# Roaring 20s 1920 1930 1920 193

**David C. Smith**

## **Roaring 20s 1920 1930 1920 193:**

Manuals Combined: Over 60 1920s-1930s Pre-NASA NACA Airship Studies , War Plan Orange Edward S Miller,2007-03-01 Based on twenty years of research in formerly secret archives this book reveals for the first time the full significance of War Plan Orange the U S Navy s strategy to defeat Japan formulated over the forty years prior to World War II

**The Correspondence of H.G. Wells** David C. Smith,2021-04-07 This collection of H G Wells s correspondence draws on over 50 archives and libraries worldwide including the papers of Wells s daughter by Amber Reeves The book contains over 2 000 letters and while a few are business to publishers agents and secretaries the majority are much more personal Wells s private correspondence extends from letters to President Franklin Roosevelt and Prime Ministers Winston Churchill and A J Balfour to persons such as Mark Benney who wrote novels based on his life in the slums and his time in prison There is correspondence too with his many female friends and lovers among them Rebecca West Eileen Power Gertrude Stein Marie Stopes Lilah MacCarthy and Dorothy Richardson For example a letter from Moura Budberg with whom Wells had a long standing affair which announces that she is pregnant by him and about to have an abortion reveals how an advocate of birth control is himself caught out Wells also enjoyed correspondence with the press particularly during the two World Wars and with various BBC officials and people who worked on his films Some of his letters on the controversies of free love socialism birth control the Fabian Society and the nature of the curriculum of the new London University in the 1890s are included Interspersed chronologically with Wells s letters is a small selection of about 40 letters to Wells where letters from him are not extant Among these are letters from Ray Lankester Joseph Conrad C G Jung Trotsky Hedy Gattarnigg the woman who attempted suicide in Wells s flat and J C Smuts The letters are arranged in these periods Volume 1 1878 1900 Volume 2 1901 1912 Volume 3 1913 1930 and Volume 4 1930 1946 H G Wells s works include The Time Machine 1895 The Invisible Man 1897 The War of the Worlds 1898 The History of Mr Polly 1910 and A Short History of the World 1922 **European**

**Integration Since the 1920s** Mark Hewitson,2024-10-14 Brexit populism and Euroscepticism seem to have challenged old assumptions about European integration and raised the prospect of disintegration This book re examines why the European Union and its forerunners were created and investigates how and why they have changed It links contemporary events to historical explanation arguing that there were long term sets of conditions dating back to the 1920s which pushed European governments to cooperate economically and to try to resolve their diplomatic differences The failure of the French and German governments to create what Aristide Briand had called a European federal union demonstrated both the precariousness of the enterprise and its connection to the domestic politics of European states After 1945 the unexpected advent of a Cold War and the military diplomatic and economic presence of the United States in Europe facilitated the gradual development of habits of cooperation and institutional integration but they also placed limits on European governments activities as did disagreements between political parties and the expectations of citizens As a consequence

supranational bodies such as the European Commission have been accompanied and often overshadowed by intergovernmental institutions such as the European Council with the EU as a whole functioning in important respects as a type of confederation. The volume addresses a series of large scale historical questions which are integral to an understanding of the European Union. It asks how and why citizens of member states have identified with the EU how matters of security affected the development of the European Community during and after the Cold War whether economic and social convergence have taken place and with what consequences and why European institutions have come to function as they have. The study is thematic focusing on the most important aspects of European integration and explaining why member states have decided to carry out or have consented to the unique experiment of the European Union.

**Formation of Periodical Authorship in 1920s Korea** Jae-Yon Lee, 2023-06-06. Formation of Periodical Authorship in 1920s Korea argues that Korean authors who entered the literary scene during modern literature's formative years were the subject mediated by periodicals. However it has been difficult to substantiate this statement because periodicals including magazines were open to different groups of writers various social literary religious and cultural discourses and dissimilar genres. The multi level interactions between terms knowledge and writing styles in circulation unfolded at a larger scale at some times and at other times in such an ordinary manner that one can hardly identify and synthesize them to make any sense. Employing not only conventional close reading but also modes of distant reading developing out of cultural analytics Lee investigates the specific ways in which patterns of social semantic and stylistic interactions in Korea's major magazines configured three kinds of authorship namely the narcissistic author the prophetic critic and the everyday reviewer. He rereads artist stories leftist social discourses religious cosmology and joint reviews through quantitative analyses and offers an engaging account on the importance of repetitions in creating literary originality. This book extends periodical studies through cultural analytics and opens up a new horizon for the next generation of literary scholars seeking innovative experiments in a digital age.

The Correspondence of H G Wells Vol 4 H G Wells, David Smith, Patrick Parrinder, 2024-10-28. This collection of H G Wells's correspondence draws on over 50 archives and libraries worldwide including the papers of Wells's daughter by Amber Reeves. The book contains over 2000 letters both business and personal. Wells's private correspondence includes letters to Winston Churchill.

