Civil War Scoundrels and the Texas Cotton Trade Walter E. Wilson, 2020-06-29 During the Civil War scoundrels from both the Union and Confederate sides were able to execute illicit but ingenious schemes to acquire Texas cotton Texas was the only Confederate state that bordered a neutral country it was never forcibly conquered and its coast was impossible to effectively blockade Using little known contemporary sources this story reveals how charlatans exploited these conditions to run the blockade import machinery and weapons and defraud the state s most prominent political military and civilian leaders in the process Best known for his role in the romantic entanglements of his co conspirator William Sprague Harris Hoyt stands out due to his sharp intellect and fascinating character Hoyt was able to draw most of Abraham Lincoln s inner circle into his web of deceit and even influenced the impeachment of President Andrew Johnson This is the first account to expose the depth and breadth of the many Texas cotton trading scams and the sheer audacity of the shadowy men who profited from them but managed to escape the gallows

Washington Square Henry James, 2013-02-05 Washington Square is one of Henry James s most appealing and popular novels with the most straightforward plot and style of any of his works Set in the genteel New York of James s early childhood it is a tale of cruelty laced with comedy Dr Austin Sloper is a wealthy and domineering father who is disappointed in the unremarkable daughter he has produced he dismisses her as both plain and simpleminded The gentle and dutiful Catherine Sloper has always been in awe of her father but when she falls in love with Morris Townsend a penniless charmer whom Dr Sloper accuses of being a fortune hunter she dares to defy him and a battle of wills ensues that will leave her forever changed Readers have long admired the way that the innocent Catherine misled by her meddling aunt and mistreated by both her father and her lover grows in strength and wisdom over the course of her ordeal

The Oresteia Aeschylus, 2004-01-20 One of the founding documents of Western culture and the only surviving ancient Greek trilogy the Oresteia of Aeschylus is one of the great tragedies of all time The three plays of the Oresteia portray the bloody events that follow the victorious return of King Agamemnon from the Trojan War at the start of which he had sacrificed his daughter Iphigeneia to secure divine favor After Iphigeneia s mother Clytemnestra kills her husband in revenge she in turn is murdered by their son Orestes with his sister Electra s encouragement Orestes is pursued by the Furies and put on trial his fate decided by the goddess Athena Far more than the story of murder and vengeance in the royal house of Atreus the Oresteia serves as a dramatic parable of the evolution of justice and civilization that is still powerful after 2 500 years The trilogy is presented here in George Thomson s classic translation renowned for its fidelity to the rhythms and richness of the original Greek

The Periodic Table Primo

Levi,1996-10-01 The Periodic Table is largely a memoir of the years before and after Primo Levi's transportation from his native Italy to Auschwitz as an anti-Fascist partisan and a Jew. It recounts in clear, precise, unfailingly beautiful prose the story of the Piedmontese Jewish community from which Levi came, of his years as a student and young chemist at the inception of the Second World War and of his investigations into the nature of the material world. As such, it provides crucial links and backgrounds both personal and intellectual in the tremendous project of remembrance that is Levi's gift to posterity. But far from being a prologue to his experience of the Holocaust, Levi's masterpiece represents his most impassioned response to the events that engulfed him. The Periodic Table celebrates the pleasures of love and friendship and the search for meaning and stands as a monument to those things in us that are capable of resisting and enduring in the face of tyranny. An Introduction to Landscape Peter J. Howard,2016-12-05 Inspiring deep emotion, landscape carries many meanings. This book follows the development of several threads of the concept of landscape as they have evolved across disciplines and across countries, leading to the European Landscape Convention and the designation of cultural landscapes as World Heritage Sites. The book introduces the key notions of landscape such as landscape as meaning, as picture, as scale, as scenery, and as place. It also considers the various factors which influence the way in which landscape is perceived now and in the past, with all of the senses. Finally, it looks at the various ways of protecting, managing, and enhancing the landscape, taking into account a future of climate change. Beautifully illustrated and including capsules in each section which provide fascinating insights into subjects from reading pictures to mapping and GIS, through a discussion of the range of types of landscape to issues such as eco-museums, this book provides an excellent introductory overview for any students with an interest in the landscape around us. The Essential Harlem Detectives Chester Himes,2024-03-12 The New York Times Book Review Editors' Choice. A one-volume selection of four novels in the legendary detective series, blistering, groundbreaking capers set in Harlem's criminal underworld by master crime writer Chester Himes. With an introduction by New York Times bestselling author S.A. Cosby, Himes put a spin on crime fiction, emphasizing urban atmosphere, street smarts, and uptown carryings on unlike anything the genre had previously seen. The Boston Globe: Himes's Harlem saga vies with the novels of David Goodis and Jim Thompson as the inescapable achievement of postwar American crime fiction. The New York Times: His implacable drive to examine the Black experience, the disingenuous nature of the American Dream, the reality of pain and sorrow, and what it does to the soul—that is what makes Himes the bard of the existential African American psyche. S.A. Cosby, from his Introduction: Here, in one volume, is an exceptional selection from Chester Himes's acclaimed Harlem Detectives series. Winner of France's prestigious Grand Prix de Littérature Policière and lauded by Jean Cocteau as a prodigious masterpiece, *A Rage in Harlem* introduces detectives Grave Digger Jones and Coffin Ed Johnson in a searing escapade. In *The Real Cool Killers*, the duo investigates a shooting and discovers an unsettling personal connection. In *The Crazy Kill*, a man is found in a breadbasket stabbed to death, leaving Himes's detectives to find out who among the many suspects did it. And in *Cotton Comes to Harlem*, the brazen

