aren't what a man like him needs not when he's dedicated his life to the Navy. Novelist Ashleigh Moore is looking forward to a peaceful weekend retreat. The gruff and commanding man who emerges from the woods after a hike isn't supposed to be at the cabin or send her heart racing with his piercing green eyes and tall muscular frame. She can ignore the sparks of electricity between them but when she's injured, Slate proves gentler than she imagined. When a domestic terrorist group tracks Slate to Washington, he realizes Ashleigh's life is in danger as well. He'll protect her while she's under his care but will he be able to let her go when their time together is over?

SEAL's Command a standalone novel is book seven in the addictive Alpha SEALs Coronado series. **The Guilty** Sean Slater, 2013-03-14 Sean Slater has lived it. Now Jacob Striker is reliving it. Completely authentic by the seat of your pants thriller from a real-life homicide cop. When Homicide Detective Jacob Striker discovers a torture chamber in a steel barn down by the river, he is propelled into an investigation that leads to two mysterious bombers. Every few hours another victim is targeted, located, and then blown to smithereens. Very quickly Striker realizes the attacks are not random. But one obvious question remains: Why? With people dying at an alarming rate, Striker desperately searches for an answer to this question. When he discovers it, a stark coldness fills him. For he begins to understand. The reason leads back to a police file that is now ten years old. To a dark and dangerous place across the seas. And to one of Striker's oldest mentors and dearest friends. With time running out, Striker must catch the two bombers before they finish the job and complete their kill list. Otherwise, there will be little left for Jacob Striker to save. Little left but dust and bones. Fast-paced, gripping, and impossible to put down. Sean Slater's debut novel *The Survivor* is an explosive action-injected tale told by a great new talent. A fantastic read. Chris Carter. A neat stylish thriller from a writer to watch. Daily Mail. An energetic debut thriller. Daily Telegraph.

The Killing Rule Don Pendleton, 2008-01-01 Demolition Charge. The disappearance of two CIA agents in London plus intelligence chatter involving the IRA and access to weapons of mass destruction launch Bolan's hard probe in the British Isles. Suspecting the IRA link is the lesser part of something more far-reaching and sinister, Bolan recruits a renegade force to close in on a traitor high in the ranks of the British government, exposing a conspiracy involving stolen Russian nuclear submarine warheads and a death deal brokered with Iran. All that stands between a desert continent and a crippling blow to humanity is Bolan's sheer determination to take whatever action necessary to thwart a victory for terror.

A Bhoy Called Bertie Alex Gordon, Bertie Auld, 2008-10-08 Celtic legend Bertie Auld is one of the most controversial and colourful characters in Scottish football history. For decades he has steadfastly refused to discuss his remarkable lifetime in the game until now. Bertie never shirked a tackle as a player and there are still no holds barred long after the boots have been put away. It's the book everyone wanted and it's a sensational read.