**The Modern Portuguese Economy in the Twentieth and Twenty-First Centuries** Luciano Amaral, 2019-08-14. This book offers insights into the behaviour of the Portuguese economy in relation to economic growth from the twentieth century to the present. How did the 1891-92 crisis and World Wars impact Portugal economically? How did the Portuguese economy behave during the Golden Age of economic growth in postwar Europe? What have the effects of the European Monetary Union been? Amaral examines long running trends in the development of the modern Portuguese economy in order to help us understand various growth phases of the modern period. This title is important reading for economic historians and economists researching economic growth crises stabilisation and

monetary unions      **Making a New Deal** Lizabeth Cohen,2014-11-06 This book examines how it was possible and what it meant for ordinary factory workers to become effective unionists and national political participants by the mid 1930s We follow Chicago workers as they make choices about whether to attend ethnic benefit society meetings or to go to the movies whether to shop in local neighborhood stores or patronize the new A P As they made daily decisions like these they declared their loyalty in ways that would ultimately have political significance When the depression worsened in the 1930s workers adopted new ideological perspectives and overcame longstanding divisions among themselves to mount new kinds of collective action Chicago workers experiences all converged to make them into New Deal Democrats and CIO unionists First printed in 1990 Making a New Deal has become an established classic in American history The second edition includes a new preface by Lizabeth Cohen      **Nuclear Science Abstracts** ,1974      *Sex and Violence in 1920s Scotland* Louise Heren,2023-10-05 Using case records of prosecutions at the Scottish High Court of Justiciary between 1918 and 1930 this book takes a quantitative and qualitative approach to understand sexual violence in Scotland at this time Analysing legal records alongside victim and witness testimonies Louise Heren analyses who committed sexual violence against whom where and how and to an extent looks to uncover the victims voice Assessing how the courts responded Sex and Violence in 1920s Scotland reveals that despite pejorative views of working class female behaviour the successful conversion of prosecutions to convictions was greater than what is seen in modern sexual assault cases In a society adjusting to post conflict stresses there were fears expressed in middle class circles that those most affected by the First World War might react with violence However the High Court archives suggest otherwise Cases of incest rape and sexual assault appears to have been endemic an opportunistic crime against older victims yet often pre meditated against the youngest selfish crimes that suggest toxic masculinity among some working class men The book concludes with the ultimate question why did these men perpetrate sexual violence      **The Movieland Directory** ,2015-07-11 The Los Angeles area feels almost alive with movie history It is impossible to walk down any neighborhood block that didn t play host to movie history on some level From Chaplin walking Hollywood sidewalks in 1915 to the Three Stooges running down Culver City streets in 1930 to westerns filmed in the Valley in the 1950 s the area has been the background for thousands of films and home to millions of movie people Historical documents census records movie studio and institutional archives and personal writings have all been scoured in order to compile the most exhaustive and complete Hollywood address listing ever compiled      *The Greenwood Encyclopedia of Clothing through American History, 1900 to the Present* Amy T. Peterson,Valerie Hewitt,Heather Vaughan Lee,Ann T. Kellogg,José Blanco F.,Scott Leff,Lynn Payne,2008-10-30 Find out what we wore and why we wore it in The Greenwood Encyclopedia of Clothing in American History Twentieth Century to the Present This fascinating reference set provides two levels of information descriptions of styles of clothes that Americans have worn and as important why they wore those types of clothes With volume one covering 1900 1949 and volume two covering 1950 to the present the first half of each volume

provides four chapters that each examine the impact that political and cultural events arts and entertainment daily life and family structures have on fashion The second half of each volume describes the important and everyday fashion and styles of the period decade by decade for women men and children The set also includes helpful timelines resource guides listing web sites videos and print publications an extensive glossary and illustrations Fashion influences how we view other people and how we view ourselves Find out what we wore and why we wore it in The Greenwood Encyclopedia of Clothing in American History Twentieth Century to the Present This fascinating reference set provides descriptions of styles of clothes that men women and children have worn in the U S since 1900 and as important why they wore them In addition to chapters describing fashion trends and types of clothes this work examines the impact that cultural history has on fashion and how fashion may serve as an impetus for change in society With volume one covering 1900 1949 and volume two covering 1950 to the present the first half of each volume provides four chapters that examine the impact that political and cultural events arts and entertainment daily life and family structures have on cultural life and fashion The second half of each volume describes the important and everyday fashion and styles of the period decade by decade for women men and children The set also includes helpful timelines resource guides of web sites videos and print publications an extensive glossary and illustrations Fashion is not for the exclusive use of the social elite and the rich nor can it be simply dismissed as just showing off We use fashion to express who we are and what we think to project an image to bolster our confidence and to attract partners

