**The Roads We Travel** Diane Valerie Burgess, 2023-08-10 The Roads We Travel is a very personal collection of poems which serve to illustrate the small moments in life which are seemingly insignificant but which can hold so much meaning poignancy and sentiment Each poem offers a voyeuristic peep into a private microcosm created by memory and reflection In her gentle scrutiny of human nature Diane Valerie Burgess explores joy sadness fallibility loss the spectrum of human emotion mirrored in nature in the transcendent in ourselves Burgess poems are both nostalgic and urgently relevant addressing past experiences and exploring contemporary subjects Sometimes humorous sometimes bittersweet sometimes a brave but tender contemplation of grief and fear each subject is handled with care and beautifully illustrated with words

**Along These Roads We Travel** Joann Rita Vega, 2021-09-09 Along These Roads We Travel and each one of us walks on a different path towards learning suffering and happiness These roads unite and confound themselves as we advance through life Our job as a people is to enjoy and assist those who in one form or another have entered our road without losing sight of our own and destination This book is a multicultural and intimate overview of humanity's intrinsically existential struggles and

expectations today as well as of our responsibilities toward each other and our planet These words are inner reflections that include a marked observation of the inequalities and suffering present on this level of life manifestation and for which we must claim responsibility Through inner contemplation of our happy moments and devotion to a higher energy we are able to find the interconnection that Carl Jung referred to as Synchronicity which hopefully will bring us to the discovery of our true Identities and possibilities as human race capable for caring for and accepting each other The Roads We Travelled Dr. Tony Carvajal,2015-05-08 The Roads We Traveled begins with the chronological journeys that families took in a legendary Latino barrio It is an idyllic locale that for one brief historical moment brought meaning and even glamorous ambience to the people involved in its story The story is burrowed in a location with high ideals San Felipe High School which resides in a small town in Texas It was a place bursting with excitement purpose and culture where students from an impoverished community came together to celebrate learning and wisdom which was inspired by outstanding teachers The narrative illustrates the various social and environmental barriers students were able to overcome Because of this students found a silver lining to their clouds This silver lining brilliantly outlines where they are today fifty five years later after they went out into society to become architects of their new communities This book will resonate to Hispanic and other Latino students who have been encouraged and challenged to stay in school graduate and pursue higher education It will also be compelling to all educators who have struggled to find ways to inspire students to believe that education is indeed a stairway to success Even though The Roads We Traveled is a success story of children who grew up in poverty in a Texas barrio it is ultimately a universal story about family friendships success failures disappointments and setbacks Significantly the story is definitely about the powerful importance of superior teachers who are on the frontline to inspire their students to pursue their dreams to the very end A Road We All Travel Lloyd Dean McJunkin,2022-08-05 God has given humanity the highest level of intelligence of all living creations on earth That level seems to be we realize we do not know everything and we cannot do everything We claim only God knows everything and God can do everything Our problems seem to develop when we try to guess what God will do and try to get ahead of Him telling ourselves it will give Him more time to help those less capable than aEUroewe thinkaEUR we are Only God has full control as to when we will be born and when we will die In between those two events each human has responsibilities and God gives all humanity full control of how they respond to God s plan We as individuals will determine our belief in God s Son Jesus Christ as their Lord and Savior This alone will determine where our eternal life will be What a wonderful blessing that we should all take very seriously **One of Cancer's Roads Traveled** Ron Penn,2011-08-22 Er Qazi Zia Er Qazi Zia,2025-05-30 The Long Drive is not just a drive down highways and byways it is an existential metaphor for life itself Born of the author s regular trips along the Srinagar Jammu National Highway this introspective book draws broad comparisons between the act of driving and the shape of our lives Just as we cruise lanes take turns contend with traffic and deal with detours on the highway so too must we contend with obstacles

decisions and turns in life Each chapter is matched with a phase of life echoing the ebbs and flows of aging beginning with ignition birth the high of youth the stress of ambition the slowdowns of difficulty and finally the quiet of contemplation Along the way travelers encounter fellow travelers face roadblocks stop to get fuel and find that every segment of the trip has value The book provides philosophical depth and spiritual insight reminding us that the true road is often within It invites the reader to not only move but to move with intention to not only drive but to drive consciously Whether you re just starting out or along the way somewhere The Long Drive will encourage you to look back on where you ve been where you re headed and what really drives your journey forward

**The Roads We Follow (A Fog Harbor Romance)** Nicole Deese,2024-04-30 A cross country road trip A secretive box of journals An unforgettable summer romance As the youngest daughter of a country music legend Raegan Farrow longs to establish an identity away from the spotlight and publish her small town romances under a pen name But after her dream is dashed when she won t exploit her mother s fame to further her own career she hears a rumor from a reliable source regarding a tell all being written about the Farrow family Making matters worse the unknown author has gone to great lengths to remain anonymous until publication Raegan chooses to keep the tell all a secret from her scandal leery sisters as they embark on a two week cross country road trip at their mother s request and makes it her mission to expose the identity of the author behind the unsanctioned biography But all is complicated when she discovers their hired bus driver Micah Davenport has a hidden agenda of his own one involving both of their mothers and an old box of journals As they rely on each other to find the answers they seek the surprising revelations they unearth will lead them down an unexpected road of love and reconciliation