robbery of a notorious con man running a back to Africa scam sets off a hunt for a bale of Southern cotton These masterful novels exhibit Himes s evocative baroque descriptions of Black life in Harlem and his famously blistering social commentary Everyman s Library pursues the highest production standards printing on acid free paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author s life and times The best writer of mayhem yarns since Raymond Chandler San Francisco Chronicle **The Trial** Franz Kafka,1992-06-30 The story of the mysterious indictment trial and reckoning forced upon Joseph K one of the twentieth century s master parables from one of the greatest writers of the twentieth century the author of The Metamorphosis Translated by Willa and Edwin Muir The Trial reflects the central spiritual crises of modern life Kafka s method one that has influenced in some way almost every writer of substance who followed him was to render the absurd and the terrifying convincing by a scrupulous hyperreal matter of factness of tone and treatment He thereby imparted to his work a level of seriousness normally associated with civilization s most cherished poems and religious texts Everyman s Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author s life and times **Michelin Green Guide Great Britain** Michelin Travel & Lifestyle,2012-03-01 This eBook version of the Green Guide Great Britain by Michelin features the best of Great Britain its three unique countries and dozens of different cultures and landscapes Tours maps full color photos illustrations and plenty of fascinating sidebars help you to explore this island where heritage history and high culture play a continuing role but nothing stands still for long Whether walking among the Victoriana of Tunbridge Wells taking a tour of the British Museum or beach hopping on the Pembrokeshire coast Michelin s celebrated star rating system and respected maps make sure you see the best that Great Britain has to offer *Oblomov* Ivan Goncharov,2014-10-29 AN EVERYMAN S LIBRARY HARDCOVER CLASSIC Ivan Goncharov s 1859 masterpiece a magnificent farce about a gentleman who spends the better part of his life in bed brilliantly employs humor to explore the absurdities and injustices of an outmoded social order Ilya Ilyich Oblomov is a good hearted nobleman whose majestic slothfulness renders him incapable of making decisions or taking the simplest of actions Raised in idyllic comfort on his family s country estate he has become so lazy as an adult that he lets his affairs deteriorate and allows unscrupulous people to take advantage of his weakness and good nature Living in a shabby apartment and tended by his indolent serf Zahar he relies on the efforts of his increasingly exasperated friend Stolz to protect him from himself Falling in love briefly rouses Oblomov to exert himself in courting Olga a young woman Stoltz introduces him to but his astonishing lethargy eventually defeats even their romance Wildly successful upon its publication Oblomov was taken as a slyly subversive indictment of the uselessness and corruption of the nobility but the character of
