when you re living on the road This story follows the tour of a rising band and coming to terms with their new fame Their journey includes personal struggles both within their relationships and within themselves **SPIN** ,1990-08 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today s most innovative sounds Whether covering what s new or

Laycock, Eric Harrelson, 2023-11-07 The Exorcist Effect examines the relationship between horror films and religious culture focusing on the period from 1968 to the present Films like Rosemary's Baby 1968 The Exorcist 1973 and The Omen 1976 claimed to be based on actual events religious traditions and Biblical texts These films inspired subsequent beliefs and experiences which became the basis for yet more horror films This book draws on archival research to shed new light on such figures as Ed and Lorraine Warren and Malachi Martin who inserted themselves into this cycle It also incorporates interviews with horror authors film writers and paranormal investigators *My Last Fight* Darren McCarty, Kevin Allen, 2014-10-01 Looking back on a memorable career Darren McCarty recounts his time as one of the most visible and beloved members of the Detroit Red Wings as well as his personal struggles with addiction finances and women and his daily battles to overcome them As a member of four Red Wings Stanley Cup winning teams McCarty played the role of enforcer from 1993 to 2004 and returning again in 2008 and 2009 His Grind Line with teammates Kris Draper and Kirk Maltby physically overmatched some of the best offensive lines in the NHL but he was more than just a brawler his 127 career goals included several of the highlight variety including an inside out move against Philadelphia in the clinching game of the 1997 Stanley Cup Finals As colorful a character as any NHL player he has arms adorned with tattoos and he was the lead singer in the hard rock band Grinder during the offseason Yet this autobiography details what may have endeared him most to his fans the honest open way he has dealt with his struggles in life off the ice Whether dealing with substance abuse bankruptcy divorce or the death of his father Darren McCarty has always seemed to persevere **Rock Bottom** Pamela Des Barres, 1996-09-15 The dark moments of rock history fascinate and tantalize like the pathos of Greek tragedy The bottom sinks lower the air seems colder the bad endings when they are bad seem beyond bad The unlucky practitioners of our most thriving form of communal experience seem to hit rock bottom in ways only the most glamorous among us can publicly The stories remain obscure half seen in the shadowlands In her familiar style Pamela Des Barres shines light on the people whose art remains the background music to our popular culture Des Barres asks What comes first the addiction or the rock and roll The first apparent rock and roll death occurred on Christmas Eve in 1959 when Johnny Ace blew his head off in a game of Russian Roulette between shows Buddy Holly's four seater plane crashes Marvin Gaye's father shoots his son Kurt Cobain

puts a gun to his head The headlines tell it all ROCK SINGER FACES MANSLAUGHTER CHARGE JAMES BROWN ADDICTED TO PCP BASSIST FOR BAND HOLE FOUND DEAD The messed up lives the burned out golden boys and girls the violence the route toward rock bottom Des Barres has a line on the souls of the public figures who lived desperate private lives to entertain us all Rock Star Babylon Jon Holmes,2008-06-24 Fun shocking and compulsively readable Rock Star Babylon is a guilty pleasure for fans everywhere who want to know more about rock stars behaving badly From Ozzy Osbourne to Chuck Berry Courtney Love to Keith Moon Rock Star Babylon has gathered together the most outrageous antics and diva esque misbehavior in the annals of rock Here in a single volume are the most wickedly entertaining stories of over the top parties crazy divorces hidden cameras trashed hotel rooms misapplied epileptic interventions and innocent headless bats Running the gamut from the rude to the ridiculous these reports of rock and rollers at their worst come straight from the mouths of those who were there or those who were there but left early and heard about it afterward **Burn the Page** Danica Roem,2022-04-26 An inspirational memoir meets manifesto by Danica Roem the nation s first openly trans person elected to US state legislature Danica Roem made national headlines when as a transgender former frontwoman for a metal band and a political newcomer she unseated Virginia s most notoriously anti LGBTQ 26 year incumbent Bob Marshall as state delegate But before Danica made history she had to change her vision of what was possible in her own life Doing so was a matter of storytelling during her campaign Danica hired an opposition researcher to dredge up every story from her past that her opponent might seize on to paint her negatively In wildly entertaining prose Danica dismantles all the stories her opponents tried to hedge against her showing how through brutal honesty and loving authenticity it s possible to embrace the low points and even transform them into her greatest strengths Burn the Page takes readers from Danica s lonely closeted and at times operatically tragic childhood to her position as a rising star in a party she s helped forever change Burn the Page is so much more than a stump speech it s an extremely inspiring manifesto about how it s possible to set fire to the stories you don t want to be in anymore whether written by you or about you by someone else and rewrite your own future whether that s running for politics in your work or your personal life This book will not just encourage people who think they have to be spotless to run for office but inspire all of us to own our personal narratives as Danica does **MC5** Brett Callwood,2010 The definitive biography of the MC5 with firsthand interviews