**The New Cambridge History of American Foreign Relations** William Earl Weeks, Walter LaFeber, Akira Iriye, Warren I. Cohen, 2013-04-29 This third volume of the updated edition describes how the United States became a global power during the period from 1913 to 1945 **The New Cambridge History of American Foreign Relations: Volume 3, The Globalizing of America, 1913-1945** Akira Iriye, 2013-04-29 Since their first publication the four volumes of The Cambridge History of American Foreign Relations have served as the definitive source for the topic from the colonial period to the Cold War This third volume of the updated edition describes how the United States became a global power economically culturally and militarily during the period from 1913 to 1945 from the inception of Woodrow Wilson's presidency to the end of the Second World War The author also discusses global transformations from the period of the First World War through the 1920s when efforts were made to restore the world economy and to establish a new international order followed by the disastrous years of depression and war during the 1930s to the end of the Second World War Throughout the book themes of Americanisation of the world and the transformation of the United States provide the background for understanding the emergence of a trans national world in the second half of the twentieth century Anglo-American Relations in the 1920s B. J. C. McKercher, 1991-06-18 This collection examines the complex struggle for supremacy conducted between the United States and Britain in the decade following World War I The aim is to throw light on a crucial period in the history of British and American foreign policy and on 20th century international affairs American Cinema of the 1920s Lucy Fischer, 2009

In ten original essays American Cinema of the 1920s examines the film industry's continued growth and prosperity while focusing on important themes of the era that witnessed the birth of the star system that supported the meteoric rise and celebrity status of actors including Charlie Chaplin Mary Pickford Joan Crawford Greta Garbo and Rudolph Valentino while black performers relegated to race films appeared infrequently in mainstream movies From All Points Elliott Robert Barkan,2007-05-11 A history of immigrants in the American West in the nineteenth and twentieth centuries and their effect on the region At a time when immigration policy is the subject of heated debate this book makes clear that the true wealth of America is in the diversity of its peoples By the end of the twentieth century the American West was home to nearly half of America's immigrant population including Asians and Armenians Germans and Greeks Mexicans Italians Swedes Basques and others This book tells their rich and complex story of adaptation and isolation maintaining and mixing traditions and an ongoing ebb and flow of movement assimilation and replenishment These immigrants and their children built communities added to the region's culture and contended with discrimination and the lure of Americanization The mark of the outsider the alien the nonwhite passed from group to group even as the complexion of the region changed The region welcomed then excluded immigrants in restless waves of need and nativism that continue to this day Written in the fashion of Oscar Handlin this study makes a convincing case that immigration history comprises an essential part of the history of the American West and that appreciation of the former and the roles played by myriad alien arrivals is essential for understanding the latter Barkan combines vignettes based on immigrant reminiscences with keen analysis to explore four related themes various groups arrivals their economic influences their effects on public policy and their adaptation and assimilation The resulting narrative is readable and informative Recommended Choice A remarkable synthesis of the West as a region of immigrants It tells the story of how vital immigrants were to economic growth and modernization This will be the prime reference for 21st century scholars of immigration and ethnicity in the American West Annals of Wyoming Spring 2010

**The Making of the New Deal Democrats** Gerald H. Gamm,1989-08-30 Why is The Making of New Deal Democrats so significant One of the major controversies in the study of American elections has to do with the nature of electoral realignments One school argues that a realignment involves a major shift of voters from one party to another while another school argues that the process consists largely of mobilization of previously inactive voters The debate is crucial for understanding the nature of the New Deal realignment Almost all previous work on the subject has dealt with large scale national patterns which make it difficult to pin down the precise processes by which the alignment took place Gamm's work is most remarkable in that it is a close analysis of shifting voter alignments on the precinct and block level in the city of Boston His extremely detailed and painstaking work of isolating homogeneous ethnic units over a twenty year period allows one to trace the voting behavior of the particular ethnic groups that ultimately formed the core of the New Deal realignment Sidney Verba Harvard University

Popular Perceptions of Soviet Politics in the 1920s O. Velikanova,2013-01-28 This is the first study of popular opinions in

Soviet society in the 1920s These voices which made the Russian revolution characterize reactions to mobilization politics patriotic militarizing campaigns the tenth anniversary of the revolution and state attempts to unite the nation around a new Soviet identity

**American Milliners and their World** Nadine Stewart, 2021-01-14 Studies of millinery tend to focus on hats rather than the extraordinarily skilled workers who create them American Milliners and their World sets out to redress the balance examining the position of the milliner in American society from the 18th to the 20th century Concentrating on the struggle of female hat makers to claim their social place it investigates how they were influenced by changing attitudes towards women in the workplace Drawing on diaries etiquette books trade journals and contemporary literature Stewart illustrates how making hats became big business but milliners working conditions failed to improve Taking the reader from the Industrial Revolution of the 1760s to the sexual revolution of the 1960s and from Belle Epoque feathers to elegant cloches and Jackie Kennedy s pillbox hat the book offers a new insight into the rise and fall of a fashionable industry Beautifully illustrated and packed with original research American Milliners and their World blends fashion history and anthropology to tell the forgotten stories of the women behind some of the most iconic hats of the last three centuries
