from c der or jett and jet from jeter etc although they all end in er and belong to the first group In the second group while fini finir agi agir and b ni b nir are mutually replaceable they cannot replace sor sortir par partir men mentir cour courir secour secourir or vien and ven venir We think that placing in the same group verbs whose patterns of conjugation have nothing to do with one another can lead to confusion Similarly in group 3 which comprises verbs ending in re while attendre vendre rendre perdre can replace one another in a conjugation they cannot replace prendre comprendre and moudre dissoudre and coudre do not even share common patterns of conjugation Themes are selected to facilitate visual recognition Where possible nouns adjectives and adverbs are grouped in a manner that help the learner distinguish the gender and number or show them how those parts of speech are formed The manuals are divided into four volumes for the progressive acquisition of the rules of French Grammar While Book 1 introduces such basics as articles gender masculine feminine and nouns prepositions numbers professions book 2 seeks to consolidate the knowledge acquired earlier Other tenses are examined in greater details Progressively the users build their confidence as they learn to construct correct sentences
