the civil liberties of the Americans against British infringements Hamilton took up arms in the defense of those rights Earning distinction in the campaign of 1776-77 at the head of an artillery company Hamilton attracted the attention of General George Washington who made him his aide de camp Alexander Hamilton was soon writing some of Washington's most important correspondence advising the commander in chief on crucial military and political matters carrying out urgent missions conferring with French allies negotiating with the British and helping Washington manage his spy network As Washington later attested Hamilton had become his principal and most confidential aid After serving the commander in chief for four years Hamilton was given a field command and led the assault on Redoubt Ten at Yorktown the critical engagement in the decisive battle of the War for Independence By the age of just twenty five Alexander Hamilton had proven himself to be one of the most intelligent brave hard working and patriotic Americans Alexander Hamilton The Formative Years tells the dramatic story of how this poor immigrant emerged from obscurity and transformed himself into the most remarkable Founding Father In riveting detail Michael E Newton delivers a fresh and fascinating account of Alexander Hamilton's origins youth and indispensable services during the American Revolution Collections of the New York Historical Society for the Year ...
