of North Carolina a tragedy is unfolding Something has gone very wrong and the colony 115 men women and children among them the first English child born in the New World Virginia Dare is in trouble But there will be no rescue Before help can reach them all will vanish with barely a trace The Lost Colony is America s oldest unsolved mystery In this remarkable example of historical detective work Lee Miller goes back to the original evidence and offers a fresh solution to the enduring legend She establishes beyond doubt that the tragedy of the Lost Colony did not begin on the shores of Roanoke but within the walls of Westminster in the inner circle of Queen Elizabeth s government As Miller detects powerful men had reason to want Raleigh s mission to fail Furthermore Miller shows what must have become of the settlers left to face a hostile world that was itself suffering the upheavals of an alien invasion Narrating a thrilling tale of court intrigue spy rings treachery sabotage Native American politics and colonial power Miller has finally shed light on a four hundred year old unsolved mystery
