troubling chapter in Australian history when Peter and other innocent children were sent to abusive institutions Ultimately Peter rises from the ruins of his troubled past embarking on a remarkable journey of self discovery and growth He defies the odds to become a successful CEO world class athlete and motivational speaker The Bank Robber s Boy is the unfiltered account of innocence on the edge of law and a young boy s unyielding determination to overcome his past Extraordinary shows how one man can defy his destiny not despite the odds but because of them A powerful testament to resilience hope and one man s determination to break free from the shadows of his past
